

Aloe Lotion

Description and Purpose

One of our signature products, Aloe Lotion is a wonderful, all-purpose, concentrated skin lotion with jojoba oil and vitamin E to moisturise and soothe the skin. Collagen and elastin are added to this fine mix to assist in keeping the skin smooth and supple. It is an ideal choice for applying to dry, chafed, wind-blown or weathered skin.

Light in scent and excellent for soothing dry, irritated skin, Aloe Lotion quickly restores your skin's delicate pH balance to keep it supple and soft.

Our improved formula takes advantage of the latest breakthroughs in skin care technology to make Aloe Lotion feel sensational all over your face, hands and body.

At a glance...

- Moisturiser for face and body
- Excellent aftersun moisturiser
- Excellent hand cream
- Finer texture than our Moisturizing Lotion
- Soothes minor skin conditions

Note: Suitable for people prone to eczema and psoriasis
