

Aloe Lips

Description and Purpose

The soothing properties of aloe vera are ideally suited to caring for your lips, protecting them against the sun and wind. We've added the finest ingredients, including jojoba and beeswax, to make what we believe is the most effective all-season lip care product available today. Aloe Lips soothes, smoothes and moisturises dry lips and provides protection even in the most extreme weather conditions.

Whether you are skiing, sunbathing, or enjoying the outdoors, its compact size makes it convenient to keep on hand.

Aloe Lips is suitable to use on other parts of the body, to calm irritated skin.
