

Aloe First

Description and Purpose

This exclusive formula is an excellent first step for soothing the skin. Formulated base of stabilised aloe vera gel, Aloe First contains bee propolis, allantoin and 11 exclusive plant extracts:

- Bee propolis increases the natural skin soothing and cleansing properties of the aloe vera gel.
- Allantoin is a beneficial ingredient found in many plants, including aloe.
- 11 carefully-selected plant extracts, known for their beneficial properties, complete this powerful formula.

The combination of aloe and herbs provide a naturally soothing, pH-balanced spray that is easy to apply to even sensitive skin. Aloe First is designed to soothe the skin. Other uses for Aloe First include spraying on hair to help ward off the elements. It is even used in some hair salons as a pre-perm solution as it helps combat the drying effects of perming solutions.
