Rex Maughan

CHIEF EXECUTIVE OFFICER

Thank you for taking a look at our exclusive range of natural products. For over three decades, we have dedicated ourselves to seeking out nature's best sources for health and beauty. The products in these pages are the result of that search to date.

To ensure we offer the finest products available, we've vertically integrated our entire aloe process. We control everything from fields, to factory, to research and development, to packaging, to shipping and distribution. This allows us to guarantee the quality of FLP products to our millions of customers and Distributors who depend on them for a healthier life and a more rewarding livelihood.

We are very proud that our products have benefited millions in the US and over 150 countries around the world, and we promise to continue our pursuit of quality and excellence!

Forever yours,

Rex Maughan
Chief Executive Officer

ENSURING THE HIGHEST QUALITY

We own numerous patents for the stabilization of aloe vera, which assures you of the highest quality aloe vera-based health and beauty products. Our aloe vera products were the first to receive the International Aloe Science Council Seal of Approval for consistency and purity. Many of the products also feature the Kosher, Halal and Islamic Seals of Approval, which further demonstrate the global appeal of Forever Living Products. These products are not tested on animals.
