1 Introduction

- 1.01 (a) Forever Living Products (FLP) is an international family of companies that produce and market exclusive health and beauty products throughout the world through its unique concept that encourages and supports the use and retail sales of its products through independent Distributors. FLP provides its Distributors with the best quality products, support staff and marketing plan in the industry. The affiliated companies and their products provide an opportunity for consumers and Distributors to improve the quality of their lives from use of FLP products, and equal access to success to anyone willing to properly work the program. Unlike most business opportunities, there is little financial risk to FLP's participants, since no minimum capital investment is required and the Company provides a liberal buy back policy.
- (b) FLP does not represent that a Distributor will achieve financial success without working or by relying solely on the efforts of others. Compensation in FLP is based upon the sale of its products. FLP Distributors are independent contractors whose success or failure depends on their personal efforts.
- (c) FLP has a long history of success. The fundamental goal of FLP's marketing plan is to promote the sale and use of high quality products to consumers. The primary purpose of Distributors is to build a sales organization to promote the sale and use of these products to consumers.
- (d) Independent Distributors at all levels of the FLP Marketing Plan are encouraged to make retail sales each month and keep records of such sales.
- (e) Successful Distributors gain current knowledge of the market by attending training meetings, maintaining their own personal retail customers, and sponsoring others to sell retail.
- (f) Distributors who have questions or need clarification should contact or call Distributor Services on 02 96353011
- 1.02 (a) Company Policies have been implemented to provide restrictions, rules and regulations for proper sales and marketing procedures and to prevent improper, abusive or illegal acts. Such Company Policies are revised, modified and added to, from time to time.
- (b) Each Distributor has an obligation to become familiar with the Company Policies.
- (c) Each Distributor, upon signing the Distributor Application form, agrees to abide by FLP Company Policies. Language therein specifically refers to the Distributor's contractual commitment to follow FLP's Company Policies. The placing of orders for product with FLP is a reaffirmation of such commitment to abide by the Company Policies.

3 Warranty, Guarantee, Product Return and Buy Backs

3.01 The following time periods shall apply except where modified by local law.

3.02 FLP warrants satisfaction and guarantees its products are free from defect and substantially conform to product specifications. For all FLP products exclusive of literature and promotional products, this warranty and guarantee shall be for a period ending thirty (30) days from date of purchase.

Retail Customers:

3.03 Retail Customers are guaranteed 100% product satisfaction. Within thirty (30) days from the date of purchase, a Retail Customer may

- (a) Obtain a new replacement for any defective product; or
- (b) Cancel the purchase, return the product and obtain a full refund.

In all cases, proper notice, proof of purchase and timely return of the product is required to be given to

the source of purchase. FLP reserves the right to reject repetitive returns.

- 3.04 When FLP products are acquired from or through an FLP Distributor, that Distributor is the primary party responsible for customer satisfaction by exchanging the product or refunding the money. In the event there is a dispute, FLP will determine the facts and resolve the issue. If cash is disbursed by FLP, the same will be charged back to FLP Distributors who benefited from the product sales.

Refund and Buy Back Procedure for Distributors

- 3.05 During the respective stated periods of warranty and guarantee, FLP will provide a new replacement of the same such product in exchange for the defective product or for one that has been returned to a Distributor by a Retail Customer for lack of satisfaction. Such replacement shall be subject to validation of presented proof of timely purchase. Such purchase must have been by the Distributor returning the product. In addition, for replacements of products to a Distributor for product returns by Retail Customers, a proof of sale to the Retail Customer and written proof of cancellation along with a signed receipt for return of funds as well as the return of product or empty containers will be required. Repetitive returns of product by the same parties will be rejected.

- 3.06 (a) FLP shall buy back any unsold, salable FLP product, except literature, that has been purchased within the previous twelve (12) months from any FLP Distributor who terminates his or her FLP Distributorship. Such buy back will be accomplished by the terminating Distributor first giving written notice to FLP of his or her intent to terminate his or her FLP Distributorship and forgo all rights and privileges relating thereto. The terminating distributor must return all products for which a refund is being claimed, along with proof of purchase, to FLP.

(b) If the product returned by a terminating distributor was purchased at Novus Customer Price, the Novus Customer Profit will be deducted from the Distributor to whom it was paid and, if the product returned is greater than 1cc, all Bonuses and Case Credits received by the terminating Distributor's upline for the products returned, will be deducted from the upline. If the Case Credits were used for any level move-ups of the Distributor or upline, those move-ups may be re-calculated after deducting the Case Credits to determine if the move-ups should remain in force.

(c) If a terminating Distributor returns a any Combination Pack, and it is missing some product, the refund and the deductions from the upline will be calculated as if the entire Combo Pack was returned, and then the wholesale or Novus Customer Price of the missing components will be deducted from the refund issued. After verification of the facts, the Distributor will receive a refund cheque from FLP in the amount equal to the Distributor's cost of the products being returned, less the bonuses personally received by him or her from his or her original purchase and the cost of handling, freight and any other appropriate setoffs.

(d) After recouping any costs or damages resulting from the terminated Distributor's adverse conduct, if any, FLP will remove the Distributor from the FLP Marketing Plan, and his or her entire downline organization will move up directly under the terminating Distributor's Sponsor in his or her current generation sequence.

- 3.07 The "Buy Back Rule" is designed to impose upon the Sponsor and the Company the obligation to ensure that the sponsored Distributor is buying products wisely. The Sponsor should make every effort to provide recommended guidelines to Distributors so that he or she purchases only as much product as is required to meet immediate sales needs. 10.01 (a) An Active Recognized Manager is eligible to participate in the Earned Incentive Program.

(b) Three levels of the Earned Incentive Program are available:

- 1) Level 1: The Company will pay a maximum of \$400 per month for a maximum of 36 consecutive Months.
- 2) Level 2: The Company will pay a maximum of \$600 per month for a maximum of 36 consecutive Months.
- 3) Level 3: The Company will pay a maximum of \$800 per month for a maximum of 36 consecutive Months.

(c) 3 consecutive months are required to qualify, as outlined in the following table:

Earned Incentive Qualification / Maintenance Requirements			
Month	Level 1 Total Case Credits	Level 2 Total Case Credits	Level 3 Total Case Credits
1	50	75	100
2	100	150	200
3	150	225	300

(d) During the period of 36 Months immediately following qualification, the Manager will receive the maximum payment amount for the level achieved each Month that the Month 3 Case Credit requirement is maintained.

(e) If the Manager's Total Case Credits drop below the Month 3 requirement during any Month, that Month's Earned Incentive will be calculated at \$2.66 times the Manager's Total Case Credits for that Month.

(f) If the Manager's Total Case Credits drop below 50 in any given month, the Earned Incentive for that month will not be paid. If in the subsequent months the qualifying Manager's case credits increase to 50 or more, the Earned Incentive will be paid in accordance with the policy as set forth above.

15 Prohibited Activities

15.01 The Executive Committee's decision to terminate a distributorship or to disallow, realign or adjust the Personal Discount, Bonuses, Case Credits, compensation or any incentive awards for any Distributor's involvement in activities or omissions that are not in conformance with Company Policies shall be final. Intentional acts of omission and disregard for the Company Policies by a Distributor shall be severely dealt with which may include termination and legal action for damages.

15.02 Prohibited activities causing grounds for termination and liability for any damages caused by such acts include, but are not limited to, the following conduct:

(a) **Fraudulent Sponsoring.** A Distributor is prohibited from sponsoring individuals without the knowledge of and execution of an Independent Distributor Application and Agreement by such individuals; the fraudulent sponsoring of an individual as a Distributor; or the sponsoring or attempted sponsoring of non-existent individuals as Distributors or Customers ("phantoms") to qualify for commissions or bonuses.

(b) **Bonus Buying.** A Distributor is prohibited from ordering more product than required to meet immediate sales needs, and additional products may be purchased only after 75% of that product's inventory has been sold, consumed or otherwise utilized. A Distributor is prohibited from purchasing products or encouraging other Distributors to purchase products solely for the purpose of qualifying for bonuses, and from using any other mechanism by which strategic purchases are made to maximize commissions or bonuses when a Distributor does not have a bona fide use for the products purchased. In order to ensure no inventory loading is occurring:

- 1) Each Distributor who orders product that was the subject of a prior order shall also be confirming and certifying to the Company that 75% of the prior order of that product has been sold or otherwise utilized. Distributors should keep accurate records of monthly sales to their customers, which records can be subject to inspection by the Company upon

reasonable notice. Such records will include reports reflecting inventory on hand at the end of the month.

- 2) The Company will be liberal in its application of the buy back policy on termination of a Distributorship, but FLP will not repurchase products or issue refunds on products certified as having been consumed or sold. Falsely representing the amount of product sold or consumed in order to advance in the marketing plan shall be grounds for termination.
- 3) To discourage any Distributor from encouraging other Distributors to circumvent the inventory loading prohibition, the Company will charge back to a terminated Distributor's upline any bonuses paid on product returned from a terminating Distributor.

(c) **Proxy Purchasing.** A Distributor is prohibited from purchasing product in any other than his or her own name.

(d) **Selling to Other Distributors.** In addition to his or her retail activities, a Distributor is prohibited from selling product to any Distributor other than his or her personally-sponsored Distributors, but at not less than wholesale price. Any other sale to other Distributors, either directly or indirectly, is a prohibited transaction for both the selling and the buying Distributors. The equivalent Case Credit of such a prohibited sale shall not be allowed for purposes of meeting the Active requirement or qualification requirement for any other benefits within the Marketing Program. Resulting adjustments shall be made for this non-compliance.

(m) A Distributor is prohibited from disparaging other Distributors, FLP's products/services, the Marketing and Compensation Plan, or FLP's employees to other Distributors or third-parties. Any questions, suggestions or comments regarding these issues should be directed in writing to FLP's corporate offices only.

(n) **Making Product Claims.** A Distributor is prohibited from making claims as to the therapeutic, safety or curative properties of the products. Only such statements or claims that are officially approved by FLP or are as contained in the official FLP literature may be made or used. A Distributor is prohibited from making any claims that FLP products are useful in the treatment, prevention, diagnosis or cure of any disease. Medical claims regarding FLP products are strictly prohibited. A Distributor should recommend to any customer who is currently under a physician's care or any medical treatment, that they seek the advice of his or her healthcare provider before altering his or her nutritional regimen.

(o) **Making Earnings Claims.** Unless FLP's prior written approval is obtained, projections of income earnings and potentially misleading income representations are strictly prohibited. The financial success of a Distributor depends entirely upon his or her individual effort, dedication, and the training and supervision he or she provides to his or her downline and FLP business.

(p) **Operating Business by Proxy.** A Distributorship, and any resulting downline, created or operated by proxy, either intentionally or inadvertently, is prohibited, and shall be adjusted for compliance with Company Policies by the Executive Committee.

16 Company Policies

16.01 (a) The Distributor relationship with FLP is one of a contractual nature. Only adult individuals, 18 years of age or older, may contract with FLP to be Distributors.

- 1) An FLP Distributorship is allowed, subject to specific conditions, to register a closely-held business entity to hold his or her FLP Distributorship. A closely-held business entity shall be defined as a business entity held by the original primary distributor, or if required by law or approved by FLP, two (2) shareholders, owners, members or trustees will be allowed who must be directly involved in the day-to-day operation of the business (hereinafter referred to as the "Business Entity"). In addition to compliance with all of FLP standard Distributorship requirements and FLP Company Policies, the individual Distributor(s) will be required to execute a Business Entity Distributorship Agreement, which shall supplement, be incorporated and considered part of, the Distributorship Agreement, outlining the additional terms and conditions under which the Distributorship agrees to operate as a Business Entity. The Business Entity Distributor Agreement can be obtained in the Forms and Downloads link available under My Business after signing in as a Distributor at foreverliving.com.
- 2) The Distributor is solely responsible for seeking individual professional advice regarding the establishment of a business entity, its tax effects and any other contingent legal issues. FLP explicitly disavows any responsibility and liability pertaining to a Distributor's decision to operate his or her Distributorship as a Business Entity. FLP does not represent nor shall give any tax, accounting or legal advice regarding assigning one's Distributorship to a Business Entity.

3) The Company shall not be liable for any loss of profit, indirect, direct, special or consequential damages, and for any other losses incurred or suffered by a Distributor as a result of transferring one's distributorship from their individual name to a business entity. (b) A Distributor is considered an Independent Contractor. He or she is required to conduct his or her business within the terms of the Distributorship Agreement, and in compliance with the Company Policies that are applicable in the country in which he or she is conducting business.

(c) An FLP Distributorship consists of the person named on the Distributor Application form on file at the Home Office.

(d) A Distributor shall be held responsible to properly manage the FLP Distributorship, specifically, but not limited to, preventing family members from using information obtained through such FLP Distributorship to circumvent compliance of Company policies required or evolving from the FLP Distributorship of the Distributor. A Distributor's failure to properly manage the FLP Distributorship may result in termination of the FLP Distributorship.

(e) In the event that the downlines of a Distributor sponsor into a foreign country and the Distributor has not previously been sponsored into that country, the Distributor will be automatically sponsored into that foreign country and agrees to the prevailing policies and local laws of that foreign country and agrees to be bound by the dispute resolution policies set forth herein.

16.02 FLP agrees to sell the Distributor product and pay volume bonuses as provided in the Company Marketing Plan, provided the Distributor is not in violation of such Distributor's contract with FLP.

16.03 A Distributor may develop his or her own marketing techniques, so long as they are not in violation of any Company, state, federal or jurisdictional rules, regulations or statutes.

16.04 Any transfer other than by inheritance of a Forever Living Products Distributorship, without prior Company approval, is prohibited and any such transfer shall be void. For the purpose of this provision, a change of beneficial interest of a Trust held FLP distributorship shall be treated as a transfer, which requires written approval by the Company to be valid.

16.05 Except as herein provided, a Distributor is prohibited from, directly or indirectly, changing Sponsors. FLP will only consider the first valid Application received by the Head Office. Subsequent applications shall be disallowed.

16.06 When a Distributor changes his or her residence, he or she must notify his or her old country of residence so that his or her address can be changed and a new Home Country assigned.

16.07 **Errors or Questions.** If a Distributor has questions about or believes any errors have been made regarding the Personal Discount, bonuses, downline activity reports, charges, or changes, the Distributor must notify FLP within sixty (60) days of the date of the purported error or incident in question. FLP is not responsible for any errors, omissions or problems not reported within sixty (60) days.

(c) After two years, a Distributor may reapply subject to Head Office approval. Upon such approval the Distributor will enter as a Novus Customer, and will not have the previous downline organization restored.

16.09 **Termination or Suspension for Cause.**

(a) Termination means a severance of all domestic and international privileges and contractual rights

available to an FLP Distributor, including the privilege to buy and distribute the products. The Termination will result in the inability to qualify for Bonuses, and severance of participation in all other benefit programs sponsored by the Company.

(b) A terminated Distributor shall, upon demand by FLP, be liable to repay, return or compensate FLP for any benefit programs, prizes, inventories, or bonuses received from FLP from and after the date of the activities causing such Termination. After recouping any costs or damages resulting from the terminated distributor's conduct, forfeited bonuses, caused by such Termination, shall be paid to the next qualifying Distributor upline who is not in violation of any of the Company Policies.

16.10 Internet Policies.

(a) **Selling Products Online.** Each Independent Distributor will be offered the opportunity to purchase a Company-approved Independent Distributor website, MyFLPBiz, for marketing products online using a direct link to the Company's Web store at www.foreverliving.com. Online orders will be fulfilled directly by the Company on this website. This internet link is arranged so that the FLP pages will remain within the Independent Distributor's website. The guests virtually never leave the Distributor's website. In order to maintain the integrity of FLP's brand name, product line and the Distributor/Customer relationship, a Distributor is prohibited from selling any FLP brand products online through his or her independent website. E-Commerce sales can only be made directly by or through a link to the official Company Web store at www.foreverliving.com.

(b) Sponsoring Distributors online via an electronic signature application or online form is prohibited outside of the direct application or link to the official Company website at www.foreverliving.com.

(c) Independent Distributor websites marketing and promoting the products or business opportunity, without online sales or sponsoring, are permitted so long as they comply with or are modified to comply with Company Policies.

(d) Distributors may not use the name "Forever Living Products" or any of its trademarks, trade names, product names, domain name (URL) or copy or use any Company materials from any source that may result in misleading or confusing the user into thinking the Distributor's website is that of the Company or any of its official affiliates. FLP product names are strictly proprietary to the Company and cannot be used by any Distributor as a sponsored link or for any other unauthorized use. An individual Distributor website must clearly indicate that it represents an independent FLP Distributor who is not an agent of the Company or any of its worldwide affiliates.

(e) Distributors must link their websites to the Company's official website created and maintained by the Company at www.foreverliving.com.

(f) All independent Distributor websites must reflect and connect only to companies or products that carry the FLP label and be of good moral content.

Online banners or display ads must be submitted to the Company for approval prior to posting online and must link a user to the Company website or an independent Distributor website that has been approved by the Company. All electronic advertising is subject to and controlled by the Company Policies relating to advertising and promotional guidelines.

17 Legal

17.01 Dispute Resolution/Waiver of Jury Trial.

(a) If a controversy or claim arising out of or relating to the Distributor relationship or FLP products cannot be resolved by negotiations, the Company and Distributor agree that in order to promote to the fullest extent reasonably possible a mutually amicable resolution of the dispute in a timely, efficient and cost-effective manner, he or she will waive his or her respective rights to a trial by jury and settle his or her dispute by submitting the dispute to the American Arbitration Association (AAA) for binding arbitration in Maricopa County, Arizona, in accordance with the written procedures adopted by FLP for resolution of disputes. Maricopa County, Arizona shall be deemed the sole and exclusive place for jurisdiction and venue of any dispute between the company and the Independent Distributor, and if appropriate, under FLP's dispute resolution procedures, a court of competent jurisdiction located in the State of Arizona, Maricopa County. The Independent Distributor Application and Agreement shall be governed in all respects by the laws of the State of Arizona.

(b) Participating in the international sponsoring program is a privilege that gives each distributor the chance to benefit from FLP's international network of companies. The international sponsoring program is monitored from FLP's home office in Maricopa County, Arizona. A Distributor participating in the international sponsoring program agrees and consents to any disputes arising out of or relating to the distributor relationship or FLP products, involving any of the FLP affiliated companies, shall be resolved through binding arbitration in Maricopa County, Arizona, pursuant to Forever Living.com and Forever Living Products International, LLC's current dispute resolution policies as set forth above and stated on FLP's Company website at www.foreverliving.com.

17.02 Testamentary Transfers.

(a) The transfer or assignment of a Distributorship is prohibited except in the event of death or legal separation or divorce.

(b) All FLP Distributor applications that contain two signatures, regardless of when signed, shall be treated as creating a Joint Tenancy with Right of Survivorship. If the Distributor lives in a community property state, the treatment will be that of Community Property with Right of Survivorship. On the confirmation of death of any one of the two signing Distributors, the FLP Distributorship will automatically be transferred to the survivor of the two. This will be the case regardless of what is stated in a Will of the first Distributor to be deceased. In addition, this means that when two persons have signed on the FLP Distributor Application the survivor of the two will be the sole distributor after the death of the first. If a Distributor does not wish this result, they must contact the Home Office to express their needs and to determine if such needs can be accommodated. Keep in mind that no change in a Distributorship can be made during your lifetime except in the case of a legal separation or divorce.

(c) If the Distributor application of a legally married person has checked the marital status box as being Married, but the application only contains the signature of one of the married parties, the company will treat the distributorship as being a Joint Tenancy with Right of Survivorship.

(d) Distributor applications that have the marital status box checked as being single and with only one signature will be treated by the company accordingly.

(e) To transfer a single person's FLP Distributorship on death, such Distributor must have a Will or use of a Grantor's Trust.

(f) The Company recognizes Joint Tenancy with Right of Survivorship and use of Grantor Trusts as legal means of holding an FLP Distributorship and in the event of a distributor's death, a means of transferring the distributorship to the Survivor or named beneficiary respectively without having to go through probate proceeding to get the property to the intended heir.

(g) If the Distributorship is held in a Business Entity, the death of the primary shareholder will not

remove the Distributorship from the Business Entity so long as the ownership of the Business Entity remains in conformity with Company policies governing ownership of such Business Entity. The transfer will be recognized by the Company when a court order or legal documents addressing the transfer are submitted to and approved by the Company.

(h) Within six (6) months following the date of distributor's death, the surviving distributor, trustee or estate representative shall provide notification of such death to his or her Domestic Home Office of FLP. Such notice is to include a certified copy of the death certificate, a certified copy of the Will or Grantor's Trust, or Court Order, authorizing the transfer of Distributorship to a qualified successor. After six (6) months from the date of death, FLP may remove the deceased distributor from the Distributorship. Giving timely notification and providing the required documentation for a successor's interest, will be required to prevent a suspension and/or termination of the Distributorship. If based on valid reasons, a request for a reasonable extension of time to provide transfer documents may be submitted to the deceased distributor's FLP Domestic Home Office prior to the end of the six (6) month period. FLP reserves the right to make payments to the joint survivor, beneficiary, trustee or legally authorized personal representative of the estate of a deceased distributor pending the timely submission of appropriate legal documentation.

(i) The inheritable rights to a Distributorship are limited and restricted as follows:

- 1) The heir must be a person who can qualify as a Distributor.
- 2) Because the heir must be an adult individual, a trust or guardianship may have to be established for multiple heirs or minor children. In the event a trust is established, a copy must be placed on file with FLP. Its terms must clearly allow the trustee to act as a Distributor. A guardian or a trustee of a testamentary trust must be appointed by the court of proper jurisdiction and receive specific approval to be a Distributor on behalf of the minors.
- 3) A trustee or guardian shall retain the Distributor status so long as the Distributorship agreement is not violated, until the beneficiaries have attained the age of majority, and an heir accepts the responsibility of operating the Distributorship with prior approval of the court.
- 4) A trustee, guardian, spouse or other representative- type Distributor shall be responsible for the actions of the beneficiary, ward, or his or her spouse for purposes of following the policy terms of the Distributorship agreement. A violation of Company policies by any of the above individuals may result in termination of the Distributorship.
- 5) The inheritable Distributorship position within the Company Marketing Plan is limited to recognition at no higher than that of Manager. However, bonuses shall be paid at the same levels and requirements as held by the deceased. Distributorship positions below Manager shall be inherited at that level.

17.03 Transfers Due to Divorce.

(a) During a pending divorce or negotiation of a property settlement, FLP will continue to disburse payments to the Distributor as was done prior to the pending action.

(b) In the event of divorce or a legal separation, a legally enforceable property settlement agreement may decree the Distributorship be granted to one spouse or the other. The Distributorship cannot, however, be partitioned. Only one adult individual will be entitled to retain the current downline of this Distributorship. The other spouse may choose to establish their own Distributorship at the same level of the Marketing Plan as established with the ex-spouse. Such other spouse must use the original sponsor. The other spouse's new Distributorship shall be treated by the sponsor as Inherited until re-qualified.

18 Restrictive Covenants

18.01 To the extent permitted by law, FLP, its directors, officers, shareholder, employees, assigns and agents (collectively referred to as "Associates") shall not be liable for, and the Distributors release FLP and its

Associates from and waives all claims, for any loss of profits, indirect, direct, special or consequential damages, and for any other losses incurred or suffered by Distributors as a result of: (a) Distributor's breach of his or her FLP Distributorship Agreement of FLP Company Policies and Procedures; (b) the promotion or operation of the Distributor's FLP distributorship and Distributor's activities related to it; (c) Distributor's incorrect or wrong data or information provided to FLP or its Associates; or (d) the Distributor's failure to provide any information or data necessary for FLP to operate its business, including without limitation, Distributor's enrollment and acceptance into the FLP Marketing Plan and the payment of volume bonuses. EACH DISTRIBUTOR AGREES THAT THE ENTIRE LIABILITY OF FLP AND ITS ASSOCIATES FOR ANY CLAIM WHATSOEVER RELATED TO THE RELATIONSHIP OF AWARENESS INCLUDING, BUT NOT LIMITED TO, ANY CAUSE OF ACTION SOUNDING IN CONTRACT, TORT, OR EQUITY, SHALL NOT EXCEED, AND SHALL BE LIMITED TO, THE AMOUNT OF PRODUCTS DISTRIBUTOR HAS PURCHASED FROM FLP THAT ARE IN RESALABLE CONDITION.

(b) Each Distributor is hereby licensed by FLP to use FLP's registered trademarks, service marks, and other marks (hereinafter collectively referred to as "Marks"), in conjunction with the performance of the Distributor duties and obligations under the Distributorship Agreement and the corresponding policies and procedures. All Marks are and shall remain the exclusive property of "FLP". The Marks may only be used as authorized by the Distributor Agreement and the FLP's corresponding policies and procedures. The license granted herein shall be effective only as long as the Distributor is in good standing and in full compliance with FLP's policies and procedures. However, it is prohibited for a Distributor to claim any ownership of FLP's Marks (i.e., registering for a domain name using the name "FLP", "Forever Living", or any other FLP Mark in any way, shape or form) unless it has been approved in writing by FLP. These Marks are of great value to FLP and are supplied to each Distributor for each Distributor's use in an expressly authorized manner only.

(c) Distributors are not to advertise FLP products in any way other than through the advertising or promotional materials made available to Distributors by FLP and materials pre-approved by an authorized officer of FLP. Distributors agree not to use any written, printed, recorded or any other material in advertising, promoting or describing the product or FLP marketing program, or in any other manner, any material which has not been copyrighted and supplied by FLP, unless such material has been submitted to FLP and approved in writing by FLP before being disseminated, published or displayed. FLP Distributors hereby agree to make no disparaging representations about FLP, the products, the FLP compensation plan or income potentials.

19 Confidential Information and Nondisclosure Agreement

19.01 (a) Downline reports and all other reports and genealogical information, including, but not limited to, downline sales organization information and commission recap statements, are private, proprietary and confidential to FLP.

(b) Every Distributor who is provided with such information must treat it as private and confidential and take care to maintain its secrecy and refrain from making any use thereof for any purpose other than the management of his or her downline sales organization.

(c) A Distributor may have access to private and Confidential Information which he or she acknowledges to be proprietary, highly sensitive and valuable to FLP's business and is being made to him or her solely and exclusively for purposes of furthering the sale of FLP products and prospecting, training and sponsorship of third parties who may desire to become Distributors and to further build and promote his or her FLP business.

(f) A Distributor is prohibited from using, disclosing, duplicating or otherwise making any Trade Secret or Confidential Information available to anyone other than FLP Distributors, without the prior written consent of FLP.

(g) A Distributor is prohibited from, directly or indirectly, using, capitalizing upon or exploiting any Trade Secret or Confidential Information for his or her own benefit, or for the benefit of anyone else, other than for the purpose of conducting his or her FLP business.

(h) A Distributor shall maintain the confidentiality and security of the Trade Secret and Confidential Information in his or her possession and to protect against disclosure, misuse, misappropriation or any other action inconsistent with FLP's rights.

(i) **Further Restrictive Covenants.** In consideration to FLP for the receipt of Trade Secret or Confidential Information, the Distributor inherently agrees that for the term of the FLP distributorship, the Distributor shall not take or encourage any action, the purpose or effect of which would be to circumvent, breach, interfere with or diminish the value or benefit of FLP's contractual relationships with any FLP Distributor. Without limiting the generality of the foregoing, for the term of the distributorship, the Distributor agrees not to directly or indirectly, contact, solicit, persuade, enroll, sponsor or accept any FLP distributor, FLP customer or anyone who has been an FLP Distributor or Customer for the last twelve (12) months, into, or to encourage any such person in any way to promote, opportunities in marketing programs of any direct sales company other than FLP.

(j) The agreements contained in the "Confidential Information" section of these policies shall remain forever and in perpetuity. The agreements contained in the "Further Restrictive Covenants" section of these policies shall remain in full force and effect during the term of the previously executed Distributorship Agreement between FLP and the Distributor, and thereafter until the later of one (1) year from the latest receipt of any Confidential Information or twelve (12) months after the expiration and termination of such Distributorship Agreement
