

FOREVER 

THE GREATEST  
OPPORTUNITY IN  
THE WORLD

FOREVER 

MILLIONS OF PEOPLE IN 150 COUNTRIES  
CANNOT BE WRONG  
HERE ARE JUST A FEW OF OUR STORIES

# Welcome to Forever

Celebrating our 34th birthday earlier this year, what better way to mark that celebration than to give away over nearly €7 million in Europe and over \$18 million globally? It's no wonder that more and more people around the world are calling Forever 'The Greatest Opportunity in the World'. In these times of economic hardship, where tens of millions of people are struggling to survive financially during their retirement, and where millions of young people face years of unemployment, Forever is providing hope in over 150 countries, and is a Company which spans the globe, touching millions of lives, both with the opportunity and the products.

Forever was founded in 1978 by Rex Maughan, an entrepreneur who wanted to create a company that would allow everyone the opportunity to build a new future for themselves. As he says, "The greatest illness in the world today is an empty wallet. If you want to decrease the amount of suffering, then give a person a chance to earn an honest living; this is a powerful remedy."

At Forever, we have dedicated ourselves to seeking out nature's best sources and finest ingredients for health, wellness and beauty and offering them to the world. Today, with our affiliates, we are the world's largest growers, manufacturers and distributors of aloe vera-based products. Our products are designed to

keep healthy people healthy and to create a business opportunity for everyone, everywhere.

Through 34 years of economic ups and downs, Forever has achieved an enviable record of year-on-year growth, and faces the future in a particularly strong financial position.

At Forever, we know that to achieve a balanced life requires financial as well as physical health. Many people around the world long to be in a position of financial security, decreased stress and improved health. We pride ourselves in offering the vehicle to help you realise your goals, dreams and aspirations, using high quality products and a generous Marketing Plan that will give you the tools to achieve all three. The Forever 'Family' is filled with millions of people just like you, who have taken this opportunity of a lifetime and are building a new secure future for their families and themselves. In this book you will meet many of the people from all over Europe who have achieved this, but be assured, this is being mirrored around the globe. Wherever you may be, Forever is there to provide you with that same, life changing opportunity.

# Message from Rex

Thank you for taking the time to read this incredible book. It introduces you to the Forever Living Products Distributors who have worked hard in 2011 to earn a share of just one of the incentives that Forever offers. We often refer to our Company as 'The Greatest Opportunity in the World.' This statement is not meant to be a boastful one, or even a marketing ploy; it is just simply a statement of fact. For the millions of active Distributors throughout Europe and the rest of the world, Forever provides a vehicle that allows them to enjoy greater health and wealth.

2011 was a tough year for many businesses, and our European business was not immune to the effects of the global slowdown. However, despite these external factors, we were thrilled to be able to award over €6.9 million to people just like you. Keep in mind that these payments are in addition to the generous monthly bonuses that the recipients earn. I am aware that money does not bring happiness, nor is it a clear measure of success, but helping others is, and I've learned over the years that you can help a lot more people with a full wallet than with an empty one.

I invite you to take a closer look at this amazing opportunity and I look forward to meeting you on stage one day, where we will be able to give you the cheque you deserve.

Forever yours,

Rex Maughan

# Welcome to Forever

The Forever Marketing Plan is designed to provide an income ranging from a few hundred Euros a month, to one without limit, where the size of the income is determined by the amount of time, effort and commitment a Distributor puts into their business. In addition, there are a number of incentives available to Distributors, including international travel, a Car Plan to enable you to pay for a car, and many other awards.

Some companies offer bonuses to their employees, of which many are 'discretionary bonuses'. With this kind of bonus, often some employees receive bonuses they are happy with, while others end up being unhappy. In Forever, the whole programme is calculated, meaning you don't just receive a bonus, you get your exact bonus to the nearest cent.

The Profit Sharing programme enables Distributors at the base level to receive a cheque that is roughly the equivalent of their monthly bonus, meaning they are getting paid for a thirteenth month, even though they are only working twelve; a great incentive unmatched in a normal working environment. However, as they move up the scale in the programme, the amounts earned can become life-changing.

It has been proven that Distributors can start to access the Profit Sharing Programme in their first full year with

the Company, although of course, that is dependent on the time and effort committed by a Distributor to building their business.

In this book you can see how the Forever Profit Sharing programme is changing lives all across Europe. The testimonials from qualifying Distributors show that anyone, regardless of background, can become successful in Forever, and we are proud to be a Company that offers an opportunity to everyone, without discrimination.

# LEVEL THREE

## JAYNE LEACH & JOHN CURTIS

Back in 1993, when our Sponsor told us that, “Forever makes a habit of changing peoples’ lives,” we never even came close to realising the extent to which this would be proved true.

We had come into the business to try to solve our problems of substantial accumulated and worsening debt, children deserving better education, and the twin desires of owning a home and achieving long-term financial security.

The early realisation that the Forever career plan is essentially a people development and Manager-building business, underwritten by movement of the fabulous product range to consumers, required us to quickly get to Manager and help others do the same. The resultant regular and rapidly increasing monthly bonus income quickly secured a great way of life for the family, but how to address the debt issue?

Then, with the introduction of the Profit Sharing programme, we perceived an extremely generous annual performance bonus – an added layer to the already generous career plan rewards, and all for simply participating in the growth of both our own and the Company’s business. By working and achieving a natural progression from Level 1 to Level 2, the debt quickly vanished and the dream home became a reality, followed by a second home in the South of France.

But none of this had quite prepared us for the impact of achieving Level 3, adding other property and financial investments to our by now lifetime security, as well as increasing contributions to our African charity work.

So, where does that leave us in 2012, having so far received almost €4 million in Profit Sharing and seen ever increasing payouts to team Managers? Obviously we are humbly grateful to Rex and Forever for making

Not at all! In our view, the introduction of Global Profit Sharing, underpinned by Eagle Manager, represents the next gigantic step forward for all of us. We can now reach out to almost anyone around the Forever globe, willing to invest time and effort to become Manager, Eagle Manager and participating in Profit Sharing.

Changing lives – now there's a good habit!

LEVEL THREE

## ANJA & KIM MADSEN

Min kone, Anja, tager sig af hjemmefronten, mens jeg – Kim – rejser ud for at skabe netværk, både lokalt og globalt. Takket være Forever har vi nået toppen af de materialistiske tinder. Men nu har vi udset os et endnu højere mål, nemlig at give noget af alt det, vi har fået, tilbage. Som ledere af Diamond Fund i Skandinavien støtter vi eksempelvis ambitiøse velgørhedsprojekter for børn i de baltiske lande og i Uganda, Afrika.

Vi anser Profit Sharing for at være vores største præstation. Det er en metode til at vise de øvrige managers vejen, så de også kan opnå Profit Sharing. Profit Sharing handler ikke kun om penge: Det er den største ære, man kan opnå.

At opnå Level 3 inden for Profit Sharing er en præstation, som kun ganske få i verden opnår – det er, præcis som med 7, 500 CC "Eagle Summit" eller "Diamond Qualifications" det ypperste og drømmen for millioner af Forever-forhandlere verden over.

Hvad skal der til for at opnå dette? Og hvad gjorde vi?

Her følger en række Level 3-regler:

Hårdt arbejde og en konsekvent og strategisk tilgang. At man flyver over sin organisation som en ørn for at se, om der er noget nedenunder, der skinner. At man flyver ned og samler det op – det kunne jo være guld eller en ny PS-qualifier, der skal pudses og plejes. At man arbejder med PS-aspiranterne og deres team, overvåger, kontrollerer, opmuntrer osv.

Det koster at nå toppen! Det er som med sportsstjerner, ministre,

rockstjerner osv. – hvis der er en kamp, et vigtigt møde eller en koncert, skal man være klar, også selv om ens barn har fødselsdag, eller ens bedste ven har jubilæum. Det kræver ofre. Det kræver, at man giver lidt ekstra af sig selv!!

Jeg er også far, og som far respekterer jeg, at man er nødt til at deltage i familiefødselsdage, børnenes fødselsdage, vennernes fødselsdage osv. Det er vigtigt, og hvis du ikke ønsker at nå toppen, at blive Diamond-kvalificeret, Level 3-qualifyer eller Eagle Summit-medlem, så lad være med at yde det offer!! Det er helt i orden. Ikke alle når toppen, og du behøver ikke være én af dem!!

Men husk, hvis du først når derop, så vil du senere få mere tid til familie, venner osv., end nogen anden, fordi du har friheden og pengene! Jeg har ydet mange ofre, men nu fejrer vi min datter Julies fødselsdag i Disneyland Paris i næste måned – Oliver, Anja og jeg – og i skrivende stund holder vi ferie i det solrige paradis: Uganda i Afrika. Det er den slags ting, Level 3-qualifyers og topledere kan tillade sig, så jeg vil helt klart anbefale den vej. Start eventuelt med Level 1, og gå senere videre til Level 2 og 3, eller gå direkte til Level 3, som vi gjorde for ni år siden.

Vi ses på toppen!

My wife, Anja, deals with the social side of things on the home front, while I – Kim – am out building the network locally and globally. Thanks to Forever, we have reached the top of a materialistic mountain. But now we've set our sights on a higher mountain, with the grand passion of giving back. As Diamond Fund Managers in Scandinavia, we support, for example, ambitious charity projects for children in the Baltic States and in Uganda, Africa. We consider Profit Sharing our greatest possible achievement. It's a means of showing the way for our other Managers to also achieve Profit Sharing. Profit Sharing isn't just about money, it's the greatest honour you can achieve. Attaining Level 3 in Profit Sharing is an achievement that very few people manage. It is like the 7, 500 CC Eagle Summit or Diamond qualifications – this is the very top, and it is the dream of millions of Forever Distributors all over the world.

So what does it take to get there, and what did we do? Here are some Level 3 rules:

Hard, constant and strategic work, flying over your organisation like an eagle, to see if something down there is twinkling. Fly down and pick it up. It might be gold and a new Profit Sharing qualifier, so you will have to polish it, work with the prospect and all her/his team, check and control, encourage etc.

You will have to pay a price to get to the top, like sports stars, ministers, rock stars etc. If there is a match or concert or important meeting, you must be there; even if your child has a birthday or your best friends have an anniversary, this is the sacrifice you will have to make – you will have to go the extra mile!

As a father, I understand that you have to participate in all your family's relations' anniversaries, your children's birthdays, your best friends' birthdays, etc. etc. This is indeed very important, and if you don't want to get to the top, to be a Diamond, Level 3 qualifier, or Eagle Summit member, then don't make the sacrifice! It's OK. Not everyone will get to the top, and you don't have to be one of them! But remember if you do get there, later on you will have even more time for your family and friends than anyone else, because you will have the freedom and the money to do so! I have made sacrifices, but we are celebrating my daughter Julie's birthday in Disneyland in Paris next month, with Oliver, Anja and me, and as I write this, we are on our winter holiday in the sunny paradise of Uganda in Africa. This is what Level 3 and top leaders can do, so let me recommend you go all the way. You can start on Level 1 and then later move to Level 2 or 3, or you can go direct to Level 3, like we did nine years ago. See you at the top.

Das Profit Sharing habe ich in erster Linie durch das Sponsern vieler neuer Distributoren erreicht. Zur Gewinnung dieser neuen Geschäftspartner habe ich kontinuierlich Anzeigen geschaltet. Darüber hinaus habe ich weitere Aktivitäten unternommen, um neue Kontakte zu generieren. So führte ich gezielte Aktionen mit den neuen Produkten durch und sprach dabei zum Teil ganz neue Zielgruppen an. Außerdem verhalfen mir große Einzelbestellungen neuer Teampartner zum gewünschten Erfolg. Dies hat mir wieder einmal gezeigt, dass mit entsprechender kontinuierlicher Aktivität bei FOREVER weiterhin alles möglich ist. Es gibt kein Limit! Wichtig ist zu wissen: Wachstum gibt es nur durch neue Distributoren!

Der Erfolg des FOREVER Business liegt im Marketingplan von FOREVER begründet. Das bedeutet: Mache täglich neue Kontakte, verkaufe täglich mit Begeisterung die Produkte, gewinne täglich neue Partner und Partnerinnen für dein Geschäft und hole dir täglich Empfehlungen für neue Kunden und potenzielle Vertriebspartner. Wichtig dabei: Gib niemals auf! Und beginne Dein Geschäft alle drei Monate neu!

I have reached Profit Sharing, primarily, by sponsoring many new Distributors. To win these new business partners, I have continuously changed the way I advertise. In addition, I have undertaken other activities to generate new contacts. Thus, I carried out specific actions with the new products and talked to a number of entirely new target groups. Moreover, large individual orders from new team partners helped me to the desired result. This has shown me once again that with suitable continuous activity, everything is possible with Forever. There is no limit! Important: there can only be growth from new Distributors!

The success of the Forever business lies in its Marketing Plan. This means make new contacts daily, sell the products daily with enthusiasm, work with new team members in your business and obtain recommendations for new Customers and potential Distributors on a daily basis. Important: never give up, and renew your business every three months!

Hogy miért a Forever? Mert az első pillanattól kezdve és a mai napig is itt kaptam a legtöbb segítséget a cégtől és a szponzoromtól, Szabó Józseftől. József mindig azt mondta, keressek olyan forgalmazókat, akik sokkal jobbak nálam. 11 év keresés után megtaláltam a legjobbakat, Gidófalvi Katit & Attilát, akik két és fél év alatt Gyémánt Managerek lettek.

Mindenkinek azt mondom, hogy soha ne felejtse el azt a napot, amikor csatlakoztál a Foreverhez és mindig emlékezz arra a napra, amikor először mertél igazán nagyot álmodni a marketingtervben. Mindig hálás szívvel kell gondolnunk a szponzorunkra, aki bemutatta nekünk a Forever világot. Soha ne felejtkeztek meg a napi alapmunkáról, mert ezzel érhetek el sikereket. Mindannyian használjuk az összes Forever terméket és osszuk meg a marketing terv titkait minél több embernek.

Bárki a jövőben ugyanazt a munkát ugyanannyi idő alatt, mint én beleteszi saját FLP vállalkozásába, ugyanazokat az eredményeket érheti el, mint jómagam. Nem egy vevőkódnak tekint a cég, hanem embernek. Meg is maradtam annak! Mindezek mellett a legnagyobb dolog, hogy Rex Maughan azt mondja, hogy a Forever a világ legnagyobb lehetősége... és ez nem csak egy ígéret, erre bizonyítékunk is van! Segítünk, hogy elérje a célját! Go Diamond!

Why Forever? Because I received help from the very beginning and I still get it from the Company, and from my Sponsor József Szabó, today. József always told me that I have to look for Distributors who are better than me. I found the best ones after searching for 11 years. These are Kati & Attila Gidófalvi who became Diamond Managers within two and half years.

I tell everybody never to forget the day when you joined Forever and to remember the day when you first dared to have big dreams about the Marketing Plan. We must always remember, with a grateful heart, our Sponsor who introduced us to the world of Forever. Never forget to do the basics every day to achieve results. We all should use the Forever products and share the secrets of the Marketing Plan with as many people as possible.

Anybody in the future, who works as I do in my Forever business, can reach the same results as I have. The Company does not consider you as just a number, it treats everyone as individuals. The greatest thing is as Rex Maughan says, that Forever is the greatest opportunity in the world...and this is not just a promise, we are the proof! We can help you to get there! Go Diamond!

Profitsharing är ett fantastiskt motivationsprogram som verkligen har inspirerat många med mig. Det har hjälpt mig att fokusera men samtidigt tänka på hela Forever Scandinavia. Vi är alla en del av ett team men med profishare så blir också vi en del av "Team Forever Scandinavia" vilket inspirerat mig till att jobba crossline. När någon behöver hjälp så kan man som profitshare member se och känna glädje i att hjälpa andra oavsett vilket team man tillhör eftersom varje liten produkt som blir såld eller att någon blir rekryterad bidrar till framgången hos Forever Scandinavia vilket vi får del av stor som liten.

Profit Sharing is a great incentive that has truly inspired many people, including me. It has helped me to focus and also think about the whole of Forever Scandinavia. We are all part of a team but with Profit Sharing we also become part of 'Team Forever Scandinavia', which has inspired me to work Crossline. When someone needs help, I can, as a Profit Sharing Manager, see and sense joy in helping others, whichever team they belong to, because each little product sold, or each new recruit, contributes to the success of Forever Scandinavia, which we all benefit from in some way.

Das Profit-Sharing ist angelegt für zwölf Monate vom 1. Januar bis 31. Dezember eines Jahres. Wir definieren das Ziel von Beginn an ganz genau. Nur diese klare Vorstellung, was wir erreichen wollen, führt uns zum Erfolg. Wir überreden Menschen nicht, FOREVER Produkte zu nehmen, sondern begeistern sie jeden Tag – und das erreichte Ziel gibt uns Recht. Erfolg im Ganzen erfordert Präzision im Detail.

Wir sehen FOREVER als größte Chance unseres Lebens. Deshalb werden wir weiterhin lernen, an unserem Business feilen, es perfektionieren und die Menschen von und mit FOREVER begeistern.

The Profit Sharing incentive is set up for twelve months from 1 January – 31 December each year. We define our goal exactly right from the start. It is only this clear conception of our intentions that results in our success. We do not persuade people to acquire Forever products, but spark their interest on a daily basis – and the result proves we are right. Success on the whole requires precision in detail.

We regard Forever as the greatest opportunity of our lives. Therefore, we shall continue to learn how to fine-tune and perfect our business and get people interested in Forever. We do not always have to be the best, but we shall always give our best.

## HORST & MARGRITA KELM

Wir kommen aus ganz normalen familiären Verhältnissen und haben vier Kinder. Dank FOREVER und dem Profit-Sharing-Programm konnten wir uns ein finanziell sorgenfreies Leben aufbauen. Wenn man in diesem Buch sieht, wie viele Menschen aus unterschiedlichster Herkunft es geschafft haben, ihr Leben zu verändern, ist das sehr beeindruckend und der Beweis, dass es jeder erreichen kann.

Die Frage, die sich stellt, ist einfach: „Will ich auch etwas in meinem Leben verändern?“ FOREVER ist hierfür eine einmalige Gelegenheit. Erstklassige Produkte und ein genialer Marketingplan sorgen für den Erfolg. Diese enorme Möglichkeit zeigen wir anderen Menschen und stellen die gleiche Frage: „Willst du das auch?“ Unsere Partner beim Aufbau ihres Geschäftes begleiten zu dürfen und zu sehen, wie ihr Einkommen steigt, zu sehen, wenn sie selbst einen Profit-Sharing-Scheck erhalten, gibt uns ein gutes Gefühl und ist die größte Belohnung.

We come from a very normal family and have four children. Thanks to Forever and the Profit Sharing programme we were able to build up a financially carefree life. You will realise by reading this book how many people with completely different backgrounds were able to change their lives; it is very impressive and proof that everybody can succeed.

The question that arises is simple, “Do I want to change something in my life too?” Forever is a unique opportunity. First-class products and an ingenious Marketing Plan provide for success. We show this huge opportunity to other people and ask them the same question, “Do you want this too?” To be able to accompany our team in building their business and to see how their income increases, to see when they themselves receive a Profit Sharing cheque, makes us feel good and that is the greatest reward.

2005 жылы демеушіміз Айгүл Бенакай ФЛП-мен ең алғаш таныстырғанда біздің ісімізді «Қарапайым адамның ғажап ісі» деп айтып еді. Осы бір жылы сөз жүрегіміздің түкпірінен орын алды. Әр жолы қарапайым адамдар жетіп жатқан үлкен табыстар, шынында да, бізді қатты ынталандырады, әрі бақытқа бөлейді.

Венгриядан келгенімізге 3-4 күн болды. Раллидан кейінгі шабыттанған, аттай тулаған жүрегіміз әлі сабасына түсер емес. Биылғы жыл да Қазақстан үшін өте жемісті болды.

Европада еліміздің байрағын желбіретіп, халқымыздың мәртебесін көтеріп келген барлық жерлестеріммен мақтанам, әрі олардың бұдан да биік белестерді бағындыра берулеріне шын жүректен тілектеспін!

Форевер табыс көздерінің ішіндегі «Profit Share» әрбір дистрибьютордың іскерлігін, лидерлігін нақтылай түседі. Әрі табанды еңбегінің жемісі іспеттес.

Осы орайда, өзімнің тобымнан осы табыс көзін ұтып, суырылып алға шыққан әріптестерім: Бағлан, Балжан Шайдаевтарды, Алтын Каниева мен Нұрлыбек Сафинді, Мунира, Ернийаз Нусуповтарды, Жанат Рахметованы, Ғалия, Әскербек Құлжанбековтарды, Түймекүл, Зиядана Қожалымовтарды, Раушан Абенованы, Бекжан Абишевті ерекше бағалап, құттықтағым келеді. Аллах сіздерге қуат берсін!

Биыл да былтырғыдай «Profit Share»-н 2-деңгейін

ұтып, жанұямызбен қуанышқа бөленіп жатырмыз.

Адам еңбегін адал бағалап, әрбір әрекетіңізді марапаттайтын ФЛП компаниясна алғысымыз шексіз! «Ұстазсыз шәкірт тұл» демекші, өмірден өз орнымызды тауып, Фореверде бағымыздың жануына қомақты үлес қосқан демеушіміз – Айгүл Бенакайға және бір мақсатта тынбай еңбек етіп жатқан барлық командамызға мың тағзым!

Біз сіздермен мақтанамыз, Біз сіздермен бақыттымыз!

In 2005, our Sponsor Aigul Benakai, when introducing us to the business said, "The average person can achieve great success", and these words made a strong impression on me. In fact, average people are making a success and this is very encouraging.

Profit Sharing defines and shows the professionalism and management skills of every Distributor, and is the reward for hard work. I congratulate with my all heart those in my group who have taken part in Profit Sharing, and pray Allah gives them strength!

This year we achieved Level 2 Profit Sharing and this makes us very happy. I am immensely grateful to Forever for rewarding people's hard work! I thank our Sponsor for helping us to find the right way and to achieve great success. And also, I thank our team for hard and continuous work. We are proud of you! We are happy with you!

Wenn man nach dem Karriereplan lebt, ist man automatisch im Profit Sharing! Hilf deiner Downline, ihre Ziele zu erreichen (mindestens 700 CC/Jahr). Gib jedes Jahr neuen Distributoren die Möglichkeit, mit FOREVER ihren gewünschten Erfolg zu erreichen (mindestens 150 CC/Jahr).

Investiere deine Kraft in einen – oder mehrere – Manager in deiner Downline, damit sie ein kontinuierliches Einkommen erreichen (1 Manager mit mindestens 600 CC/Jahr oder mehrere, die auch das Profit Sharing erreichen).

Entscheidend ist, dass man eine Synergie aller drei Punkte herstellt. Da wir von Beginn an unseres FOREVER Business' diese Richtlinien beherzigt haben, waren wir vom 1. Profit Sharing an dabei.

If you live in line with your career plan, you will automatically participate in Profit Sharing! Help your Downline to achieve their goals, give new Distributors the chance to achieve their desired success, and invest your energy in one or several Managers in your Downline so they achieve a steady income (one Manager with at least 600 CC a year or several, who will also achieve Profit Sharing). It is crucial to create a synergy of all three. We took these guidelines to heart right from the beginning of our Forever business and we were involved in the first Profit Sharing from the outset.

Lorsque nous avons signé notre agrément il y a 18 ans, nous ne pouvions pas imaginer que nous allions faire de telles transformations dans nos vies. Notre entreprise est devenue une véritable passion, nous avons dû affronter beaucoup de difficultés mais nous savions que cela en valait la peine. L'activité Forever est entièrement en accord avec nos principes et nos valeurs. Et nous ressentons la profonde satisfaction d'apporter quelque chose de vraiment précieux aux autres. C'est pourquoi, ces dernières années avec Forever ont été les plus importantes de nos vies.

When we signed up 18 years ago, we could not imagine it would bring such a transformation into our lives. Our business became a true passion. We faced many difficulties, but we knew it was worth it. Forever activity is completely consistent with our personal values and principles, and we feel deeply the satisfaction of bringing something really valuable to others. That's why these years with Forever have been the most significant years of our lives.

Notre aventure avec Forever débuta en 1997, la qualification de Manager a eu lieu l'année d'après. A ce jour, nous sommes Manager Essor. En tant que qualifié au Profit Share niveau 2 pour la troisième fois, nous totalisons notre 6ème chèque. Chaque année cet objectif est fondamental car cette récompense suprême, nous permet de vivre nos rêves.

C'est gratuit, alors pourquoi ne pas faire comme nous en vous engageant! Vous allez en plus vivre des moments magiques de joie et d'émotion. C'est extraordinaire. La joie dans les yeux des gagnants, dans nos descendances et l'amour que nous transmet Rex, nous motivent plus que tout. Visualisez, décidez, agissez, passez les obstacles, n'abandonnez jamais et le résultat sera au rendez-vous. Alors Action, ça tourne...

Our adventure with Forever began in 1997. A year later, we became Managers. Today, we are Soaring Managers. This is the third time that we have qualified at Level 2, and it's our sixth cheque. Each year, this objective is fundamental because this supreme reward enables us to live our dreams. It's free, so why not do what we did by getting involved? You will have magical moments of joy and emotion. It's fantastic!

The joy in the eyes of the achievers in our teams, and the love that Rex sends, motivates us more than anything else. Watch, decide, act, move obstacles, never give up and the result will come in time. Set the wheels in motion...

Sono entrata in Forever nel 1999, sono una Soaring Manager e negli anni ho ricevuto più di 99,000 Euro dal Profit Sharing. Qualificarmi per il secondo livello sembrava un sogno qualche anno fa! È frutto di ascoltare la mia upline e mettere in pratica le loro sagge parole...duro lavoro? Assolutamente sì... La condivisione degli utili non arriva per caso, è un traguardo raggiungibile da tutti coloro che si siedono e pianificano. Ho imparato a lavorare in profondità per consolidare le gambe Manager, in modo che c'è più opportunità per la panna di salire a galla! Il Profit Sharing 2.0 è ancora più entusiasmante perché il mondo è la nostra Ostrica! Ricevere il secondo assegno più alto in Italia quest'anno è stato un momento di emotività fuori misura, vedere la somma ingente di denaro che ho ricevuto per fare quello che faccio con passione e gioia è la ciliegia sulla torta più strepitosa che potrai mai mangiare!

I joined Forever in 1999; I am a Soaring Manager and over the years have received over €99,000 just through Profit Sharing. Achieving Level 2 Profit Sharing seemed like a dream a few years ago! It really is the result of listening to my Upline and putting into practice their wise words. Hard work? Absolutely... Profit Sharing does not come by chance, but is achievable by everyone who really sits down and plans to achieve it. I have learnt to work deeply to build Manager legs, so there is more opportunity for the cream to come to the surface! Global Profit Sharing is even more exciting as the world is our oyster! Receiving the second highest cheque in Italy this year was such an emotional moment, and seeing the huge sum of money that I was given for doing what I do with passion and joy is the cherry on top of the most amazing cake you will ever eat!

Suntem foarte recunoscători pentru întreaga ofertă a companiei și în mod special pentru calificarea la Profit Sharing. Este unul dintre cele mai importante obiective pentru noi. Este al șaptelea an în care ne calificăm și credem că fiecare Manager și lider din echipa României poate primi un asemenea cec. Acest program te ajută să-ți clarifici prioritățile, să faci o planificare exactă a muncii dintr-un an, să identifiți oamenii cheie, să te concentrezi și să descoperi toate avantajele muncii în echipă. Mulțumim Rex, Gregg și Aidan pentru această oportunitate și dorim ca anul viitor în Hawaii să fie alături de noi cât mai mulți Manageri din întreaga echipă a României!

We are very grateful for the Marketing Plan and especially for the Profit Sharing incentive. It is one of our most important goals. It is the seventh year that we've qualified and we believe that every Manager and team leader from Romania can receive such a cheque. This incentive helps you clarify your priorities, plan your work for the whole year, identify key people, focus and discover all the benefits of team work. Thank you Rex, Gregg and Aidan for this opportunity and we hope that next year more Managers from the whole Romanian team will come with us to Hawaii!

1998 drabbades jag av en överkänslighet i mitt frisöryrke och jag började söka efter ett arbete som jag kunde kombinera med min frisörverksamhet. Genom en kund kom jag i kontakt med Forever 1998.

Det var den största möjligheten jag någonsin stått inför och jag tog den. Att få möjligheten att arbeta med ett världsledande företag på en marknad som är oändlig, är stort!

Forever har överträffat alla mina drömmar och det underbara i vårt arbete är att få hjälpa alla som vill få uppleva samma sak!

2012 kommer att bli ett otroligt spännande år för Forever Skandinavien!

In 1998 I developed hypersensitivity in my job as a hairdresser and I started looking for a job I could combine with my hairdressing. Through a customer, I came into contact with Forever in 1998.

It was the biggest opportunity I had ever faced, and I seized it. Having the chance to work with a world-leading company in an infinite market is a big thing!

Forever has surpassed all my dreams and the great thing about our work is to be able to help everyone who wants to experience the same thing. 2012 will be an incredibly exciting year for Forever Scandinavia!

## MARITA & KARI VAINIOMÄKI

Forever-yrityksen anteliaan palkkiojärjestelmän huippu on Profit Sharing. Se on haaste, joka on otettava uudestaan vastaan joka vuosi. Profit Sharing on tavoite, joka pitää meidät innostuneena ja motivoituneena vuodesta toiseen, mutta myös kiinni oikeiden perusasioiden tekemisessä.

Olemme saaneet Profit Sharing -shekin yhdeksän kertaa ja nyt ensimmäisen kerran tasolla kaksi. Olemme kiitollisia Profit Sharing -managereillemme ja onnittelemme myös muita organisaatiomme Profit shekin -saajia.

Olemme kiitollisia Foreverille kaikesta mitä olemme viimeisen kymmenen vuoden aikana saaneet: monia ystäviä, monia upeita matkoja, uusia kokemuksia ja aika paljon rahaa. Tason 2 shekkimme oli uskomaton! Tärkeämpää kuitenkin kuin raha, on elämämme kokonaisuus, joka on muuttunut täysin Foreverin ansiosta. Aikaisempi elämä oli pelkkää työtä, nyt meillä on aikaa elää. Nautimme pienistä asioista ympärillämme, matkustamme, keräämme kokemuksia ja muistoja, jotka säilyvät ikuisesti.

Uskomme, että tason kaksi shekkimme innostaa ja kannustaa suomalaisia jälleenmyyjiä yhä suurempiin tavoitteisiin. Onneksi Rex ja Forever ovat anteliaita ja meille kaikille riittää isoja shekkejä tulevaisuudessa.

Tie on avattu. Tulkaa mukaan!

The best thing about Forever's generous reward system is Profit Sharing. It is a challenge that has to be taken up again and again every year. Profit Sharing is a goal which keeps up our enthusiasm and motivation from one year to the next, but also one which we keep to while attending to the right basic issues.

We have received a Profit Sharing cheque nine times, and now, for the first time, at Level 2. We are grateful to our Profit Sharing Managers, and we also congratulate the other Profit Sharing Distributors in our organisation.

We are grateful to Forever for everything that has come our way over the last 12 years: the many friends, the many wonderful trips, new experiences, and quite a lot of money. Our Level 2 cheque was unbelievable! But more important than money is our life as a whole, which has changed completely, thanks to Forever. Life just used to be about work: now we have time to live. We enjoy the small things around us, we travel, and we are gathering experiences and memories, which will stay with us forever.

We believe that our Level 2 cheque will inspire and encourage Finnish Distributors to set ever-greater goals. Fortunately, Rex and Forever are generous, and there will be plenty of big cheques for us all in the future.

The road ahead beckons. Join us!

Qualifying for Profit Sharing is an annual goal of mine, not only for the wonderful financial benefit, but because I also believe it is a fundamental part of leadership; by qualifying personally every year, I show other people in my team that it can be achieved. And the best thing for me about attaining a Level 2 cheque is that I have helped others in my team achieve Profit Sharing too, thus helping others achieve lasting financial security for their families and themselves.

So what does earning a Profit Sharing cheque mean to me? Well for a start, over and above the large income I earn from my global Diamond Sapphire business, it gives me added financial freedom which brings choices; for instance, it allows me to privately educate my three children, which as all of them are in boarding school, is not inexpensive! It allows me to take a holiday whenever and to wherever I want. It lets me indulge my passions of music, nature and wellbeing. But most importantly, it gives me huge peace of mind knowing that ever year Rex will present me with a bonus for doing what I love to do – helping others! I don't know of another company that is so transparent about how to qualify for this annual bonus scheme, or that allows anyone to participate; normally it is only the top people who can qualify.

Thank you Rex and Forever for giving us this opportunity, and thank you to my amazing team for helping make this

happen – without them, I would not be picking up this cheque. My goal is to help as many of you that wish, to pick up your own cheque in Hawaii in April 2013.

Только что прошло Международное Европейское Ралли в Будапеште. Очень большое количество людей стали участниками этого грациозного события. Мы очень гордились за результаты работы в целом Казахстана, а особенно за лидеров нашей группы, которые стали участниками «Деление Прибыли», в целом с нашей группы принимало участие на Ралли в количестве- 50 человек. Мы семья Смагуловых Даулет и Роза с бизнесом ФЛП серьезно сотрудничаем больше трех лет, и третий раз подряд участвуем в программе «Деление Прибыли», так как это самая высокая возможность получить дополнительный доход плюс к основному, за что мы благодарны основателю компании господину Рексу Моану, президенту Грегу Моану и Вице-президенту Айдан ОХаре и нашему генеральному директору Илькеру Ишмену, особую благодарность администрации Компании РК во главе Жанны Алимбаевой. Следующий год просто будет фантастическим, так как это будет «Глобал Ралли» и он будет проходить на острове «Гавайя». Не упустите свой шанс. Нам сильно хочется, чтобы как можно больше дистрибьюторов попали на это Ралли с нашей группы. Огромная благодарность за взаимную работу нашим спонсорам семье Бухаршиных Ермеку и Майре. Нам очень повезло, что в мае 2008 года нас с этой компанией познакомил Атилла Гидофальви, благодаря его большим знаниям и видению огромного международного бизнеса, очень много бизнес партнеров очень хорошо зарабатывают,

чему мы очень рады. За это огромное спасибо семье Атилле и Каталин Гидофальви. Желаем Всем Нам дружной большой команде ФЛП достигать высоких результатов!

Many attended the recent European Rally in Budapest and we were proud at how well Kazakhstan had done. We were particularly proud of our Sponsors and our team and in total, we had 50 people there. We began seriously building Forever three years ago and have participated in Profit Sharing for each of those years, as it's the best incentive to achieving additional income. We're grateful to the founder, Rex Maughan, to Gregg Maughan, President, to Aiden O'Hare, Vice President of Europe and to our General Director, Ilker Ishmen. We would like to convey our special thanks to the admin team of Forever Kazakhstan and to the head, Zhanna Alimbayeva. Next year it will be fantastic with the Global Rally being held in Hawaii. Don't miss this chance. We would like many of our Distributors to attend this Rally. Huge thanks to our Sponsors, Yermek Mayra Buharshins. We were very lucky in May 2008, when Atilla Gidofalvi introduced us to this Company, and thanks to his knowledge and involvement in this business, many of our team earn good money. For this, many thanks to Atilla & Katalin Gidofalvi. We wish for all members of our friendly family to reach great results!

Every person's destiny is in his/her own hands. We believe everyone has to pursue their dreams and goals and we understand that nothing worthwhile comes easily. Forever has many great and rewarding incentives but Profit Sharing is the pinnacle of our incentives programme.

2011 has been an incredible year of growth in Ireland; we have seen many amazing achievements, but we believe that 2012 will be an even greater year with extraordinary growth. We recognise that 2012 will firmly put Ireland on the Forever map. At the European Rally in Budapest, nine Irish Distributors received Profit Sharing cheques.

Forever has surpassed all of our dreams. What can we achieve this year? It's so exciting to see so many strong leaders coming up, and with our brand new and exciting Global Rally in fabulous Hawaii, you can be there on the stage too, to collect your cheque from Rex and Gregg Maughan. We can't wait. Decide what you want, stay with it, remain focussed, plan it and work with your team and you will do it. Receiving your cheque is a huge inspiration to all of your team. If we can do it, so can they.

Congratulations to all Profit Sharing qualifiers in Ireland, it is such a great and exciting event to see your Downline receive their cheques. Budapest was great and wonderful, but...wait, Hawaii will be truly amazing!

We have to thank Rex & Ruth Maughan for this amazing life-changing opportunity.

See you at the top!

Forever Living'in İş Planında vaat ettiği promosyonlara adım adım ulaşmak heyecan verici. 3.5 yılımızı doldurduğumuz Forever işimizde Kar Paylaşımını 2. defa 2. Seviyeden kazanmış olmanın yanında, ilk hatlarımızdan gelen 4 ekip arkadaşımızın da 1. Seviyeden kazanmalarına yardımcı olduk. Bu da, geleceğe doğru emin adımlarla yürüdüğümüzü bir kez daha gösterdi. Sevgili Rex'in geçen sene Amerika'da bizlere müjdesini verdiği Kar Paylaşımı 2.0, tüm dünyayı olduğu gibi bizleri de çok heyecanlandırdı. Tüm ekip arkadaşlarımızla beraber daha 2011 bitmeden, 2012'yi planladık. Şu anda hepimiz hedeflerimize kilitlenmiş bir şekilde Türkiye'nin dört bir tarafında çalışıyoruz. Aslında aynı şeyleri yapıyoruz:

- FLP'nin sağlık ve varlık fırsatını daha çok insanla paylaşıyor,
- Etik kurallar dahilinde çalışıyor,
- Kendimiz ve ekibimiz için koyduğumuz hedefler gibi, Türkiye için de koyduğumuz hedeflere yönelik planlı bir çalışma yapıyoruz.

Son olarak, bizlere bu güzellikleri nasip eden Allah'a, tüm dünyada milyonlarca insana umut ve ilham olan sevgili Rex Maughan'a ve bize bu fırsatı sunarak hayatımızın olumlu yönde gelişmesine vesile olan değerli sponsorumuz Mehmet Ali Bayam ve ailesine teşekkür ederiz. Forever'ı çok seviyoruz...

It's really exciting to see the Forever Marketing Plan working step-by-step. Helping our four team members to qualify for Level 1 Profit Sharing has enabled us to qualify for Level 2 for the second time in the three-and-a-half years since we joined Forever.

As with Distributors the world over, we in Turkey got very excited about Global Profit Sharing, which Rex announced last year, so, by the end of last year, we and all our team members planned for 2012. Now, all of us in Turkey are focussed on the same goals:

- Sharing the health and wealth opportunity of Forever with more people.
- Working ethically.
- Working to the targets set for Turkey, for our teams and ourselves.

Finally, we would like to thank our valued Sponsor Mehmet Ali Bayam and family for changing our lives by providing this opportunity to us, dear Rex Maughan who became an inspirer and has given hope to millions of people around the world, and of course to God for giving us this treasure. We love Forever so much...

## MARION & EDDIE FITZGERALD

It is a great privilege to achieve our third Profit Sharing cheque, and we are delighted to have achieved Level 2 of this fantastic incentive.

We have been working with Forever for nineteen years and it has really transformed our life. Forever has granted us the financial freedom that we could only have dreamt of. It has allowed us to educate our children, buy investment property, secure a retirement fund and travel the world. Forever is a generous and extraordinary Company. Achieving this fantastic incentive grows our business and inspires our team to do the same.

We would like to thank Rex and Gregg Maughan for building such a magnificent Company. Our goal now is to continue to build our team and work towards achieving our team's 2013 Profit Sharing cheque.

Go n-eiri an t-adh leat! (Good luck everyone.)

Ешнәрсе кездейсоқ болмайды бұл өмірде. Бұл ғажап компанияға біз денсаулық іздеп келдік. 2008 жыл 13 қыркүйек отбасымызға бақыт әкелген, өмірімізді түбегейлі өзгерткен, дұрыс шешім қабылдап, контрактқа қол қойған күн. Бұрын соңды ешқашан МЛМ жүйесінде еңбек етпеген біздер үшін жаңаша жұмыс істеуге тура келді. Қазір біз Қазақстанда № 2 Сапфир менеджеріміз. Неге біз осындай ғаламат табысқа өте қысқа уақытта жеттік. Бұл қалай мүмкін болды? Бұның жауабы о баста компанияның ұстанымы, шынайы саясаты, әділ де түсінікті маркетинг планы қарапайым адамдарға арналған болатын. Бұл бұрын соңды адамзат баласына берілмеген мүмкіндік болатын. Басынан өзімізге жауапкершілікпен қарадық, жоғары талап қоя білдік. Көп білім алуға, тез оқып үйренуге талпындық. Спонсорымыз үлкен жетістіктерге қол жеткізген – Анар Сағиева. Шет елге алғашқы сапарымызда осы Фореведе мүмкін болды. 2009 жылы Малага қаласында Еврораллиге қатыстық. Осы сапар өміріміздің басқаша керемет құндылықтарын ашып берді. Адам өзін қадірлеу арқылы ғана болашақта басқа көптеген адамдарға көмек бере алатынына сенімі артып, өмірге деген құлшынысы артады.

Соңғы 3,5 жылдағы өміріміз, Фореведегі кезең шынында да ертегіге ұқсайды. Қараңыздар. Болған жерлеріміз Малага, Лондон, Даллас, Денвер, Вена, Вашингтон, Будапешт. Үлесті бөлісу бағдарламасы бойынша Венада 6604€ алсақ, биыл Будапеште

75081€.

Осы ғаламат жетістіктер мен жеңістер аса қадірлі Рекс Моан мырза басқарған Фореве Ливинг Продактс компаниясында мүмкін болды. Жаса Фореве! Осындай ғажап мүмкіндіктерді пайдалана отырып, қажірлі еңбектің арқасында Фореведегі шыңында Қазақстанның көк туы биік желбірейтініне біз сенімдіміз!

We joined Forever for a better future and changed our lives. We are the No.2 Sapphire Managers in Kazakhstan. How did we reach this success in such a short period of time? The answer is the Company's strategy, and its fair policy, with a clear and simple Marketing Plan. The Company gives us great opportunities. In 2009, we travelled abroad for the first time to the European Rally in Malaga. Thanks to this, we started to look at life differently. Only after starting to respect yourself, can you be ready to help other people and to live a full and healthy life. Our life during the last three years and five months has been like a fairy tale. We thank Rex Maughan for helping us achieve great success. Forever is the future!

De afgelopen jaren heb ik al vaak van Profit Sharing mogen genieten. In januari 2011 heb ik me voorgenomen om weer voor Profit Sharing te gaan en nieuwe mensen de mogelijkheden met Forever te bieden. Het mooie is dat down line managers dit geduplicateerd hebben, zoals Carine Simons en Peter Bollen, en zij ook op de Rally hun cheque hebben gekregen. Maar in feiten heeft heel Forever Benelux meegeholpen aan deze prachtige cheque waarvoor dank! Met deze cheque hebben wij twee kinderen, Amos en Moses, kunnen adopteren via het mooi project Help Africa van Kim Madsen. Wij bedanken dit mooie bedrijf en Rex dat hij deze droom werkelijkheid heeft laten worden. Het is voor iedereen mogelijk dus ga voor Forever!

In recent years I have qualified for Profit Sharing several times. In January 2011, I decided to 'go for it' again and show prospects the opportunity that Forever has to offer. Fortunately, two of my Downline Managers, Carine Simons and Peter Bollen, decided to copy this, they qualified and received their cheque at the Rally! But in fact the whole of Benelux worked for this wonderful cheque and I'm very grateful for that! With this cheque we were able to adopt two children, Amos and Moses, via the beautiful organisation Help Africa, founded by Kim Madsen. We are thankful for this unique Company and for Rex for making people's dreams come true. It's an opportunity for everyone, so go for Forever!

Das Profit-Sharing-Programm von FOREVER ist ein in der Network-Marketing-Industrie einzigartig, weil nicht nur die eigene Leistung belohnt wird, sondern auch die Qualität der Arbeit in der Downline, da ja die CCs der Downline-PSM addiert werden. Also herzlichen Dank an Christina Chalaupka und Hans-Werner Rehberg. Es ist eine große Motivation für mich, aber auch für alle in der Downline, auf dieses Ziel hinzuarbeiten und es jährlich aufs Neue zu erreichen. Das Profit Sharing startet immer schon im November/Dezember des Vorjahres mit der Planung. Es sollte für jeden FLP-Distributor ein Ziel sein, über den Eagle-Manager zum Profit-Sharing zum kommen, denn dann bekommt er nicht nur das Profit Sharing, sondern auch einen höheren monatlichen Scheck. Wir sehen uns auf Hawaii!

The Forever Profit Sharing programme is unique within the network marketing industry, as not only is one's own performance rewarded, but also the quality of the work done in the Downline, as the Downline Profit Sharing Managers' CC are added. So, thank you very much Christina & Robert Chalaupka and Hans-Werner Rehberg. It is a great motivation not only to me but also for everyone in the Downline to work towards this goal and to reach it again every year anew. Profit Sharing planning always starts in November/December of the previous year. Every Forever Distributor should aim at achieving Profit Sharing via the Eagle Manager qualification, because then not only do they receive Profit Sharing, but also a higher monthly cheque. See you in Hawaii!

Un nuovo anno e ancora una conferma, il Profit Sharing, un'attività sicura e confermata dalla continuità dei risultati, da tredici anni collaboriamo con Forever Living, da allora non ci siamo mai fermati, e sempre siamo stati appagati dai risultati, siamo molto felici di come sono trascorsi questi anni. Tuttavia le nostre ambizioni sono sempre molto alte e protese verso il futuro, gustiamo ogni giorno del lavoro che facciamo.

Il nostro obiettivo continuo è quello di aiutare le persone a essere più libere e a gestire il tempo secondo le proprie priorità. Ora guardiamo il futuro con una maggiore sicurezza, quest'anno finisce un'epoca e dal prossimo anno con il Profit Sharing ne comincia una migliore. Ringraziamo Forever e i nostri Incaricati di vendita per tutto quello che abbiamo ricevuto, sicuri che per il futuro la nostra collaborazione potrà solo migliorare.

A new year and once again, Profit Sharing, the result of a steady business. We began working with Forever thirteen years ago, and have never stopped. We have always been satisfied with the results and are very happy with how the years have passed. Although our ambitions are high and we're always looking to the future, we enjoy every day of this work.

Our continuing goal is to help people to be free and to manage time according to their own priorities. Now we look at the future with a greater certainty. This year, one era ends and a better one starts next year with Global Profit Sharing. We would like to thank Forever and our Distributors for what we have received and we are confident that our partnership can only get better in the future.

Se fixer le Profit Sharing comme objectif chaque année est la plus merveilleuse des décisions que puisse se fixer tout distributeur. En effet, si vous n'avez pas constamment de nouveaux objectifs à atteindre, vous n'aurez rien sur quoi focaliser et votre Business perdra de la vitesse. Sachant que le Profit Sharing cette qualification royale, vous donne plus d'un 13ème mois de Bonus : Il faut un équilibre pour vos activités du fait qu'on doit respecter l'équation des nouveaux parrainés avec les anciens dans le réseau ainsi que toutes les autres conditions à réaliser, ceci vous permet de faire grandir de façon stable votre structure de distributeurs indépendants.

To set Profit Sharing as a goal each year is the most wonderful decision a Distributor can make. Indeed, if you don't always have new goals to achieve, you have nothing to focus on and your business will lose momentum. Profit Sharing, which is the top qualification, gives you a thirteenth month bonus. You must have balance in your business and comply with the formula for new, and established Distributors in the network, as well as conforming to other criteria, which allows you to grow your independent Distributors in a structured and steady manner.

Kelet-Magyarországon egy kis faluban nevelkedett, ahol a szülei a mezőgazdaságban "túrta a földet reggeltől estig", hogy boldoguljon a család! Az útkeresés időszakában a Budapesti Rendőrfőkapitányságon dolgozott bűnügyi nyomozóként, ezt követően ismerte meg a hálózati marketingben rejlő lehetőségeket! Az FLP üzletet nyomasztó anyagi helyzete miatt kezdte el, autó nélkül, utcai telefonfülkékből építve, miközben egy 6 négyzetméteres albérletben lakott! Néhány éven belül nem csak az anyagi biztonságot érte el, hanem megvalósította gyermekkori álmait nagy részét is, ami világszerte utazásokból állt! Megmászta a Mount Blanc és a Kilimanjaro csúcsait, ahová a magyar zászló mellé az FLP zászlót is kitzte! A boldog párcapcsolatot is az FLP-ben találta meg felesége Tímea személyében. 1 éves kisfia Bendegúz és Kincső nevű -idén születő- kislánya is nagy „termékhasználók” és fogyasztók! Büszke a csapatára, a szponzorára és a felsővonalára, továbbá arra a lelki és intellektuális fejlődésre, amit az üzletépítés során elért!

Róbert was brought up in a small village where he and his parents would work the land from morning 'til night to make ends meet. He recognised the potential of network marketing and started working with Forever. Within a couple of years, he reached financial independence, realising his childhood dreams of travelling the world. Thanks to his Forever business he has a happy relationship with his wife, Tímea, his one-year old son and treasured daughter. When we first started our Forever business we never dreamed that we were the kind of people who would be able to qualify for something like this; the really big incomes looked so far away and, like most people, we imagined you needed to have some kind of special, in-born talent to get there.

Our initial goal was that our Forever business would give us a much-needed secondary income stream – we felt that our financial security would be helped by having income from several sources and Forever would be one of them.

As we attended trainings and started to apply what we were learning, our skills grew. This taught us a great lesson: if we were prepared to learn and develop our skills then we did not need to have 'natural, in-born talent'; as our skills improved, our income grew.

This new-found knowledge gave us great confidence and we set ourselves some bigger goals: to pay off our debts, to pay off our mortgage and to retire on a passive, royalty-style income of £50,000 a year. Originally we gave ourselves ten years to achieve this but within six years we had paid off everything we owed and our income was way in excess of what we had originally planned.

What we never imagined though was how much we would grow to love what we do – it is wonderful to feel that you make a difference in the lives of others. Forever has given us an opportunity to live the lifestyle of our dreams – we work when we like and we play when we like – as well as to support some of our favourite causes and to spend our time helping other people to develop the skills to change their lives too.

Le challenge de remporter le Profit Sharing que je me suis lancé en début 2011 et qui s'est concrétisé lors de la remise d'un chèque par Rex Maughan en Février dernier, m'a permis d'atteindre la finalité de ce challenge. En effet, j'ai pu réaliser un équilibre de travail en accompagnant mon réseau de managers et en travaillant parallèlement avec nouvelles lignées formées au métier.

Mon conseil à tout Manager Forever est de se fixer le challenge du Profit Sharing comme objectif principal, étant donné son rôle crucial dans la stabilité de notre business.

The challenge to achieve Profit Sharing started in early 2011 and culminated in receiving a cheque from Rex Maughan in February, thereby fulfilling this challenge. In fact, I was able to strike a balance working with my team of Managers, whilst training new Distributors.

My advice to any Manager is to set the challenge of Profit Sharing as a main objective, due to its crucial role in the stability of our business.

Мы семейная пара из города Караганды. Юристы по образованию, сетевыми по призванию. Не имея опыта и навыков в 2001 году мы попали в водоворот испытаний: насмешки, недопонимания друзей, родственников, чувство досады. И мы готовы были пройти эти испытания на прочность. В этом поиске мы нашли для себя сильных тренеров – Атилла и Каталин Гидофальви. Мы бесконечно благодарны им за их дух к победе. Знакомство с компанией в 2008 году в мае месяце подарило нам новые страны, моря, океаны, истории и традиции других народов. Наша любовь и признательность господину Рекс Моану и его семье, Илькеру и Рейхан Ишмен, Жанне Алимбаевой и ее команде! За 7 дней мы закрыли статус менеджера, в течении года статус- старшего менеджера, за 2,5 года статус- соаринга, за 3,5 года статус сапфирного менеджера. Наш успех- это миллион частичек нашей команды, это океан интересных и сильных духом людей. С любовью и уважением, Ермак Бухаршин и Майра Омарова.

Although qualified lawyers, it seems our mission is in network marketing. In 2001, we met with negativity and were not understood by our friends and relatives; we had a feeling of disappointment, because we had no skills at that time. However, we were ready to learn how to pass these tests of resilience. In seven days we achieved the status of Manager, within a year, Senior Manager, and we are now Sapphire Managers!

Our success is the result of efforts from everyone in our team. This is an ocean of interesting and strong-spirited people.

A Profit Sharing kiválóan motiváló kihívás és lehetőség, hiszen új terveink megvalósításának nagyszerű eszköze. Megtanít megalapozni és vezetni egy jól működő csapatot, jogdíjas üzletet, és végső soron egy nagyszerű Életet! Idén hatodik alkalommal részesülhettünk az FLP nagyvonalú jutalmazási rendszeréből. Külön öröm számunkra, hogy munkatársaink, Tibor és Orsi is úgy döntöttek, hogy nekik is jár ez az extra elismerés – most már évről évre. Köszönet mindenki munkájáért a csapatunkban, büszkék vagyunk Rátok!

Profit Sharing is a great motivational challenge and opportunity, and is a fantastic tool to realise new goals. It helps to build the basics, and lead a good working team, working towards a royalty business and finally having a great life. This is the sixth time we have qualified for Profit Sharing. We are especially glad that our colleagues, Tibor & Orsi, decided to reach this extra recognition every year. We would like to thank the work of everyone in our team, we are proud of all of you. Als ich bei FOREVER begonnen habe, saß ich als Greenhorn in den hinteren Reihen beim Profit Sharing in Frankfurt. Als ich gesehen habe, was man hier als Sonderbonus erreichen kann, stand für mich fest: Im kommenden Jahr stehst du auch auf der Bühne und holst dir einen Profit-Sharing-Scheck ab.

Das jährliche Profit Sharing ist für uns eine selbstaufgelegte Pflichtveranstaltung. Wir beginnen mit der Arbeit am 1. Januar jeden neuen Jahres. Wir haben uns meist Mitte des Jahres schon qualifiziert – ein beruhigendes Gefühl! Es steht völlig außer Frage, ob wir das schaffen oder nicht. Bisher hat uns FOREVER insgesamt mit fast €500,000 im Profit Sharing dafür belohnt.

When I started with Forever I was a greenhorn, sitting in the back rows at the Profit Sharing event in Frankfurt. When I realised what sort of special bonus you can achieve, it was clear to me that I would be standing on the stage to receive my Profit Sharing cheque in the coming year.

The annual Profit Sharing event is a self-imposed obligation. We begin with our work from January 1 of each new year. Generally, we have already qualified by mid-year – a reassuring feeling! There is absolutely no question whether or not we will be successful. To date, Forever has rewarded us with a total of €500,000 in Profit Sharing.

Forever och att sälja via nätverk var helt nytt för oss. Vi startade vår Forever-verksamhet helt utan återförsäljare eller kunder. Men efter att ha jobbat med det ett tag hade vi gott om kunder, och antalet återförsäljare och bra ledare ökade. Idag har vi ett fantastiskt team med gott om uppåtsträvande ledare. Forever har gett oss frihet så att vi kan tillbringa mycket tid med våra barn Jennifer och Robin. Vi har rest till många intressanta och spännande platser som Hawaii, Mexiko och Bahamas, åkt på kryssningsfartyg i Karibien och besökt en massa städer i USA och Europa. Och det är alltid Forever som betalar – tack Forever! I framtiden vill vi hjälpa alla i vårt team till framgång. Om några år kommer vi att ha fler ledare, Profit Share Managers och gott om Eagle Managers. 2012 är möjligheternas år. Lycka till med ditt 2012!

Forever and Network Marketing was a new concept to us. We started our Forever Business with no team and no Customers. But after working and talking to people, we had many Customers, the number of Distributors in our team began to rise, and also the number of good leaders increased. Today we have a great team with a lot of leaders on their way up. Forever have given us the freedom to spend time with our children Jennifer and Robin. We have travelled to many exciting and interesting places, Hawaii, Mexico, Bahamas, been cruising in the Caribbean, and visited lots of towns in the US and Europe, Forever always pays – thanks Forever. Our future is to help everyone in our team who wants success. In a few years, we will have more leaders, Profit Sharing Managers and Eagle Managers. 2012 is full of opportunities.

Vor 13 Jahren traf ich die beste Entscheidung meines Lebens, als ich FOREVER kennenlernte! Es war das wertvollste Geschenk und die größte Chance, die man bekommen kann! Ich bin sehr dankbar und stolz, ein Teil der weltweiten FOREVER-Familie zu sein. FOREVER hat mein Leben in vielerlei Hinsicht verändert.

Mit FOREVER habe ich einen wundervollen Weg der persönlichen Veränderung gehen dürfen, den man mit keinem Geld bezahlen kann! Viele wertvolle Freundschaften, Reisen, finanzielle Sicherheit und persönliche Bestimmung und Berufung... das ist FOREVER!

FOREVER hat mir eine Lebensqualität und Freiheit ermöglicht, die für viele unerreichbar bleibt. Durch die Großzügigkeit von Rex Maughan darf ich auch am Profit Share teilnehmen. Dies ist eine große Ehre und bedeutet mir sehr viel. Diese Qualifikation wäre niemals möglich ohne ein fantastisches Team.

13 years ago, I made the best decision of my life when I found out about Forever! It was the most valuable gift that you can receive. I am very grateful to be a part of the global Forever family. It has changed my life in every way.

I have been able to embark on a wonderful path towards personal change, one that money can't buy. Many precious friendships, travel, financial security, as well as personal purpose and vocation... Forever has given me all of these!

Forever has enabled me to enjoy a quality of life unattainable for many people. Thanks to the generosity of Rex Maughan, I have been able to take part in Profit Sharing. This wouldn't have been possible without a fantastic team.

Ich bin jeden Tag dankbar, dass ich seit über 13 Jahren selbstständige Partnerin von FOREVER bin! Es ist eine sehr lange Zeit und doch macht man Qualifikationen ausschließlich in kurzen Zeiträumen von ein bis höchstens sechs Monaten, immer nur durch eine Entscheidung: Jetzt schaffe ich den Supervisor, das Car-Programm, das Profit Sharing, usw.

Es ist keine Schande, einmal nicht beim Profit Sharing dabei zu sein, da die Langzeitstabilität des Geschäftes den wesentlichen Lebensstandard und Lifestyle bringt. Voraussetzung dafür ist, das Geschäft einmal bis dahin durchzuziehen, ohne Pause. Erst danach gibt es eine Komfort-Zone, die es möglich macht, jetzt auch mal Pausen einzulegen. Wer das vorher tut, fängt immer wieder von vorne an. Der Lohn dafür ist: Ihren Traum zu leben! Haben Sie immer neue Träume.

I am thankful every day to have been part of Forever for over thirteen years! One can achieve incentives in short periods, anything from one to six months, simply by deciding to. I have already moved through the Marketing Plan, achieved Car Plan, Profit Sharing, etc. One should continue working the business, without stopping, until the desired standard of living is achieved. Only then can one relax and take the occasional break. Doing this too soon could mean having to start from the beginning, time and time again. The reward for it is to live your dream! Always have new dreams!

Le Profit Sharing , une symphonie dirigée par un maestro, mais jouée par tout un orchestre, il reflète l'harmonie, le dévouement, l'accomplissement et surtout l'amour du partage de chacun de ses membres, et de ce fait, il sera et pour toujours le couronnement de toute une équipe .

Merci Forever, tu m'as donné la possibilité de quitter mon siège de spectateur, et de rejoindre le podium de l'élite, une chance qui est indiscutablement à la portée de tout le monde, il suffit d'y croire!

Profit Sharing, a symphony conducted by a maestro, played by a full orchestra. It reflects harmony, dedication, achievement, and especially the love of sharing with others, and thus, the culmination of a team. Thank you Forever; you gave us the possibility to leave our seats as spectators and reach the podium of the elite, a chance which is within the reach of everyone, just believe!

A 2011-ben bőven akadhatott volna kifogás, hogy miért lehetetlen teljesíteni a Profit sharing programot.

Ez az év nem csupán a példamutatás, mint vezetői erény volt fontos a számunkra, olyan érték-mérő is, ami mindenent felül múlt! HIT, REMÉNY, SZERETET és igazi CSAPAT-ÖSSZETARTÁS! Személyes sikereink elé helyezük a Mi igazi bajnokaink eredményeit: Profit sharing, Sapphire managereink Budai Tamás és Évi munkáját! KÖSZÖNET NEKIK ÉS AZ EGÉSZ CSAPATNAK!

Mottónk: Ha a célod elég nagy, a körülmények meghajolnak előtted!

In 2011, we could have had many objections as to why it was impossible to achieve Profit Sharing. This year was important for us, not only because of the example as a leadership morality but it is also a kind of measurement of value which exceeded everything. BELIEVE, HOPE, LOVE and the real team-solidarity! The results of our real champions are more important than our personal success: we would like to thank for the work of Tamás Budai & Éva Budai-Schwarz Profit Sharing and Sapphire Managers. We would like to thank them and the whole team!

Our motto is, if your goal is big enough, the circumstances will appear for you.

C'est notre 3ème participation consécutive aux bénéfiques mais cette année est plus spéciale que les autres. Nos amis Cécilia et Olivier nous ont rejoints. Quel bonheur de voir que le relai est passé. Les yeux brillants, le cœur battant et la conviction d'être reconnu à sa juste valeur, ce sont les émotions ressenties par nos filleuls sur le podium. Le montant a son importance mais la manière de gagner ce challenge en équipe amène de la plus value aux yeux de vos collaborateurs et rend hommage à Rex, cet homme formidable, merci.

Bravo à cette équipe extraordinaire qui nous entoure, ils nous donnent envie tous les jours de nous surpasser pour pouvoir les amener plus haut.

Souvenez-vous, ce que vous obtiendrez n'est pas déterminé par ce que vous voulez mais par ce que vous êtes.

This is our third consecutive participation in Profit Sharing but this year is more special than others. Our friends, Cecilia & Olivier, have qualified too. What a joy to see the baton passed. Bright eyes, a beating heart and the belief of being recognised at face value, these are the emotions of our team on the podium. The amount is important but the way to achieve this challenge as a team brings most value in the eyes of your colleagues and is a tribute to Rex, a wonderful man, thank you. Congratulations to this wonderful team; each day, they give us motivation to get even further on the road to success. Remember, what you get is not determined by what you want, but by what you are.

Wir haben jeweils im November/Dezember des Vorjahres mit der Planung begonnen und sind wie folgt vorgegangen:

Mit welchen Non-Managern werden wir arbeiten. Ausreichend Zeit für Neukontakte. Teambesprechung mit Profit-Sharing-Managern im Dezember. Zielsetzung. Monatliche Zielverfolgung mit den Profit-Share-Managern und eigenes Ziel verfolgen. Basisarbeit - täglich Infos halten mit Non-Managern und NEUEN - einzeln und in kleinen Gruppen. Regelmäßige Trainings (Produkt- und Geschäft - Success Day, EDA) für alle Teams. Immer offene Tür für Fragen und Gespräche. Spaß und Freude beim Erarbeiten und Erreichen der Ziele. Freude teilen.

We have always started our planning in November/ December of the previous year and proceeded as follows:

Which non-Managers will we work with? Allow sufficient time for new contacts. Hold a team meeting with Profit Sharing Managers in December. Goal-setting. Monthly tracking of goals with Profit Sharing Managers and pursuit of their personal goals. Groundwork - passing on of information daily to the non-Managers and the newcomers - individually and in small groups. Attend regular training courses for all teams. Always have an open door for queries and discussions. Pleasure and enjoyment in working for and achieving goals. Share this pleasure.

“Profit Sharing” – аса мәртебелі табыс. Табыстардың төресі. Биыл осы табыстың бірінші деңгейіне екінші рет қол жеткізіп отырмыз. Адал еңбегіміз 24228 еуромен бағаланыпты. Аса қуанышты жағдай! Одан да қуаныштысы – былтыр бұл табысқа өзіміз ғана қол жеткізсек, биыл бізбен бірге командамыздың бір лидері, іскер ұйымдастырушы, білікті үйретуші соаринг менеджер Жанат Рахметова да ие болды. Әуел баста ФЛП өнімдерін денсаулық үшін пайдалансақ та, айналасы 3-4 жылда мол табысқа жетеміз деп ойламаппыз. Бірте-бірте көз жеткіздік. Бірте-бірте үйрендік. Желілік маркетинг ұғымы – бизнес ұғымынан да кең екенін түсіндік. Бұл жүйе тек ақша табу ғана емес, өзінді де, өзгені де адами асыл қасиеттерге баулу, сөйтіп өзіңнің ғана емес, өзгенің де жүрегіне нұр құйып, жақсы тұрмыс кешуіне ықпал ету екен. Біздің салада осы жолды тандағандар мол табысқа жетеді. Бір біріңізге көмектесіңіздер, бір біріңіздің табысына қуана біліңіздер, бір біріңізді адал жолға сала біліңіздер!

Profit Sharing is an honourable award and a great achievement for me. When we started to use Forever products for our health, we could not have seen that in three-to-four years, we would achieve such a great profit. Gradually we have seen it, little by little, and succeeded with it. We grasped the concept that network marketing is more than just a business. Apart from making a profit, it also teaches you to see great qualities in yourself and others, encouraging hope for a better life. By choosing this, you can achieve great success.

Eines unserer wichtigen Ziele ist es immer, so vielen Teammitgliedern wie möglich zu helfen, selbst Geld zu verdienen.

Wir buchstabieren TEAM – together earn all more. Deshalb ist es wichtig, Menschen nicht nur ihre großartige Möglichkeit mit FOREVER zu zeigen, sondern auch die Verantwortung für ihren Erfolg zu übernehmen. Begleiten Sie Ihre Teampartner ein kleines Stück zu Ihrem Erfolg. Auf diesem Weg werden Sie eskortiert von erstklassigen Produkten und einem sensationellen Marketingplan. Außerdem steht hinter allem ein Familienunternehmen mit hohen moralischen Ansprüchen.

Beherrigen Sie den Spruch: Faber est suae quisque fortunae – jeder ist seines Glückes Schmied.

One of our most important goals is always to help as many team members as possible to earn their own money.

TEAM stands for: Together Everyone Achieves More. It is therefore vital not only to show them the great opportunity of Forever, but also to assume the responsibility for their success. Support your team on your way to success. First-class products and a sensational Marketing Plan will accompany you on your way. Moreover, you are backed by a family enterprise with strong morals.

Take the following saying to heart, “Faber est suae quisque fortunae “Every person is the architect of his/her own fortune.”

Für die Qualifikation am Profit Sharing war eine konsequente Unterstützung der Downline nötig – einer Downline, die ebenfalls mit Freude an ihren Zielen arbeitet. Upline und Downline müssen sich aufeinander verlassen können und ich habe das Glück, dass ich nicht hinter meinen gesponserten Partnern „hinterherlaufen“ muss, sondern dass diese von sich aus die Nähe zu unserem Team suchen und meine Empfehlungen auch umsetzen.

Jeder sucht Sicherheit und finanzielle Freiheit und genau diese Chance können wir bieten. Viele brauchen Vorbilder, an denen sie sich orientieren können, und davon gibt es bei FOREVER wirklich genügend.

Qualifying for Profit Sharing always requires the consistent support of the Downline, which in turn, happily helps goals to be achieved. Uplines and Downlines have to be able to rely on one another and I am very lucky that I don't have to 'chase' my team, because they seek help from each other and also implement my recommendations.

Everybody is looking for security and financial freedom and this is exactly what we can offer. Many need role models on whom to shape themselves, and Forever genuinely offers ample possibilities in this way.

Vor knapp zehn Jahren hat meine Reise mit FOREVER begonnen. Es war eine fantastische Zeit, in der ich viel über mich lernen durfte. Ich bin Rex Maughan sehr dankbar für seine Vision und sein Engagement, er ist für mich ein Vorbild und ein Mann, zu dem man hochschaut. Es ist schön, dass die Schweiz jetzt auch fürs Profit Sharing qualifiziert ist! Obwohl wir in der Schweiz nur ein halbes Jahr Zeit hatten, haben sich bereits vier Partner aus meiner Downline für das Programm qualifiziert. Ich bin so stolz auf mein Team und gratuliere allen, die das Profit Sharing erreicht haben. Wir haben noch so viel vor, denn bei FOREVER gibt es keine Grenzen! Ich freue mich schon jetzt auf eine fantastische Zukunft mit FOREVER, einem Unternehmen, in dem Werte gelebt werden. Jetzt wieder mit Vollgas ab zum nächsten Profit Sharing. Ich wünsche euch allen viel Erfolg!

I began my journey with Forever around ten years ago. It was a fantastic time during which I was able to learn a great deal. I am very thankful to Rex Maughan for his vision and his commitment; he is a role model for me, and a man who I look up to. It is great that Switzerland now also qualifies for Profit Sharing! Although we have only had six months in Switzerland, four Distributors in my Downline have already qualified for this incentive. I am so proud of my team and would like to congratulate all those who have achieved the Profit Sharing goal. There's so much ahead of us, as there are no limits with Forever! I'm already looking forward to a fantastic future with Forever, a Company in which values are lived by. Now we're giving our all until the next Profit Sharing opportunity. A Profit Sharing program számunkra egy olyan kihívás, amely egy év összehangolt munkáját jelenti a családjunkban. Koordinálását az induló és ugrani készülő csapattagjaink energiáinak, lelkesedésének és munkájának. Igazi csapatmunka!

Részt vesz benne a családjunk és a csapatunk minden küzdeni és győzni vágyó tagja! Olyan ösztönző ez, amely teljesítésével fejlődünk, tanulunk, kitartóbbá leszünk, harcolunk az utolsó pillanatig, ha kell. Megtanítja a "friss" vezetőket rendszerben gondolkodni, mások segítségével, és irányt mutat a "régii" vezetőknek új célok, új perspektívák felállításában és elérésében.

A Profit Sharing programban igazi, a jelenben harcoló és a jövőbe mosolygó vezető válik Belőled! Buli, jó hangulat és gólrúgás! Megéri, teljesítsd!

The Profit Sharing programme is a challenge for us, requiring a year of concentrated effort from the whole family. Our team combine energy with enthusiasm, ready to jump when needed. Real teamwork!

All our family and team members who want to succeed are involved! This special challenge, which leads us to learn and develop, encouraging us to be persistent, motivates us to the very last. New team members learn the system of helping others and established leaders in the business are able to set and achieve new goals. Profit Sharing is real and anyone prepared to work for it will eventually be smiling! It's time to party, a good winning feeling! It's worth a shot!

1966 Bolu doğumluyum. Forever Living firmasıyla 4 yıl önce tanıştım. Sponsorum bana bu işi sunduğunda Kar Paylaşımı çok dikkatimi çekti. Kendime hedef koydum ve 2. yılımda 4 arkadaşım ile beraber Kar Paylaşımına hak kazandım. 3. yılımda 5 arkadaşım ile beraber hak kazandım. Bu yıl ise 10 arkadaşım ile Kar Paylaşımına hak kazanma hedefini koyanlar, en kısa zamanda yeni başarılar ulaşıyor ve güzel bir gelire sahip olurlar. Bu yüzden bütün arkadaşlarımın ve Forever'yi araştırmak isteyenlerin şirket ilkeleri kitapçığında ki Kar Paylaşımı bölümünü dikkatlice okumalarını tavsiye ederim. Forever Türkiye olarak en kısa zamanda Avrupa birinciliğini yakalayıp, dünya beşinciliğine yükselmek istiyoruz. Durmak yok çalışmaya devam!

I was born in Bolu, in 1966. I came upon Forever four years ago. It was the Profit Sharing incentive that attracted my attention, when my Sponsor introduced me to this business. So in my second year, I qualified for Profit Sharing with four of my team and in the third year, with five of my team. Now, I want to qualify for this year's Profit Sharing with ten of my team. A nice income, and achieving new successes isn't very difficult for those who set their goal as Profit Sharing. I recommend that anyone thinking about joining Forever should read the 'Profit Sharing' section in the Company policy, carefully. Team Forever Turkey will soon be top in Europe, and fifth in the world. Just keep on working, and never quit!

On uskomattoman hieno tunne että tavallinen ihminen voi saavuttaa tavoitteitaan ja kun ensimmäisen kerran saimme Rexiltä shekin, niin tuntui, että "täällä ei voi olla totta", me teimme sen, minkä kuvittelimme olevan täysin mahdotonta. Se on lahja Rexiltä, ja siksi arvostamme sitä valtavasti. Profit Sharing on myös mahtava kannustin tehdä uusia jälleenmyyjä ja auttaa heitä etenemään palkkiojärjestelmässä. Se on sitä perustyötä mitä ei koskaan saa unohtaa. Halumme ja toiveemme onkin että myös jatkossa voimme olla kannustamassa ja näkemässä kun yhä enemmän omasta ryhmästäamme olevia jälleenmyyjä seisoo rinnallamme ottamassa vastaan omia shekkejään kiitoksena hyvästä työstään.

It is an incredibly nice feeling when ordinary people manage to achieve their aims. When we received our cheque from Rex for the first time, it felt like, "This cannot be true!" We had done something that we thought was quite impossible. It is a gift from Rex, and that is why we appreciate it enormously. Profit Sharing is also a powerful incentive to create new Distributors and help them to make progress in the reward system. It is the grass roots work that we should never forget to do. Our desire and wish is to be there in the future too, to give encouragement and to see how more and more Distributors from our own team will stand there alongside us, receiving their own cheques for work well done.

Forever har vært en eventyrreise! Da vi ble med i Forever for tretten år siden, ante vi lite om det eventyret som ventet oss:

For meg har det vært fantastisk å kunne arbeide deltidd ved siden av min terapeutjobb. Ekstrainntektene fra Forever har gitt meg helt nye muligheter i livet. Først og fremst er det en livsstilsbusiness, og jeg har fått uforglemmelige opplevelser: Reiser, møte mennesker, nye oppdagelser. Som terapeut har jeg vært særlig glad i kvalitetsproduktene som hjelper mennesker til bedre helse og velvære.

Takk til Rex, hans flotte stab og min Sponsor Alasdair Barcroft som har gitt meg denne unike businessmuligheten. Jeg ønsker å dele denne gaven med andre. Takk til alle som har gjort denne reisen mulig – vi gleder oss til fortsettelsen – Forever!

Forever has been one incredible journey! When we joined 13 years ago, little did we know of the adventures that awaited us.

For me, it's been fantastic to be able to work part-time with Forever, along with my work as a therapist. Extra income from Forever has given me new opportunities in life. First and foremost it is a lifestyle business, and I have had unforgettable experiences like travelling, meeting people, making new discoveries. As a therapist, I have been particularly fond of the quality products that help people to better health and wellness.

I am incredibly grateful to Rex, his wonderful staff and my Sponsor, Alasdair Barcroft, all of whom have given me this unique Business Opportunity. I would like to share this gift with others. Thanks to all who have made this journey possible - we look forward to the future - Forever!

Rita pedagógus, én Repülőgép – vezető üzemélnök vagyok, de már több, mint 20 éve saját üzletekkel foglalkozunk. Mindketten eltökélten kerestük az utat a jobb, szaba-dabb élet felé. Rita továbbtanult Brüsszelben francia nyelvet, én a diplomám-mal voltam kamionsofőr, biztosítós üzletkötő, gépjármű oktató és koszorúszalag készítő. Később nyitottunk egy kis palackozott ital-boltot, majd egy italgyártó üzemet, és egy élelmiszer üzemet... Kezdetben se időnk, se pénzünk nem volt. Később jött a pénz, de a vállalkozások minden időnket elvették, ezért tovább kutattunk. Lett 2 funk, Bence, aki most 20 éves, és Bajnok, aki 12. Bence allergiája, és Herman Teca szponzorunk volt az, ami a Forevert behozta az életünkbe. Ma néha sokat dolgozunk, néha sokat nem, de mi döntjük el, melyiket mikor. 16 front managerünk van, és büszkén dolgozunk a 17-en, aki a legelkötelezettebb munkatársunkból lesz, Bence funkból. A Forever adta meg az időt, a szabadságot, a pénzt úgy, hogy a család együtt dolgozik érte!

Rita is a teacher and I am a head operations engineer but we began our own businesses 20 years ago. We were looking for a better life. In the beginning we had neither time, nor money. Later we had money, but we had to spend all of our time in the business so we looked for another kind of job. We have two sons, Bence, 20 and Bajnok who is 12. Our Sponsor, Herman Teca brought Forever into our life. Today, sometimes we work hard, sometimes not but we decide when. We have 16 Managers and we can proudly see that our son, Bence, will be the seventeenth Manager. Forever has given us time and freedom.

Tredici anni felici in Forever, da 55 a 68 anni, senza stress, con tanto tempo libero, tanti amici e con un buon reddito esente da dichiarazioni dei redditi e da 3 anni anche con una buona pensione maturata grazie ai contributi versati dalla Società. Grazie a Forever la mia vita è migliorata, ho cambiato attività e ho iniziato un lavoro piacevole e indipendente. Ho scoperto l'Aloe Vera di Forever che mi tiene ancora vivo e attivo e soprattutto in buona salute.

I have been working with Forever for 13 happy years, having begun at age 55. I have no stress, free time, many friends, and a good tax-free income. I received a good pension three years ago thanks to our Company. And thanks to Forever, I have a better life, I've changed my business and I am now working independently. I discovered aloe vera from Forever and it keeps me well and active, and in especially good health.

Min kone, meg og våre to sønner Isaac Prince (5) og Sean Michael (2) er privilegerte og få kalle oss selv som PSMangere. Det at vi er det har sikret oss et økonomisk fundament som lar oss prioritere familien og samtidig ha en romslig økonomi, noe vi er meget takknemlige for.

Det å nå PSM er også et av de viktigste verktøy vi har for og bygge en stabil organisasjon og lede i eksempel overfor den organisasjon vi er privilegert del av. Vi er allerde flere i teamet som har nådd dette, og vil være mange flere i årene som kommer.

Lederskap er et valg, og vi har gjennom dette valgt og lede.

My wife and I and our two sons, Isaac Prince, 5, and Sean Michael, 2, are privileged to be able to call ourselves Profit Sharing Managers. It has put us on a sound financial footing, allowing us to put our family first while having ample financial means, which is something we are very grateful for.

Achieving Profit Sharing is one of the most important tools we have to build a stable organisation and to lead by example in the organisation of which we are a privileged part.

There are many of us in the team who have already achieved this, and there will be many more in the years to come.

Leadership is a choice, and we have made the choice to lead.

Forever ne-a arătat o altă lume, ne-a deschis o nouă ușă, iar cel mai important este faptul că niciodată nu-ți lasă timp să te plafonezi, să te limitezi. Trebuie să te redescoperi în permanență, să te reinventezi. Este al șaselea an consecutiv în care ne calificăm pentru stimulente Profit Sharing, cea mai mare provocare anuală pentru noi, care îți încununează cu succes munca. Să ai șansa de a fi partener cu un lider mondial este un lucru extraordinar și implică responsabilități pe măsură. Suntem foarte mândri că facem parte din acest fenomen unic Forever, suntem mândri de echipa noastră, de linia sponsorială și de toți cei alături de care lucrăm, le mulțumim pentru tot ceea ce realizează, iar dorința noastră cea mai mare este ca Managerii noștri și persoanele din echipa noastră care vor deveni Manageri să simtă emoția primirii unui cec Profit Sharing. Mulțumim tuturor pentru implicare, devotament și loialitate!

Forever ile 2002 Mayıs ayında rahatsızlığım nedeniyle tanıştım. Sunduğu harika İş Planını görünce beraber çalışmaya başladık. Önceleri Kar Paylaşımı Programını bilmiyordum, sonradan öğrendim. Böylece, son 6 yıldır Kar Paylaşımı Programına sürekli olarak hak kazanmaktayım. Belli bir plan ve program dahilinde çalıştığınız zaman kesinlikle hak kazanabiliyorsunuz ve bundan büyük keyif alıyorsunuz. 2012 yılı için 2. seviyeden hak kazanmayı hedef edindik, inşallah başarırız. Yeter ki inanın ve çalışın, kazanabilirsiniz. Harika bir gelir kaynağı!

I came upon Forever due to health problems and we began working on the business once we'd realised the perfection of the Marketing Plan. At first I didn't know anything about Profit Sharing, so I learned as I went along, then repeatedly qualified for the last six years, which I've enjoyed very much. You can achieve it by working in a planned and systematic way. We hope to qualify for Profit Sharing Level 2 in 2012. So, this is a great source of income you can get, as long as you do what you have to do!

Wir haben immer viel Begeisterung für die FOREVER-Produkte gezeigt und die hervorragende Geschäftsmöglichkeit genutzt, die FOREVER uns bietet. So war es für uns auch im vergangenen Jahr klar, dass wir uns für das Profit Sharing qualifizieren werden. Nach dem Motto ‚Gemeinsam geht’s leichter‘ haben wir mit unserem fantastischen Team eng zusammen gearbeitet. Uns war wichtig, während des Qualifikationszeitraums Distributoren zu helfen, die nächste Stufe zu erreichen. Durch regelmäßige Geschäfts-, Produktpräsentationen und Startertrainings hat unser Team immer die Möglichkeit, neue Kunden und Distributoren in unser Team zu involvieren. Dadurch entsteht ein stabiles und stetiges Wachstum.

We have always been very keen about Forever products and made use of the excellent Business Opportunity Forever offers us. It was thus clear in the past year that we would qualify for Profit Sharing. In keeping with the motto ‘together we are strong’, we worked very closely with our fantastic team. We found it important during the qualification period to help Distributors reach the next step. By means of regular product presentations and training courses for newcomers, our team is always able to involve new Customers and Distributors. Stable and continual growth is the result.

Forever biedt voor ieder van ons bijzondere mogelijkheden. We zijn dan ook oprecht dankbaar dat we de kans hebben gekregen om samen te werken met dit uniek wereldbedrijf. De kwaliteit van ons leven, ons gezin, is dusdanig toegenomen en zoveel leuker geworden: we leven ons eigen leven, we genieten van de vrijheid om onze eigen lifestyle te kiezen en we verzekeren met Forever onze toekomst én die van onze 4 kinderen. We willen graag een voorbeeld zijn en anderen inspireren. We willen deze vrijheid delen en anderen helpen om hun dromen van een goede gezondheid, welzijn en rijkdom waar te maken!

Maar het start uiteraard met een beslissing en geloof in jezelf. Met enthousiasme, visie, commitment en actie kan iedereen vaardigheden ontwikkelen die nodig zijn om succesvol te worden en doelen te bereiken. Dankjewel, Rex, voor deze mogelijkheid. We zijn fier te behoren tot die grote Forever familie. We zijn... Forever!

Forever offers remarkable opportunities to all of us. We are truly grateful that we have been given the chance to work with this unique global Company. The quality of our lives, of our families, has increased so much and has become so much more fun. We live our own lives, enjoying the freedom to choose our own lifestyle, while being assured of our future, and that of our four children, with Forever. We would like to be an example for, and to inspire, others. We want to share our freedom and help others to fulfil their dreams of good health, of welfare and of wealth!

Thank you, Rex, for this opportunity. We are proud to belong to that great Forever family. We are...Forever!

Vroeger droomden we ervan en nu is het werkelijkheid geworden. Nog maar weer eens een bewijs dat visualisatie echt werkt en als je ervoor gaat wordt je beloond.

Forever is het mooiste en het beste wat we ooit zijn tegengekomen. Het fijne aan Forever is dat Profit Sharing voor iedereen mogelijk is en we hopen dan ook dat er volgend jaar meer gekwalificeerden zijn in de Benelux.

Ook zijn er mensen genoeg in deze wereld die met Forever een nieuw leven kunnen opbouwen en het is aan ons om ze deze mogelijkheid te laten zien.

Deze cheque kunnen we goed gebruiken voor verdere verbouwingen aan ons huis en een extra auto voor de zaak.

Dank U Rex en alle anderen.

We used to dream of it and now it has become a reality. Once again proof that visualisation truly works and that, if you really go for it, you will be rewarded.

Forever is the finest and the best that we have ever come across. The good thing about Forever is that Profit Sharing is within reach of everyone and therefore we hope that there will be more qualifiers from Benelux next year.

There are also enough people in this world that can, with Forever, build a new life and it is up to us to show them that it's possible.

We can use this cheque to further renovate our home and to get an extra car for our business.

Thank you Rex and all others.

Seit wir 2003 gestartet sind, haben wir alle Incentives, die FOREVER bietet, erreicht – außer dem Profit Share, weil die Schweiz sich bislang nicht dafür qualifiziert hatte. Als wir Mitte 2011 erfuhren, dass sich uns nun diese riesige Möglichkeit auch bietet, haben wir sofort dieses Ziel, nebst der European-Rally-Qualifikation auf Level 3, ebenfalls anvisiert. Wir sind stolz auf unsere Leistung, beide Ziele erreicht zu haben und bereits zwei unserer Geschäftspartner ebenfalls auf der Bühne mit einem Check zu feiern. Wir danken FOREVER, Rex Maughan, Gregg Maughan, Aidan O'Hare und Dr. Florian Kaufmann sowie natürlich unserem gesamten Team für die unermüdliche Unterstützung und all die Chancen, die sich für alle unsere Distributoren immer wieder mit FOREVER ergeben. We are happy, we are independent – we are FOREVER!

Since we began in 2003, we have made the most of all of the incentives that Forever has to offer, apart from Profit Sharing, since Switzerland has so far not qualified for this. When we discovered in mid-2011 that this huge opportunity was also available to us, we immediately set our sights on this goal, as well as the Level 3 European Rally qualification. We are proud to have achieved both our goals and are already able to present two of our team with a cheque on stage. We would like to thank Forever, Rex Maughan, Gregg Maughan, Aidan O'Hare and Florian Kaufmann, and of course our whole team, for their untiring support and for all the opportunities regularly offered by Forever to all our Distributors. We are happy, we are independent – we are Forever!

Seit April 2002 arbeiten wir intensiv mit den Produkten von FOREVER und sind von den positiven Eigenschaften begeistert. Diese Begeisterung geben wir weiter. Monat für Monat teilen wir unser wachsendes Wissen über die Produkte von FOREVER mit den Aloe-„Experten“ aus unserer Gruppe und mit neuen Interessenten. Das Endergebnis ist die jährliche Teilnahme am Profit Sharing. Uns ist es wichtig, unsere persönliche Weiterentwicklung nicht aus den Augen zu verlieren, die richtige Work-Life-Balance zu finden, die wichtigen Menschen um uns herum zu genießen und zu pflegen – alles andere kommt von alleine. Unsere Tipps für ein erfolgreiches FOREVER-Business sind: Stetig an sich und seinem schlummernden Potenzial arbeiten, immer neugierig und wissbegierig sein, achtsam sein im Umgang mit Mitmenschen und nicht müde werden, auf andere Menschen offen zuzugehen. Wichtig ist, dass man dabei jedem Menschen eine Chance gibt!

Since April 2002 we have worked tirelessly with the products and are inspired by their qualities. Each month we share our growing knowledge about Forever with the aloe 'experts' from our group and with prospects. The end result is participation in Profit Sharing. To us it is important not to lose sight of our personal advancement, to find the right work-life balance, to enjoy the people around us and to be consistent – everything else comes naturally. Our tips for a successful Forever business are: work steadily on yourself and your latent potential, always be curious and eager to learn, be respectful in dealing with people and never become tired of contacting new people. Give every person a chance!

Profit Sharing is a result of consistency, discipline, perseverance and team work. That is why it is always one of my main goals for the year. All Managers need to focus on it, in order to achieve a solid income in Forever. By you achieving Profit Sharing, your team will also have belief that they too can do it. In Forever, your work is rewarded and recognised. Let's all make Profit Sharing our main goal of the year.

Remember you are the driver of your own life. Make sure you are in the driving seat and not a passenger. Take control.

Thank you Rex, Jayne Leach & John Curtis, Eva, all the wonderful Managers, and each and every person in the team. You are all an integral part of my life and you all inspire me greatly. I look forward to seeing you receive your own Profit Sharing cheques. The sky is the lower limit.

Hvala direktorju in celotnemu timu, ki poskrbi za dodaten izziv, ki ga Profit Sharing program nudi vsakemu, ki si postavi ta cilj in je tudi discipliniran, da ga uresniči. Veliko ljudi čaka na lahek način zaslužka kot je loterija. Velikokrat se šalim, da imate tukaj pri Forever možnost prejeti loto, kjer velikost dobitka uravnavate sami z vloženim delom, to je pot do realne možnosti uresničitve vaših sanj. Prejmite najin blagoslov, kajti vsakemu posamezniku privoščiva doživetje teh sanj. Hvala Rex, Gregg, Aidan!

Many thanks to the Director and the whole team, for providing incentives, rewarded with Profit Sharing, to anyone who sets themselves this goal and has the discipline to achieve it.

Many people wait for an opportunity, such as winning the lottery, where they could easily earn money, but I often joke that here at Forever, you have a chance to win the lottery, because you alone set the amount of time you invest in working hard, and therefore, also the amount of your winnings. Your dreams can really be achieved and we wish that everyone will experience their dreams. You have our blessing, and thank you Rex, Gregg and Aidan!

1997 óta a Forever irányítja és tölti ki életünk.

Igaznak véljük, hogy "MAGADÉRT VAGY AZ ÜZLETBEN, DE SOSEM VAGY EGYMAGAD".

Szponzorunk sikerességének érdekében kötelességünknek érezzük, hogy visszaadjunk valamit a Tőle kapott tudásból, szeretetből, életszemléletből.

Társaink felé példamutatást is jelent, kövessetek, Ti is képesek vagytok teljesíteni ezt a kihívást.

Saját szempontból sem mellékes teljesíteni az ösztönzőt, hisz van olyan részfeltétel, melyet nem végezhet el más helyettünk.

A jutalom, ami jár érte, az feledtet minden nehézséget. Legnagyobb ajándék, hogy szerepelhetünk ebben a kiadványban.

Légy itt TE is! Sok sikert!

Since 1997, Forever has become a large part of our life. We agree that, "You are in business for yourself but not by yourself." We are committed to being successful, for us and for our Sponsor, to whom we are indebted, to give something back for his knowledge, love, and attitude to life. We want to be an example to our team. Follow us; you are also able to achieve this incentive. It is worth committing to Profit Sharing for yourself. It is achievable if we all work together; you cannot easily achieve it on your own. But when you receive the reward, it will be worth all the hard work. To become part of this book is the best gift for us. You have to get there, too! Good luck!

Nous avons fait de Forever notre choix de vie il y a 11 ans maintenant. Nous sommes très heureux de pouvoir mener la vie à laquelle nous aspirons et sommes reconnaissants de pouvoir chaque jour faire des choses qui ont du sens. Le Profit Sharing est un des défis que nous aimons relever chaque année. C'est pour nous un moyen efficace de maintenir notre motivation et un bon niveau d'activité Hors Manager. Notre engagement est d'aider nos Managers à atteindre ce niveau de réalisation afin qu'ils connaissent eux aussi ces moments de joie et de reconnaissance. Merci à Rex et à tout le staff Forever pour cette merveilleuse opportunité.

Eleven years ago, we decided that Forever would be our life's choice. We are very happy to be able to live the life we've always wanted and every day we are grateful that we can do things that have a purpose. Profit Sharing is one of the many challenges we like to work for each year. For us, it's an efficient way to maintain our motivation and good business activity in our non-Managers' Downline. Jeg startede meget skeptisk i april 2000. Skulle blot sælge produkterne med det formål, at optimere mine zoneterapi behandlinger. Jeg havde egen klink for zoneterapi og en lang baggrund som sygeplejerske. Min lange skepsis blev vendt og jeg blev total imponeret over produkternes positive virkning. Den ene positive oplevelse efter den anden fik mig overbevist om kvaliteten. Forretningen var jeg også meget skeptisk overfor. Men alt viste sig at være fantastisk, mere end man næsten kunne forstå. Min begejstring skulle formidles ud til alle andre og 1½ år senere levede jeg 100% af min Forever forretning og har gjort det lige siden.

Hver dag er det en daglig glæde at hjælpe andre til succes, og vide at man gør en forskel for andre mennesker"

I was very doubtful when I started in April 2000. I just wanted to sell the products with the aim of optimising my reflexology treatments. I had my own clinic, and a long track record as a nurse. I was sceptical for a long time, but this changed and I became totally impressed by the positive effects of the products. One positive experience after another convinced me they were good quality. I was also very unsure about the business; but it all turned out fantastically, almost better than you could imagine. My enthusiasm was contagious, and 18 months later, I was living 100% off my Forever business and have been doing so ever since. It's a real pleasure, every day, helping others succeed, and knowing you're making a difference to other people.

Toen Ashley Riley mij 13 jaar geleden Forever liet zien, zag ik direct iets unieks. Even daarvoor had ik ontslag genomen na 25 jaar in het bedrijfsleven werkzaam te zijn geweest en ik was net gestart als consultant. Ik zag in Forever het voertuig om vrijheid en financiële onafhankelijkheid te realiseren zodat ik nooit meer terug hoefde in een loondienst situatie. Ik had nog nooit z'n uniek business model gezien en zag Forever als mijn pensioenplan. Zoals zovelen hebben ook wij moeten leren wat netwerk marketing is. Maar deze reis is méér dan de moeite waard geweest. Het is zeer indrukwekkend wat wij in 13 jaar binnen Forever hebben gezien; wat Forever ons en anderen heeft gebracht. Werken voor de Profit Sharing is werken aan groei in je business waarbij teamwork belangrijk is. Wij willen dan ook ons team bedanken voor hun inspanningen en wij hopen ook in de komende jaren een rol te mogen spelen in hun succes.

When Ashley Riley showed me Forever 13 years ago, I saw the uniqueness. Just before that I had resigned from my job, after twenty-five years. I had just started my own consultant business. In Forever, I saw the vehicle for financial independence allowing me to never go back to a job again. I never had seen such a unique business model and I saw Forever as my pension plan. We had to learn what network marketing is. But this journey has been very worthwhile. What we have seen in Forever, and what others have experienced, is very impressive. Working for Profit Sharing is working at a growing business where teamwork is essential. Therefore we thank our team for their efforts and we hope that we may play a role in their successes in the coming years.

В этом году мне посчастливилось повторно стать участницей одной из удивительных стимулирующих программ компании ФорEVER - это программа «Деление Прибыли», и это благодаря сильнейшей звездной спонсорской линии во главе с Атиллою Гидофальви, который на сегодняшний день является дистрибьютором №2 в Европе и моим великолепным спонсорам- Бухаршину Ермеку и Омаровой Майре, Смагулову Даулету и Омаровой Розе. Profit Sharing 2012 – это итог работы всей нашей сплоченной дружной команды, которую организовали за 3 года нашей деятельности в ФЛП. Аура успеха Будапешта способствует к достижению новых высот. Моя душа ликовала за Казахстан и гордость за спонсорскую линию переполняло мое сердце. Это еще одна победа, еще один успех!

I was lucky enough once again to be a participant in one of the best incentives in Forever – Profit Sharing and I thank my powerful Upline Atila Gidofalvi, who is also the number two Distributor in Europe, and my wonderful Sponsors, Yermek Buharshin & Maira Omarova, Daulet Smagulov & Roza Omarova.

Profit Sharing 2012 is the result of three years' team work. Being involved in the Budapest Rally inspires us to reach new heights. I am so proud of Kazakhstan and of our Sponsors. Another success, another victory!

Vi ble presentert for Forever i november 2002 av Charles Wadsworth, og har jobbet fulltid siden mai 2003. Vi bestemte oss da for å jobbe mot Diamond, og at veien til suksess var å prate med mange folk som sier nei, kanskje og som sier ja. Jo flere nei, kanskje og ja vi fikk, jo større team fikk vi, og jo mer penger tjente vi og jo mer opplevelser hadde vi med Forever. Resultatet av dette er at vi i dag har mange mennesker i teamet som har og fortsetter å nå sine drømmer, vi har sikret våre og våre barns framtid, vi har blitt Sapphire Manager i desember 2010, vi har reist rundt hele verden med Forever og tar vår femte profitshare- sjekk. Dette kan anbefales til alle! Det er enkelt, men du må gjør jobben... nr1. ta en avgjørelse nr 2. ta action nr3. bli immune mot nei

We were introduced to Forever in November 2002 by Charles Wadsworth, and have been working full-time since May 2003. We decided to work towards Diamond, and the route to success was to talk to the many people who tell us no, maybe or yes. The more we heard no, maybe and yes, the larger our team became, the more money we earned, and the more experiences we had with Forever. We now have many people in the team who achieve their dreams. We have secured our own future, and that of our children. We became Sapphire Managers in December 2010, we have travelled around the world with Forever and are collecting our fifth Profit Sharing cheque. We can recommend that to everyone! It's easy, but you need to do the work... Make a decision, take action, and become immune to no.

WOW! What a Company. What an opportunity. What an incentive! This definitely is the icing on the cake... Would you like some?

I would like to take this opportunity to thank Bob Parker and all the Head Office staff for their continuous help and support, that not only they give to me and my team, but also every Distributor - you are all amazing. I would also like to thank all of my team, my Upline Andy Drought, my mentor and great friend Frank Budgen, all my friends that have been there for me over the years, and with special thanks to Paul Scarlett & Trisha Payne who have not only been good friends but have also enabled me to double my Profit Sharing cheque! And of course a massive thanks to Gregg and Rex for this opportunity and Profit Sharing programme that is available to us all, yes including YOU!

Forever has delivered again, after seventeen years with this Company, we are still amazed with the growth and growth potential globally. Each year we just go out and do the basics – talk to people – sell the opportunity – create new Customers. It is then very simple to qualify to receive Profit Sharing... Anyone can do this if you put the effort in.

We believe, as team leaders in Forever, you should lead by example and inspire your team to achieve. Qualifying for Profit Sharing shows our team we are leading from the front and, hopefully, inspiring them also to qualify.

Seeing team members achieving qualifications and incentives gives us great personal pride that others are making Forever work for them. This year, more team members have qualified. We now have Profit Sharing qualifiers in other countries in the Forever world and seeing how Forever is changing the lives of our successful team members gives us a personal feeling of great warmth.

The money is the big added bonus, and is open to any Distributor, it helps us support the lifestyle and freedom we have from being part of Forever. If you are reading this and wondering, "Should I try this opportunity?" "Is this real?" "Can I do it?" Stop and answer this question, "Where will I be in five years' time if I don't do it?" What have you got to lose? Not much... but you could be in this book in years to come.

Offrez-vous le bonheur de ce challenge et rendez-vous en 2013 à Hawaï.

Ce-am făcut noi pentru a câștiga unul dintre cecuri? Ne-am păstrat visurile vii. Am înțeles că, pentru a realiza ceva, trebuie să avem încredere în noi. Este nevoie de credință, viziune, multă muncă, determinare și dăruire. Doar astfel am reușit ca, în cei șapte ani de când suntem parte a familiei Forever, să câștigăm patru cecuri Profit Sharing. Orice lucru este posibil pentru cei care cred cu adevărat.

What did we do to receive this cheque? We kept our dreams alive. We understood that, in order to achieve something, we must have faith in us. It takes faith, vision, hard work, determination and dedication. This is how we managed, in the seven years since we became part of the Forever family, to be rewarded with four Profit Sharing cheques. Everything is possible for those who truly believe.

Le Profit Sharing est le rêve de tous les managers, tel était mon cas aussi. En 2010, j'ai commis l'erreur de ne pas le fixer comme un objectif et comme résultat j'étais à deux doigts de le réaliser. Alors j'ai tiré la leçon et l'année suivante, le Profit Sharing figurait parmi mes objectifs prioritaires. Grâce à la motivation qui m'animait, le dynamisme de mon équipe, que je félicite grandement, et surtout la persévérance qui était mon outil de travail quotidien, j'ai eu l'opportunité de participer au Rallye Européen à BUDAPEST et ainsi pu concrétiser mon rêve.

Etre à côté de l'homme qui nous a tous donné cette formidable opportunité et découvrir avec lui mon premier chèque, est un sentiment que je ne peux pas décrire.

C'est pourquoi je vous invite tous à l'expérimenter et je vous donne rendez-vous pour le Profit Sharing. N'oubliez pas que le Profit Sharing est votre destination DIAMANT.

Profit Sharing is the dream of every Manager, as it was mine too. In 2010, I made the mistake of not setting this as a goal and as a result, I was on the verge of achieving it, but didn't. So I learned the lesson and the following year, Profit Sharing was among my top priorities. I was inspired and motivated, I had the strength of my team behind me which I welcomed, and perseverance was my daily working tool. Thus, I had the opportunity to participate at the European Rally and was able to achieve my dream. Being next to the man who gave us all this wonderful opportunity, and experience with him receiving my first cheque, is a feeling I cannot describe. That is why I invite you all to try, and make a plan for Profit Sharing. Remember that Profit Sharing is your DIAMOND destination.

Na een sabbatical - was begin 2011- Profit Sharing onze focus om weer uit de startblokken te komen. Profit Sharing motiveert je extra om een nieuw Team met mensen te ontwikkelen, wat de basis van onze business is. Het zijn de mensen, zoals beginnende distributeurs en hun enthousiasme die ons extra motiveren. Gezien de huidige economie konden wij niet anders dan de beslissing nemen om weer te gaan zaaïen en oogsten. Er zijn momenteel zoveel "goed gekwalificeerde mensen" die geen zekerheid in baanverband meer vinden en een oplossing nodig hebben. Een belangrijke rede waarom Forever Benelux in 2011 met 14% is gegroeid. Naar onze mening bestaat er geen beter bedrijf dan Forever in het creëren van een Betere Toekomst. Forever geeft ons in ieder geval de vrijheid om de koers van ons eigen leven te kunnen bepalen. Hiervoor bedanken wij Rex "een man met een visie" en ons team wat samen met ons deze deelt.

Profit Sharing is extra motivation to develop a new team of people, which is the foundation of our business. It is people like new Distributors, with their enthusiasm, who increase our motivation. Looking at the current economic situation, we could do nothing else but to decide to sow and reap again. Presently there are so many 'well qualified people', who can't find job security and need a solution. This is a major reason why Forever Benelux has grown in 2011 by 14%. In our opinion, there is no better company to create a better future. Anyway, Forever gives us the freedom to chart the course of our own lives. For this, we thank Rex, 'a man with a vision, and our team, which shares this Profit Sharing result with us.

After a long corporate background, we were attracted to Forever because we could see a flexible opportunity that would still offer a six-figure income. Our boys are now eight and eleven years old, and, only ever working part-time around our children, we are now Sapphire Managers, World Rally and Silver Rally qualifiers. We attribute our success to having cultivated a desire to make a difference, by sharing the amazing products and helping others with the income opportunity. Forever gives you the best of everything; flexibility, control over your time, financial freedom, and peace of mind. And on top of that, you get an environment in which to achieve your true potential, which means to achieve the greatness within, you must look within and develop a winner's mindset. You have to think and be your best, to give your best, to achieve your best. It's important to remember that with big goals come great challenges to be overcome and that's when the rewards are the most fulfilling.

You can only achieve success through developing and nourishing strong relationships built on integrity, trust, encouragement, support, commitment and accountability. We are very, very lucky to have a team of great individuals who share our core values and are committed to being their best so they can help others achieve their best. We thank you for all your efforts and we wish you all the success you deserve.

Forever is unique in that you are surrounded by inspirational leaders and mentors to help you every step of the way. Thank you to Rex and Gregg, to Aidan and all of the Forever staff around the world; you provide us with an incredible platform to change lives, one life at a time.

Eind 2000 kwam Forever op ons pad. Dit was vanaf het begin een positieve verandering in het leven van ons gezin. Het is tot nu toe een prachtig avontuur waar we onszelf enorm hebben mogen ontwikkelen. Naast ons gezin hebben we hiermee een nieuwe toekomst op kunnen bouwen. Deze 1e Profit Sharing Check is een bekroning op ons werk van de afgelopen jaren. We weten nu dat het voor ons mogelijk is. Wij willen een inspirerend voorbeeld zijn om de mensen uit ons team hetzelfde te laten realiseren. We zijn zeer dankbaar en trots op ons team, zij hebben er tenslotte mede voor gezorgd dat dit werkelijkheid is geworden. Bedankt medewerkers op het hoofdkantoor in de Benelux voor de goede service en aanmoediging. Tenslotte dank aan Rex Maughan voor deze fantastische mogelijkheid.

Let's go global and BE FREE FOREVER!

At the end of 2000, we encountered Forever. From the start, this turned out to be a positive change in the life of our family. Thus far, it has been a beautiful adventure in which we have been able to grow enormously. In addition, our family has been able to build a new future together. This first Profit Sharing cheque is the reward of our work in recent years. Now we realise that this is possible for us, we want to be an inspiring example to our team so they can achieve this as well. We are very grateful for and proud of our team, for after all, with their help, this has become a reality. Thank you, staff of Benelux, for the excellent service and encouragement. And finally, thank you Rex Maughan for this fantastic opportunity.

Nagyon szeretjük ezt az ösztönző programot, hiszen ez tart fókuszban minket, és ennek a segítségével kerülünk egyre közelebb az álmaink megvalósításához. A havi bónusz is nagyon jó természetesen, de igazán gyarapodni csak a Profittal lehet! Kitartásra és szorgalomra sarkall, és inspirál arra, hogy megtanuld és megéld, hogy a lehetetlen is lehetséges. Sokkal több jön ki belőle, mint csupán extra 13. havi bónusz, hiszen nap mint nap új helyzetekben kell helytállnod, és garantáltan nem leszel ugyanaz az ember a program teljesítése után, mint aki voltál. Újabb távlatokat nyit, és ez hozza az igazi ÁTTÖRÉST!

Roppant lelkesen tart egész évben, nekünk bevált! Próbáld ki Te is!

Szeretettel.

We love this incentive programme as this keeps the focus and helps us to reach our dreams. Naturally, the monthly bonus is great, but you can grow really big only through Profit Sharing. You get more, not just the thirteenth monthly bonus, as you have to hold on in new situations each day, and it is guaranteed that you will become a new person after achieving this incentive. This presents new perspectives for you and brings you real breakthroughs. It keeps you enthusiastic the whole year; we can recommend it for everyone. Check it out! With love.

Arbejdet med Forever giver os en fantastisk mulighed for at få en bedre livskvalitet og samtidig opnå nye mål, samt leve det liv, vi har lyst til. Muligheden for at opnå Profit Sharing beviser til fulde at der er No Limit i Forever. En af grundpillerne for at opnå Profit Sharing er, at arbejde basic, anbefale produkterne, vise nye forhandlere mulighederne og hjælpe dem på vej. Profit Sharing handler ikke alene om os, men er også en stor del af samarbejdet med dygtige og positive forhandlere, og det giver os masser af energi at hjælpe dem til at opnå deres mål.

Working with Forever gives us a fantastic opportunity to get a better quality of life, to achieve new goals and to live the life we want. The opportunity to achieve Profit Sharing fully proves that there is 'No Limit' at Forever. One of the basic requirements for achieving Profit Sharing is working basically, recommending products, showing Distributors new opportunities and helping them along the way. Profit Sharing is not just about us, but also is about the partnership with skilled, positive team members; it gives us a lot of energy to help them achieve their goals.

Seitsemän vuotta sitten teimme ensimmäisen tilauksen Foreverille. Ja kuusi vuotta sitten halusimme tehdä tätä työnä, koska vakuutimme tuotteista. Foreverilla on ainutlaatuiset aloe tuotteet niin ihmisille kuin eläimillekin.

Nyt viidennen kerran saimme Profit Sharing shekin ja Budapestissa, missä saimme ensimmäisen Profit Sharing shekkimme 2008. Kiitos Rexi ja Forever, että on tällainen upea mahdollisuus tehdä hienoa työtä auttamalla toisia voimaan hyvin. Suosittelemme Sinullekin !

Seven years ago, we placed our first order with Forever. Six years ago, we wanted to do this as a job, because we were convinced of the product's quality. Forever has unique aloe products for humans and for animals.

Now, for the fifth time, we have received a Profit Sharing cheque, and from Budapest, where we received our first Profit Sharing cheque in 2008. Thank you Rex and Forever for this magnificent opportunity to do good work by helping others to enjoy healthy living. Highly recommended!

Qualifying for Profit Sharing is always the number one goal for our business every year. What an incredible incentive it is to be financially rewarded for sharing the Forever opportunity with new people and encouraging others to do the same.

The extra income it has given us has enabled us to do much of the travelling we planned to do after Peter's retirement from veterinary practice. This has taken us through the tropical outback and rain forests of northern Queensland, to Nepal and trekking over high level passes to Everest Base Camp. It has taken Peter on mountaineering expeditions in the Tien Shan range in Kyrgyzstan and both of us on many occasions to the Alps.

We started with Forever fifteen years ago and it could truly be said that for us life began at sixty! Whatever your dreams, Rex's Marketing Plan and Profit Sharing gives you the means to make them a reality.

The company Marketing Plan is phenomenal, and generous beyond words, making it possible for anyone and everyone to achieve Profit Sharing through their efforts and working with others. We are immensely proud to have qualified again, and ecstatic that in our team, Humphrey & Kathy Gervais and Sylvia Chukwuemeka also qualified and received their cheques. This is a team effort and is highly achievable for those prepared to get to work.

Profit Sharing is one of our top goals each year and very much a 'Pride goal'. By achieving Profit Sharing, we know we are building our business in the way that Rex designed this 'No Limits' opportunity, with a solid Profit Sharing structured business. You are really building a long-term residual-style income, and a legacy that you can pass on to future generations. Our three grandchildren are very much part of our long-term goals! Our thanks go to Rex for his generosity, to our mentors Jayne Leach & John Curtis for their belief in us, and our fantastic team who are a very special part of our lives.

A Profit Sharing igazi csapatjáték, tervezés és céltudatos munka eredménye. 2011-ben a tizedik alkalommal értük el és nagyon büszkék vagyunk a csapatunkra.

Igazán nagyszerű érzés, hogy a siker mások felemelésével jön létre. Megtiszteltetés számunkra, hogy teljesítményünk alapján ismét tagjai lehetünk a magyarországi President's Clubnak.

Köszönjük a lehetőséget Rex Maughannak. Go Forever!

Our mission is "Health is a treasure, we help to preserve it." We have enjoyed the opportunities that are achievable through Forever. We are healthy and have travelled to places we hadn't even dreamed about. We are able to support our children. Our daughter is a flautist known the world over, and our son is an engineer and also a Manager. We always qualify for incentives to be an example to others. FOREVER bedeutet für mich Persönlichkeitsbildung und das Aloe Vera Gel ist eine maßgebliche unterstützende Maßnahme in dieser Persönlichkeitsentwicklung und -entfaltung. Seit meiner über zehnjährigen Tätigkeit bei FOREVER liegt mein Fokus auf der ganzheitlichen Betrachtung des Menschen. Ich widme mich mit hohem Engagement meinen Kunden und Geschäftspartnern, begleite sie auf den Ebenen Körper, Geist, Seele und Wirtschaft. Hier zeige ich Erfolgsstrategien für Wachstum auf, die gerade in der jetzigen schwierigen Wirtschaftslage allen Interessierten Lösungen geben sollen, um in einer Einheit den Erfolg und das Wohlbefinden ganzheitlich leben zu dürfen. Dabei begleite ich Unternehmen und Einzelpersonen, damit Menschen langfristig und nachhaltig Erfolg und eine bessere Lebensqualität erlangen.

Forever to me means personal development and the Aloe Vera Gel is key to helping one's personal development and fulfilment. Ten years ago I started working with Forever and have since been focussing on a holistic view of the human being. I am highly committed to my Customers and business partners, to their comfort on all levels, body, mind, soul and economically. I show them success strategies for growth, to provide solutions, especially during this difficult economic climate, that will allow them to live a successful and healthy life in a holistic way. ФЛП компаниясы адамды арманына жеткізетін компания. Осы компания жүрегі таза, жаны адалдықты қалайтын әрбір азаматты тек шексіз табысқа жеткізеді. Денсаулығына деп продукцияны ішіп-жеп, қазір ФЛП компаниясының лидеріміз. Өнім күш берді, иммунитет көтерді, денсаулығымды көтерді. Кредиттерімді жауып, қарыздан құтылдым. Қазір соаринг менеджермін. Айлығым 1 200 000 бен 1 500 000-дің арасы. Балам Айдос та менеджер. Айлығы 500 000 теңге. Сол сапардың бірі бүгінгі Будапешт қаласы. Әлем сахнасы төріне шықтым. ФЛП компания президенті, Рекс Моан мен Грег Моан қолынан 13 айлығыма €11 610 алып, таң қалдым. Жыл бойғы еңбегіңе берілген сый. Табыс сұлтаным әлем сахнасынан алдым. Ол тек жыл сайын 10 еселеп өседі. Бізді қолтап, қолдаған, құттықтаған Түркия, Азербайжан, Америка т.б. мемлекет өкілдеріне рахмет! Бүгін мақсат жазыңыз, соның бір тармағы Глобал Ралли-Гаваи аралдары болсын! Кездескенше, мен сіздермен біргемін!

Forever guides people to reach their goals and helps them to earn good money. We began by using aloe vera products to improve our health and they really helped. I also paid all my debts. Now I am a Soaring Manager. My salary is between 1,200,000 and 1,500,000 tenge. My son Aidos is a Manager too. His salary is 500,000 tenge. I travelled to Budapest and received a cheque for €11,610 from Rex and Gregg Maughan. We would like to thank Turkey, Azerbaijan and the US for their support! Our next goal is the Global Rally in Hawaii and we hope to see you there. Good luck!

Qualifying for Profit Sharing is one of our main goals for the year. It enables us to work with new team members and develop them throughout the year, but what a fantastic reward for helping others. This is our third time of qualifying and each time, the feeling has got better and better, but this year was amazingly special as we had our first Downline qualify too. To see them pick up their Profit Sharing cheque was just awesome.

When we started with Forever, Profit Sharing seemed so far away, we thought that something like this wasn't for us. It isn't the icing on the cake, it's part of the cake, and understanding what we needed to do enabled us to put it into our Forever business plan. As soon as it was on the plan, working towards it became a step-by-step process. Our advice? Please put it on your vision board and make it part of your plan even if you are not yet a Manager.

Nous avons eu le plaisir cette année avec Sébastien d'être qualifiés au Profit Sharing Niveau 1. Ceci est le résultat de 6 années de travail avec Forever. 6 ans de construction active, et surtout une belle équipe soudée qui nous suit chaque jour. Le profit Share était mon objectif 2011, car je voulais montrer à tous nos filleuls, que si je pouvais le faire ils le pouvaient aussi. C'est aussi une manière pour nous de nous remettre en question chaque jour, et ainsi de passer à l'action comme si nous venions de signer notre agrément. Cela n'est pas si simple, mais c'est réalisable avec une bonne dose de motivation et un entourage positif, je tiens d'ailleurs à remercier mon coach personnel qui m'a poussée jusqu'au dernier point caisse à ne rien lâcher, merci Sébastien! Bravo à toute notre équipe et merci pour la confiance que vous nous témoignez à chaque instant. Forever a changé notre vie et il changera la vôtre si vous le désirez!

Along with Sebastien, I am very proud to qualify for Profit Sharing Level 1. This is the result of six years working with Forever. Six years of actively building our great team that follows us every day. Profit Sharing was my goal in 2011 because I wanted to show our team that if I could do it, they could do it too. It is a way for us to challenge ourselves every day, and to act as if we have already succeeded. This is not that simple, but is achievable with a good dose of motivation and a positive environment. I would like to thank my trainer who pushed me until the last Case Credit, thank you Sebastien! Congratulations to our team and thank you for the trust you show us all the time. Forever has changed our life and will change yours if you want it!

Arra születtünk, hogy megtaláljuk életünk értelmét és eszerint éljünk. Nincs kiválóbb eszköz annál, amit a biztosít számunkra.

Köszönjük szponzorainknak, hogy elhozták nekünk ezt a lehetőséget, ami nagy fordulatot hozott életünkben.

Ez egy komoly munka, egy olyan vállalkozás, melyet profin kell végezni. Amikor elkezdtük, csupán az volt a célunk, hogy családi házunk építését bankkölcsön nélkül fejzessük be, ezért megtanultuk e szakmát, a változás és változtatás fontosságát, a kitartást és az Forever szellemiségéhez való ragaszkodást.

Többet, sokkal többet kaptunk annál, mint amit akkor el tudtunk képzelni. Ami a legfontosabb: Hozzá tudunk segíteni másokat vágyaik megvalósításához. A Profit Sharing

immár 7. éve megajándékoz bennünket azzal az érzéssel, amelyet akkor élünk át, amikor Rex Maughan elismeri munkánkat. Ezen jutalom ad lehetőséget arra, hogy jelentős összeggel segítsük azt a települést, ahol élünk, s ahonnan elindult országhatárokat átszelő vállalkozásunk. Mottónk: "Bátornak lenni, minden nap tenni önmagunkért és másokért."

We are very thankful to our Sponsors for showing us this opportunity, which has brought big changes to our life. Our goal was to build our house, debt-free. To achieve this, we learned the business, were persistent, and our loyalty grew with the spirit of Forever. We became much more than we could ever imagine and the most important thing is that we can help others to make their dreams come true. It is an amazing feeling to qualify for the seventh time, and for Rex Maughan to recognise our hard work.

Qualifying for Profit Sharing is so inspirational, but even more so when your team qualifies - Tracy & Phil Pickles qualified for their third cheque. Having Profit Sharing as a goal is an absolute must, because as a leader, you need to show it is achievable. It should be your focus to become a Profit Sharing Manager; it is an opportunity to give back to Rex for the most amazing opportunity that we have all been given. Le Profit Sharing Managers 2012 a été une superbe émotion. Etre qualifié pour la 3ème fois consécutive et participer au dernier Rallye Européen, était vraiment magnifique.

Le Profit Sharing est la récompense d'un travail fourni sur une année de façon régulière et intense. Forever nous a offert une merveilleuse opportunité que nous avons saisie sans hésiter en 2003. Cela nous a apporté une qualité de vie extraordinaire que nous apprécions chaque jour.

Notre satisfaction c'est aussi d'être accompagnés de certains distributeurs qui ont fait le choix de venir vivre ce grand moment avec nous, bravo et merci à vous, nous vous souhaitons la réussite et à votre tour d'écrire quelques mots sur la réalisation de votre PSM.

Bon succès à tous, et rendez vous à Hawaii en 2013 Merci Rex, Gregg et Aidan.

Nu cred că este o calitate mai importantă pentru atingerea succesului decât perseverența, care poate rezolva orice. Anul acesta ne-am bucurat de cel de-al șaselea cec Profit Sharing, ceea ce pentru noi înseamnă să fim un exemplu pentru întreaga noastră echipă, rezultatul planificării și al muncii desfășurate cu liniile non-manageriale și recrutarea de oameni noi. În activitatea Forever ne confruntăm cu multe provocări, dar, dacă avem un obiectiv clar și măreț suntem învingători. Oamenii de succes nu se opresc niciodată. Nu vom renunța niciodată la acest minunat program Profit Sharing pe care Rex ni-l oferă cu atâta bucurie și generozitate. Îți mulțumim, Rex, pentru tot ce am realizat în acești ani minunați și te asigurăm că vom rămâne loiali FOREVER!

I cannot think of a better quality to attain success, than perseverance, which can solve anything. This year we received our sixth Profit Sharing cheque, which means, for us, that we are role models for our entire team. It is also the result of planning and working with non-Manager Downlines and recruiting new people. We face a lot of challenges in the Forever business but, if we have a clear goal, we will win. Successful people never stop. We will never give up this wonderful incentive that Rex offers us with so much joy and generosity. Raliul European din acest an ne-a demonstrat o dată în plus că Forever este afacerea acelor care acceptă provocările și luptă în mod constant pentru a-și atinge obiectivele. Am realizat că putem să ne ridicăm deasupra obstacolelor, să depășim NU-urile, amânările și descurajările. Am descoperit în jurul nostru oameni valoroși, care au îndrăznit să creadă în visurile lor și să lupte pentru a le atinge, iar noi le-am arătat drumul pe care îl au de parcurs. Nu putem exprima în cuvinte trăirile acelor momente deosebite, când am primit aprecierile pentru munca depusă în anul 2011, încununată și cu acest cec. Am simțit că facem parte din familia Forever România.

This year's European Rally has shown us once again that Forever is the business for those who accept challenges and fight constantly to achieve their goals. We realised that we can rise above obstacles, that we can overcome the no's, the delays and the discouragements. We discovered valuable people around us who have dared to believe in their dreams and fight to achieve them and we showed them the way they should follow. No words can express the feelings in those moments, when I received appreciation for our work in 2011 and was rewarded with this cheque. We feel that we are part of the Forever Romania family.

Anche quest'anno abbiamo vissuto la grande emozione di ricevere da Rex, Gregg e Aidan l'assegno del Profit Share a Budapest. Sono stati due giorni ricchi di novità e motivazione e auguriamo a tutti i nostri manager di raggiungere questo obiettivo, come? Avendo ben chiara la meta (Profit Sharing); elaborando un piano nei minimi particolari; facendo tanta azione. Non esistono obiettivi impossibili, esistono obiettivi che non ci interessano a sufficienza, questo vale per tutti i campi della vita. Essere ottimisti e fiduciosi nelle proprie possibilità è la chiave del successo. Ogni incaricato che ha un sogno nel cuore e nella mente ha ottime possibilità di successo. Se lo puoi sognare lo puoi realizzare. Seneca diceva: "Non esiste vento favorevole per il marinaio che non sa dove andare". Io e Daniela sappiamo dove andare e vogliamo avervi con noi per costruire il nostro e vostro successo. La meta c'è, il piano c'è, adesso dobbiamo solo agire e insieme ce la faremo, preparate le valigie per i prossimi viaggi.

We were so excited to receive a Profit Sharing cheque from Rex, Gregg and Aidan in Budapest. Two amazing days of information and motivation; we'd like all our Managers to achieve it. How? With a clear goal, a plan and hard work. There are no impossible goals. Being optimistic and confident is the key to success. Any Distributor having a dream in their heart and mind has a greater chance of success. If you can dream it you can achieve it. Seneca said, "If one does not know to which port one is sailing, no wind is favourable." We have a goal and a plan, so now we need to act, and together we'll reach it; pack your bags for the next trip.

Rex Maughan önzetlen ajándéka minden évben a Profit Sharing ünnepség, ahol luxus körülmények között adják át a vezetőségi tagok az éves munkánk arányában a 13. havi bónuszunkat, jelezve, mennyire fontosak vagyunk számukra és megtisztelnek a személyre szabott különös figyelmükkel. Én soha sehol még nem tapasztaltam ehhez hasonló elismerést. Ezért az a minimum, hogy példamutató a hozzáállásunk nekünk vezetőknél a céghez.

Mindent megteszünk azért, hogy MINDENKI megismerje a Forever üzenetét: "a tiszta és a becsületes út a leggyorsabb és a legbiztosabb: legyen szó egészségről vagy pénzről :)” Mi ehhez tudunk segítséget adni bárkinek, aki csatlakozni szeretne egy sikeres, lekövethető, tervezhető és nem utolsósorban: igazságos rendszerhez :) Mi ezt az életstílust képviseljük Forever and ever

The Profit Sharing reward is Rex Maughan's generous gift. Every year the Company acknowledges our hard work in luxury surroundings by giving us a thirteenth month bonus. In this way, the Company demonstrates how important we are to them by respecting us with this special way. I have never experienced this kind of recognition anywhere else. We feel so proud of Forever. Everything we do holds the Forever message, "The fair and honest way is the fastest and most secure way, be it health or money." This way, we can help anyone who wants to join a business that is successful, strategic and most importantly, ethical. We will always represent Forever!

Forever Ailesiyle birlikte olmaktan büyük keyif alıyorum. İşimi seviyorum; işimi yaparken diğer insanları da mutlu edebilmek, bunu izlemek, heyecanlarını paylaşmak ve hayallerinin gerçekleştiğini görebilmekten mutlu oluyorum. Forever Living'in sistemi benim düşüncelerime ve yaşam felsefeme uyuyor. Rex'e hayranım. Harika bir sistem ve mükemmel ürünler; bize sadece bunu insanlara anlatmak ve bu güzel fırsattan yararlanmalarını sağlamak kalıyor. Ben son üç yıldır Kar Paylaşım Programına 1. seviyeden hak kazanıyorum. İşimde istikrar ve heyecanı seviyorum. Şimdi sıra 2. seviyeden hak kazanabilmeyi istikrarlı olarak başarabilmeye geldi. Benim için para kazanmaktan çok daha önemli olan başarabilmenin verdiği heyecandır. Hedefim kendimle yarışmak ve daha iyisini yapabilmektir. Forever ile yaşamaktan ve hayallerime ulaşmaktan büyük keyif alıyorum. Sevgili Azerbaycan ekibime çok teşekkür ediyorum. Herşeyi birlikte yaptık, daha iyilerini de yapacağız.

It's a delight to help others, just by doing your own business, and to help them achieve their dreams. The Forever way suits my way of thinking, and life philosophy. It's a great system with perfect products. So all we have to do is to help people by telling them about this opportunity. I admire Rex for all the goodness he puts into our lives. Forever har gjort en forskjell! Livskvalitet, helse og nye mål for livet. Alt vi har måttet lære på veien og personlige utviklingen som har vært nødvendig for å lykkes. At suksess i Forever avhenger av å hjelpe andre til suksess er en fantastisk måte å drive en forretning på. PS er viktig for oss, da det gir en stabil vekst med påfyll av nye entusiastiske forhandlere, alltid en stor åpen gruppe som omsetter masse produkter og hjelpe ledere til å sette mål og arbeide med sine grupper. Alle bør kvalifisere seg til PS -da lykkes du long term i denne forretningen. Genialt!

Forever has made a difference! Quality of life, health and new life goals. We've had to learn everything along the way, and personal development has been crucial to success. The fact that to be successful with Forever, you have to help others achieve success, is a wonderful way to run a business. Profit Sharing is important to us, as it provides stable growth, with the addition of new enthusiastic Distributors, always a large, open group selling lots of products and helping Managers to set goals and to work with their own groups. Everyone should qualify for Profit Sharing – it's the way to achieve long-term success in this company. Brilliant!

A Profit Sharing minősülés idén harmadik alkalommal sikerült számunkra. Igazi csapatmunka volt! Mérnök és közgazdász házaspárként indultunk a Forever üzletben, és azt látjuk, ez életünk legjobb döntése volt, nemcsak a saját hanem gyermekeink a 9 éves fiunk és a 7 éves lányunk számára. Rájuk ma nemcsak költeni tudunk többet, hanem a velük töltött minőségi időnk is megnövekedett. Örültünk, hogy a színpadon együtt vehettük át a csekket, és Szonja még Rex-nek is puszit adott.

A Profit Sharing az Forever igazi nagy extra habja a szülinapi tortán. Ajánljuk, hogy mindenki kóstolja meg ezt a finom tortát, és különösképpen a habot! Találkozunk jövőre a Global Rally-n!

This is the third year we have qualified for Profit Sharing. It was real team work! Before starting this business, our backgrounds were as economists and in engineering. This is the best decision we've ever made in our lives, not only for us, but also for our nine- and seven-year-old children. Not only can we spend more time with them, but we also have much more quality time to spend together. We were glad to receive our cheque as a family, and Sonya, our daughter, even gave a kiss to Rex.

Profit Sharing is the icing on the Forever birthday cake. We recommend that everyone try this cake especially the icing! See you on the Global Rally next year!

This is our fourth Profit Sharing cheque in the last five years and it is the most special because for the first time, we are sharing the stage with one of our Managers, Dr Sylvia Chukwuemeka, who this year has achieved Profit Sharing for herself. I know of no other business which rewards you financially for having a good year and then rewards you again for helping others to have a good year themselves.

Qualifying for Profit Sharing, together with Eagle Manager qualification, are annual milestones which tell you that you are building your business in an optimal way and that you are on the right track. These are 'pride' goals for us which means that we will never, ever miss out on either of them.

Now we have global Profit Sharing with the prospect of a free trip to Hawaii, as well as a cheque. This business just gets more and more exciting!

Negyedik alkalommal teljesítettük a Profit Sharing kiírását. Fantasztikus érzés Európa legjobbjai között képviselni Magyarországot. A Forevernek köszönhetően kiegyensúlyozott, boldog életet élhetünk. Nemcsak anyagi biztonságot érthetünk el a cégnek köszönhetően, de a termékek használatával a családjunk egészségét is rendben tudhatjuk. Büszkék vagyunk arra, hogy 11 éves Anna lányunk példaképei lehetünk. A Profit Sharing program annak az eredménye, hogy évről évre le tudjuk győzni a kényelmünket és önmagunkat. Két hitvallásunk van: az első: Motiváció + Szorgalom = Siker. A második: Akinek van célja és hite, azelőtt az akadályok meghajlanak.

We have qualified for Profit Sharing for the fourth time. It's a fantastic feeling to represent Hungary among Europe's best. Thanks to Forever, we have a stable, happy life. Besides financial security, our family is healthy, thanks to using the products and also because of our lifestyle. We are proud that we can be an example for our eleven-year-old daughter, Anna. Each year we push ourselves and achieve Profit Sharing. We have two statements of belief. The first one is 'Motivation + Diligence = Success'. The second one is 'There are no barriers for those who have faith and goals'.

Gleði, spenna og árangurstilfinning kemur í hugann þegar við hugsum um fyrsta Profit Sharing árið okkar. Upplifunin að hafa náð árangrinum skiptir okkur meira máli en upphæðin á tékkanum. Nú sex árum síðar er tilfinningin sú sama. Þetta tækifæri koma í líf okkar á hárréttum tíma, við stóðum á krossgötum, vorum að byggja okkur upp í annað sinn á lífsleiðinni, í leit að stefnu á átt að fjárhagslegu sjálfsstöði. C'est notre troisième chèque consécutif que nous recevons depuis 2010. Le Profit Sharing représente pour nous le fruit d'un travail bien planifié qui rime avec discipline et sacrifice. Au début de l'année, nous avons fixé un objectif très clair et précis : remporter le challenge du Profit Sharing tout en aidant notre équipe à atteindre leurs objectifs. Aujourd'hui nous pouvons dire que la bataille est gagnée car nous avons tous réussi à réaliser ce que nous voulions. C'est vrai que notre parcours a été très souvent ponctué d'obstacles mais nos pas vers nos objectifs étaient si fermes que nous étions déjà sur la ligne d'arrivée sans le réaliser.

This is our third Profit Sharing cheque since 2010. We believe that Profit Sharing is the result of well-planned work, along with some discipline and sacrifice. We had set a clear and definite objective at the beginning of last year; it was to achieve Profit Sharing by helping our Downlines achieve their respective goals. Today we can say that we won this battle as we have been successful in our plan. It is true that our journey was very often punctuated with obstacles along the way, but our steps towards our goals were so firm that we achieved it with flying colours.

Since becoming a Manager some 11 years ago now, it has always been a priority to achieve Profit Sharing. In the early days, the extra bonus eased the household budget. In the following years, we were able to make home improvements and have luxury family holidays with our Profit Sharing cheques – all without using a credit card. Since we are paid this bonus as a result of building our business anyway, this really is a very generous incentive offered by Forever and something we see as an essential commitment if we want to continue to grow our income. Things have just got a whole lot more exciting with the new global Profit Sharing incentive. Thank you so much to Rex and Gregg for giving us the opportunity to secure our financial future.

FOREVER ist für uns eine einmalige Chance, mehr aus unserem Leben zu machen, einfach ein Lebenskonzept. Das Profit-Sharing ist eine Vorgabe, mit der wir uns das, 13. Monatsgehalt' erarbeiten. Hiermit können wir uns einfach mehr Träume verwirklichen. Das Schöne daran ist, dass man dieses Einkommen selbst bestimmen kann und es ist immer noch steigerungsmöglich, egal aus welchem Beruf man kommt. JEDE/R kann es erreichen - entscheidend ist das Durchhaltevermögen! Die Zielsetzung für das Profit Sharing macht es mir leichter, mein tägliches Business zu planen, die monatlichen Zahlen zu erreichen und das Ziel klar zu formulieren. Profit-Sharing beginnt am 1. Januar des Jahres und nicht irgendwann im Jahr. Und es bringt Wachstum in jede Richtung: persönlich, geschäftlich, finanziell und ganz wichtig auch im Privaten.

Forever is for us a unique opportunity to make more from our life. We use Profit Sharing to generate a 'thirteenth month salary', and by doing so we can realise more of our dreams. The best thing about it is that you can define your income yourself, and you can always increase it, irrespective of which occupation you come from. Everybody can reach it, though staying-power is crucial! The objectives of Profit Sharing make it easier for me to plan my everyday business, to reach the monthly targets and to formulate plans clearly. Profit Sharing begins on January 1 of the year each year - not part-way through the year, bringing growth in every direction; in business, financially and most importantly, personally.

„Zusammenkommen ist Beginn, Zusammenhalt ein Fortschritt, Zusammenarbeit ist der Erfolg!“ Zitat: Henry Ford

Der Start bei FOREVER erfolgte 2007 als begeisterte Kunden. Intensives Weiterempfehlen ergab eine hohe Kundenzahl und den Start ins Business mit zahlreichen Geschäftspartnern. Unser Anliegen ist es, vielen Menschen zu zeigen, wie sie mehr vom Leben haben: Mehr Zeit / Mehr Freiheit / Mehr Vitalität / Mehr Geld. Dank FOREVER können wir alle vier Punkte vereinen. Durch die Unterstützung unserer Upline Brigitte und Michael Menter konnten wir uns Stufe für Stufe in der FOREVER Karriere weiter entwickeln. Den entscheidenden Erfolg zur endgültigen Qualifikation verdanken wir dem Engagement und Einsatz unserer 600CC-Managerin Martina Kirmaier. Sie hat uns nach vier Jahren zum ersten Profit-Share-Scheck verholfen.

“Getting together is a beginning, togetherness is progress, working together is success!” Henry Ford.

In 2007, we started with Forever as enthusiastic Customers. Intensively recommending the products to others resulted in a high number of Customers and the start of our business. We would like to show many people how to make more of their lives, to have more time, more freedom, more vitality and more money. By supporting our Upline, Brigitte & Michael Menter, we were able to develop our career with Forever step-by-step. The crucial key to our success was the result of the commitment shown from our Manager, Martina Kirmaier. We have been rewarded with our first Profit Sharing cheque after four years of hard work.

Che emozione, se pensiamo che solo qualche settimana fa eravamo in quello stadio così grande con circa 11'000 persone ancora non ci possiamo credere. Un ricordo così emozionante lo abbiamo provato quando siamo saliti per la prima volta sul palco nel lontano 2005 per il Profit Sharing a Berlino. Rex e Gregg, due persone così generose e carismatiche, ci affasciano sempre ma soprattutto il riconoscimento che Forever ci dà ci emoziona ogni minuto. Cogliamo l'occasione per congratularci con il nostro team Romando e Ticinese che hanno contribuito e dato la possibilità che tutto questo finalmente si potesse avverare, un pochino di successo è anche il loro, non si può raggiungere nulla senza i componenti di un team così affiatato, ma che meraviglia! Siamo onorati e fieri di VOI! Ora non ci rimane che incitarvi tutti a vivere questa emozione personalmente, Noi alle Hawaii ci siamo sicuramente, e Voi? Go Global, ragazzi!

Mindent komolyan vettünk, és 3 hónap alatt managerek lettünk. Szerencsére nagyon sokan csatlakoztak hozzánk, és folytatódtek a szint ugrások. 2011 év végére Zafir managerek lettünk. Ami igazán megváltoztatta az életünket, az ösztönző programok teljesítése. Az elmúlt 14 évben 8 alkalommal voltunk a Profit felosztó részesei. Továbbá köszönettel tartozunk a szponzor vonalainknak, Vágási Arankának és Kovács Andrásnak, Berkics Miklósnak, Szabó Józsefnek, hogy mutatják a gyémánthoz vezető utat. Ce chèque de Profit Sharing marque un moment important dans mon activité, et pas simplement sur le plan financier. Le marketing de réseau, même avec un partenaire aussi fiable et généreux que Forever, n'est pas un long fleuve tranquille. A cause du facteur humain, même un parcours exaltant peut être nuancé de moments éprouvants, et je remercie Jan-Mary Lurel pour le soutien qu'il m'a accordé en temps opportun. Cela fait 7 ans que j'ai démarré cette entreprise, et je me suis donné sans compter pour partager le concept d'affaires, former mes coéquipiers, et animer mon réseau. Je suis heureux de voir que la semence est tombée aussi dans de la bonne terre et a germé. C'est gratifiant de constater que le travail persévérant et méthodique finit toujours par payer, surtout quand on brasse deux activités importantes. Ce qui me ferait maintenant vraiment plaisir, c'est de voir les managers de mon équipe accéder eux aussi à la participation aux bénéfices de Forever.

This Profit Sharing cheque marks an important moment in my business, not just financially. MLM, even with such a reliable and generous partner as Forever, is not plain sailing. Because of human factors, even an exciting adventure may be tinged with trying times and I thank Jan Mary Lurel for his timely help and support. Since I started this business, I have worked tirelessly to motivate my team. I am pleased that the seed fell in good soil and germinated. It is gratifying that this persistent and methodical work always ends up paying, especially when one combines two important activities. Now what would make me really happy, is to see my team of Managers also achieve Profit Sharing.

Etre PSM était l'objectif à court terme de notre plan de carrière car, nous devons maintenant aider nos amis à le gagner. Cela est l'aboutissement d'un travail de terrain qui, demande beaucoup de sacrifices personnels que nous sommes encore prêts à faire encore et encore, car les valeurs qui nous animent sont fortes et se renforcent chaque jour. Discipline, honnêteté, franchise et loyauté sont nos fils rouges car même si le succès n'est qu'une émotion qui diffère selon les individus, nous nous efforçons d'atteindre l'excellence car nous ne donnons pas le choix à notre entreprise de devenir prospère. Voulez vous avoir du succès pérenne? Alors, enfiler votre armure impénétrable et développez la cohésion d'un groupe, en majorité constitué d'amis loyaux, comme vous l'êtes vous mêmes, apprenez à rester humbles et renforcez quotidiennement vos convictions. Nous portons les couleurs françaises de notre belle Ile de la réunion et adressons nos encouragements à toute l'équipe en downline et des managers Sébastien et Axel ainsi qu'à Patricia et Stéphane LALANNE qui sont nos amis.

Profit Sharing was a short-term goal of our career because now we must help our friends do the same. This is the result of ground work, requiring personal sacrifices, that we do again and again, because the values that drive us are stronger every day. Der Weg zum Profit Sharing bedeutet für uns beständige Arbeit und eine enge Zusammenarbeit mit denen, die größere Ziele haben und mehr Einkommen erreichen möchten. The path to Profit Sharing for us means continual work and close cooperation with those who have bigger goals and want more income. One should listen to positive-thinking people in the Downline; if somebody wants to become a Manager, one should give them the necessary support.

Wir planen das Profit Sharing rechtzeitig bereits im Vorjahr. Die Profit-Share-Anforderungen werden jeweils auf den Monat heruntergerechnet. Wichtig ist außerdem, dass man an den Zielen seiner Partner arbeitet. Damit erreicht man seine eigenen Ziele leichter. Das Arbeiten in den verschiedenen Bereichen, die FOREVER bietet, gestaltet das Geschäft für alle abwechslungsreich und jeder kann seinen Weg finden. Dazu gehören Trainings im Bereich Produkt und Geschäft. Beim Profit Sharing geht es darum, seine Teampartner zu fördern und sie ebenfalls in die nächste Stufe des Marketingplans zu begleiten. Also Teamwork. Wichtig ist es, ein offenes Ohr für seine Teampartner zu haben und mit Freude und Freunden zu arbeiten und sie stets als wertvoll zu sehen und zu behandeln. Sowohl das Arbeiten mit unserer Firstline, als auch das Arbeiten in die Tiefe sind für die Qualifikation zum Profit Sharing wichtig. Von Jahr zu Jahr versuchen wir unser Geschäft zu verbessern und unser Bestes zu geben. Wichtig ist es, zielstrebig und konsequent zu arbeiten. Und außerdem die Begeisterung für die Produkte und die Geschäftsmöglichkeit sowie den Spirit von FOREVER weiterzugeben.

We start planning for Profit Sharing a year ahead, and set goals for each month. It is important to work on team goals, making overall goals easier to reach. Profit Sharing is about working and promoting your team, helping them to reach the next step in the Marketing Plan. Working with our Downline, as well as deeper work within the team is important for Profit Sharing. It is important to work with purpose and discipline, conveying the spirit of Forever.

Siamo molto orgogliosi di avere centrato l'obiettivo „Profit Sharing“ per il 4° anno consecutivo e siamo molto grati a Forever per la grande generosità e per il suo fantastico piano marketing. Vogliamo dedicare questo traguardo al nostro fantastico gruppo, alla nostra sponsor e, soprattutto, a tutti coloro che, in questo periodo di grande incertezza economica, sentono di essere arrivati ad un bivio nella loro vita, si sentono indifesi e non hanno più fiducia nel futuro. A loro vogliamo dire che, nonostante l'apparenza, questo è il momento migliore per assumere il controllo della propria vita. Forever vi sta aspettando con il prodotto migliore, inserita in un mercato in continua espansione e con un piano marketing che non dà possibilità di fallire. Forever è la più grande opportunità del XXI secolo: cosa aspettate!

We are very proud to have achieved Profit Sharing for the fourth consecutive year. We are so grateful to Forever for the generosity and for a great Marketing Plan. I dedicate the award to our fantastic team, our Sponsor, and especially to all those who, in this period of great economic uncertainty, feel they have arrived at a crossroads in their lives, who feel helpless and no longer have confidence in the future. This is the best time to take control of their lives, despite how things appear. Forever is waiting for you with the best products, an ever-expanding market and a proven Marketing Plan. Forever is the greatest opportunity of modern times - what are you waiting for?

Vuonna 2004 alkoi Forever-matkamme. Alun epäuskoinen suhtaaminen muuttui melko pian

uteliaisuudeksi: voiko kaikki olla niin hyvää, kuin meille kerrotaan - johonkin se koira täytyy olla haudattuna. Nyt on kahdeksan vuotta kulunut, eikä koira ole vieläkään löytynyt.

Foreverin palkkiojärjestelmä on juuri sellainen, että se kannustaa kulkemaan eteenpäin, haastaa

ottamaan aina sen seuraavan askeleen. Aikaisemman työhistoriamme aikana olimme olleet tekemisissä ihmisten piilevien voimavarojen ja niiden löytymisen kanssa.

Työskentely Foreverin kanssa pitää sisällään samaa, mutta vielä korotettuna korkeampaan potenssiin - taloudellisen hyvinvoinnin löytämiseen.

Olemme kiitollisia Forever-perheenjäsenyydestä!

Our Forever journey began in 2004. Our initial scepticism soon changed to curiosity; could everything be as good as they were telling us? We smelt a rat. Now eight years have passed, and we still haven't found that rat!

Forever's reward system is one that encourages you to move forward, and challenges you always to take that next step. In our previous working lives, we had been busy trying to discover people's unexploited resources. Working with Forever involves the same sort of thing, but raised to an even higher level – the discovery of economic well-being. We are grateful to be part of the Forever family.

Forever ile 2003 Yılı Şubat ayında, İstanbul'da Üniversite öğrencisiyken tanıştım. Forever'in eşsiz ürünleri ve kusursuz İş Planıyla geleceğimi özgürce kurup, yaşam tarzımı istediğim gibi yükseltebileceğime inandım. Önceden part time olarak başladığım Forever işimi, Üniversite'den mezun olduktan sonra esas mesleğim olan öğretmenliği yapmama kararı alarak, full time olarak yapmaya devam ettim. 3 yıldır eşimle beraber çalışıyoruz ve Kar Paylaşımı'nın bizim için harika bir fırsat ve çok doğru bir hedef olduğuna karar verdik. Bu kararı, Londra'da ki Avrupa Rally'sinde ilk kez bir Kar Paylaşımı ödül dağıtım programını beraberce izledikten sonra aldık ve bir sonra ki yıl Viyana 'da düzenlenen Avrupa Rally'si etkinlikleri içinde yer alan Kar Paylaşımı programı içinde de ilk çekimizi aldık. Bu yıl da, istikrarlı çalışmamızın karşılığı olarak Kar Paylaşımına 2. kez katıldık ve ödül çekimizi aldık. Eşim ve ben kazandığımız bu Kar Paylaşımı ödül çekleriyle hem arabalarımızı aldık, hem de koyduğumuz hedefe ulaşmanın verdiği doyumsuz manevi mutluluğu yaşadık. Forever'ın adaletli ve distribütörlerinin kazanmasına yönelik İş Planını tasarlayan ve bize bu imkanı sunan sayın Rex Maughan'a teşekkür ederiz.

When I started Forever in 2003 I was a college student and saw a way to financial freedom. I worked the business part-time when studying but after I graduated, I began to work full-time and decided not to work as a teacher, which was my original career choice. So, for last three years, my wife and I have both worked towards Profit Sharing, which is a great opportunity for us. We are both able to buy cars with these cheques. We would like to thank Rex Maughan for creating this Marketing Plan.

Macaristan Budapeşte'de düzenlenen son Avrupa Rally'sinde 2011 yılı çalışmamızın son ödülü olara Kar Paylaşımı çekini aldık.

3. kez hak kazandığım bu Kar Paylaşım programı, beni gerçekten çok heyecanlandırıyor. Sahneye çıkana kadar ne kadar kazandığımı bilmediğim ve bunu orada öğreneceğim için her seferinde bir başka büyük heyecan yaşıyorum. Daha önce 2 kez almaya hak kazandığım Kar Paylaşım ödül çeklerinin ikisinde de aynı duyguları yaşadım. Müdür olan diğer arkadaşlarıma da bu duyguyu yaşamalarını ve bir yıl boyunca disiplinli ve planlı çalışmanın ödülü olan Kar Paylaşımına hak kazanmalarını, önemle öneririm. Bundan sonra ki hedefim ise, Kar Paylaşımı Programına ekibimden daha fazla Müdür ile beraber katılma hakkı nı elde etmek olacaktır. Sahnede onlarla beraber olmak istiyorum ve bunu sağlamak adına elimden geleni yapacağım. 2012 Kar Paylaşım ödül çeklerinin dağıtılacağı Hawaii adasını şimdiden heyecanla bekliyorum. Benimle beraber gelmeye hak kazanacak Müdür arkadaşlarımı da şimdiden kutluyorum ve Aloha diyorum!

We received our Profit Sharing cheque in Budapest, as a reward for our hard work in 2011. Qualifying for Profit Sharing for the third time really thrills me. It's exciting not knowing what you are going to get until the very moment and it is exciting to go on stage each time. I would like all of my colleagues to experience this feeling as well. Profit Sharing is the reward for hard work all year. My next goal is to qualify for Profit Sharing with more of my team and I'll do my best to be on stage with them.

Se qualifier au Profit Sharing est une grande satisfaction personnelle et professionnelle. C'est le fruit du travail mené par une équipe motivée.

Vivre cette réussite au sein du rallye dans une ambiance spectaculaire et une incroyable mise en scène est un grand plaisir pour moi et pour l'équipe qui nous observe et s'imaginent également sur scène qualifiée au même challenge.

Mais cette qualification nous pousse à renforcer notre engagement dans cette activité pour aller encore plus loin et gagner tous les challenges Forever.

Qualifying for Profit Sharing is greatly satisfying, both on a personal and professional level. This is the result of the work of a motivated team. Experiencing this success at the Rally in a spectacular atmosphere and incredible setting is a great pleasure for me, and the team can also imagine being here themselves, qualifying too. This qualification emphasises the importance of engaging in this activity, to go further and to achieve all the challenges Forever offers.

I Forever finns så många möjligheter! Välj det du vill uppnå och gör det som behövs för att du ska nå ditt mål!

Vår roll som ledare innebär att gå före och visa vad som är möjligt att göra. När jag visar att jag kan klara Profit Share, då vet mina medarbetare att de också kan, och kommer att uppnå alla fördelar i vårt företag!

Var en god förebild och tro mer på andra än de själva gör, då kommer du att omge dig med människor som växer och utvecklas! När du hjälper andra växa, då växer du också...!

There are so many opportunities with Forever. Choose what you want to achieve and do what you need to reach your goal!

Our role as Manager means being out in front and showing what can be done. When I show I can handle Profit Sharing, my team knows they can too, and achieve all the benefits our Company offers!

Set a good example and believe in others more than they do themselves, and you will surround yourself with people who grow and develop. When you help others grow, you grow too!

Je suis dans l'affaire depuis bientôt 2 ans. Pendant tout ce temps, j'ai travaillé jour et nuit pour développer mon réseau et j'ai atteint le niveau de Manager Senior en juin 2011 puis Eagle Manager et Profit Share en Décembre 2011. Pour se qualifier au Profit Sharing, il faut vraiment travailler en équipe. Mon objectif est d'aider les gens et surtout les femmes à sortir de la misère financière, et à être belles tout le temps. Quelle femme ne veut être belle? Aucune! Donc, j'ai pris le bon chemin pour réaliser cela et j'ai accompli un rêve que je n'avais jamais imaginé.

La vie des plusieurs familles a changé avec Forever, et celle de ma famille aussi. Il ne faut pas baisser les bras, même si parfois nous rencontrons des difficultés, c'est la vie! Il faut avancer, toujours avancer et le fruit de votre travail arrivera un jour.

Je remercie Rex Maughan d'avoir créé la société Forever et ainsi que d'avoir aidé tant de personnes à travers le monde. Je vous souhaite à tous bonne réussite et bonne chance.

I started my business nearly two years ago. I have achieved Senior Manager, Eagle Manager and Profit Sharing. To qualify, you have to work closely with your teams.

My aim is to help people, especially women, to get out of financial misery and to be beautiful all the time.

Which woman doesn't want to be beautiful? So, I took the right path to achieve it and I fulfilled a dream I could never have imagined. Forever has changed the lives of many families, as well as my own. Never give up, even if sometimes you have difficulties. That's life!

Så fantastisk det er å endelig få motta vår Profit Sharing sjekk. Det tok meg (Sarah) 8 år å gjøre dette, men nå vet jeg hemmeligheten til suksess! Jeg startet med Forever som en usikker og sjenert student. Siden den gang har jeg hatt en utrolig personlig utvikling.

Jeg er takknemlig for muligheten til å styre min egen tid. Dette gir meg muligheten til å tilbringe verdifull tid med familien min, i tillegg til å ha muligheten til å hjelpe andre mennesker til å oppnå sine mål og drømmer. Jeg har et fantastisk team med gode ledere, takk til dere! Jeg ser frem til den dagen dere kan plukke opp deres Profit Sharing sjekk. Kanskje allerede i Hawaii 2013:0)

Jeg vil takke min mann, Tore, for all støtte de siste årene, så vel som min bror og sponsor, David, for å ha troen på meg. Tusen takk for denne flotte muligheten.

This gives me the chance to spend valuable time with my family, and also to help other people to achieve their goals and realise their dreams. We were introduced to Forever 14 years ago. As Soaring Managers, qualifying for Level 1 Profit Sharing is part of our annual goal. We decided we were going to do Profit Sharing and then did whatever we had to do to make it happen. We adopt the same attitude with 4 CC, Car Plan and International Rallies. What attracted us to this business in the first place were the many additional benefits that building a Forever business offers. That to us, together with a generous Marketing Plan, is what makes Forever the perfect business.

Our best advice to anyone building a Forever business, at whatever level they are on the Marketing Plan, would be to also take advantage of this exceptional additional bonus every year and make Profit Sharing part of your annual goals.

We have an amazing team and look forward to helping more and more of them also qualify for an annual Profit Sharing cheque. Thank you Rex & Gregg and to our tireless and ever-supportive Managing Director, Bob Parker.

Я сениор менеджер из города Атырау Урынбасарова Айнагуль. Сотрудничаю с компанией ФЛП с ноября 2009 года. До этой компании была знакома с несколькими маркетинг планами других компании, но сейчас твердо уверена, что лучше маркетинга и продукции Алоэ Вера в мире нет. И моя спонсорская линия самая лучшая, начиная с Атиллы и Котики Гидофальви, Махфор и Галия Абуталиевы, Габиден и Карлыгаш Сагинбаевы. Выражаю огромную благодарность своим спонсорам за их обучающую систему и пример. Раньше если нам казалось, что чеки 300 000-400 000евро чем-то далекими, сейчас наши спонсоры Абуталиев Махфор и Галия показали, что это возможно получить за 3 года, если сильно захотеть. Поэтому бизнес без границ – это ФорEVER! Удачи всем!

I am a Senior Manager and I've been working with Forever since November 2009. Until then I was familiar with some network marketing companies, but now I firmly believe that Forever has the best Marketing Plan and quality of aloe vera. My line of Sponsorship is the best, starting with Atilla & Katalin Gidofalvi, Mahfor & Galiya Abutaliyev, Gabiden & Karlygash Saginbayev. I express huge gratitude to my Sponsors for their training and help. Previously it seemed to us that €300 - 400 000 cheques were remote, but now our Sponsors Mahfor & Galiya Abutaliyev have shown that it is possible to achieve this within three years if you really want it. So business without boundaries is Forever! Good luck to all!

Das Erreichen des Profit Sharings ist für mich die zwingende Konsequenz aus sorgfältigem Teamaufbau, der in die Breite wie in die Tiefe kontinuierlich und stabil erfolgen muss. Da springt einfach gerne der Funke über!

Für mich war das Incentive Profit Sharing auch dank des Vorbildes meiner Sponsorin Dr. Susanne Schwemlein von Anfang an erreichbar und folglich Bestandteil meiner Ziele mit FOREVER – und so ist es auch für die Engagierten unseres Teams!

Taking part in Profit Sharing is the inevitable consequence of building up a stable team with care which should be comprehensive and thorough. The Profit Sharing incentive was achievable right from the onset thanks to my role model and sponsor Dr. Susanne Schwemlein. It is therefore one of my goals with Forever, as it is for the dedicated members of our team!

Sono Paolo Morresi di San Benedetto del Tronto e il 6 giugno del 2012 compio 35 anni. È incredibile, nel 2008 ho partecipato a Budapest al mio primo European Rally da Supervisor e non credevo ai miei occhi quando le persone di tutta Europa ritiravano assegni con cifre da capogiro!

Quest'anno nel 2012 sono riuscito per la seconda volta a raggiungere questo grande obiettivo. La soddisfazione più grande oltre all'importo dell'assegno è stato il fatto di continuare a credere fermamente in qualcosa che con tanta fede, impegno e professionalità si è realizzato! La cosa ancora più bella è che il successo non è dipeso solo da me, ma dall'impegno di tutto il Dream Team che ha condiviso con me questa grande gioia: a tutto il mio gruppo e alla mia famiglia dedico questo risultato strepitoso!

I am from San Benedetto del Tronto and I'm almost 35. It is incredible, I attended my first European Rally in Budapest in 2008 as Supervisor and I couldn't believe that Distributors from all over Europe received such huge cheques! It's the second time that I've reached my goal. The greatest satisfaction is not the amount of the cheque but to strongly believe in something which I have now achieved with faith, commitment and professionalism! Even better is that my success didn't depend just on me, but on my team's commitment, the Dream Team, who share this passion. I dedicate this amazing result to my team and my family!

Der Weg zum Profit Sharing bedeutet stetige, konsequente Arbeit. Vor allem die enge Zusammenarbeit mit der eigenen Downline ist dabei sehr wichtig. Meine Auffassung des FOREVER Business mit meiner Downline bezieht sich auf ehrliche, vertrauensvolle und gerechte Arbeit – das ist mein Erfolg. Für mich stehen hierbei der soziale Aspekt und die Möglichkeit für alle Mitmenschen, sich wohl zu fühlen, finanziell stabil zu sein und auf einer sicheren Basis zu agieren, im Vordergrund. Gesund und lebensfroh, unsere wunderbare Welt zu genießen – das ist mir wichtig.

Meine fünf Tipps für ein erfolgreiches FOREVER Business: Leben Sie die Produkte. Haben Sie Spaß bei Ihrem FOREVER Business. Geben Sie Ihrer eigenen Arbeit ausreichend Stabilität. Kümmern Sie sich nachhaltig um Ihre Kunden. Motivieren Sie Ihre Downline kontinuierlich.

The way to Profit Sharing is through continuous, consistent work. Close work with one's own Downline is especially important. The perception of the Forever business I demonstrate to my Downline is honest, trusting and fair work – that is how I'm successful. Most important to me is the social aspect, the chance for everybody to feel good, to be financially stable and to operate from a secure footing. To enjoy our wonderful world healthily and happily – that is important to me. My five tips for a successful Forever business: Live the products; have fun with your Forever business; ensure your own business is stable; take care of your Customers with a view to keeping them and motivate your Downline continuously.

Als wir im Mai 2011 erfuhren, dass die Schweiz ab sofort im Profit Sharing ist, war für mich sofort klar: Das wirst du schaffen! Ich fokussierte dieses eine Ziel, da ich «nur» sieben Monate zur Verfügung hatte. Was dann passierte, ist unbeschreiblich. Goldgräberstimmung! Die Motivation, einen Check zu bekommen (egal wie viel, Hauptsache ein Check), war so hoch, dass es auf alle Partner in meinem Team überschwappte. Die Königsdisziplin bei FOREVER zu erreichen, hat für mich mit Vorbildfunktion zu tun. Das ist etwas, das alle erreichen können, und alle, die das Geschäft ernsthaft betreiben, erreichen sollten. Ich freue mich jetzt schon darauf, in Hawaii 2013 mit meinen neuen Profit-Sharing-Partnern aus meinem Team die Checks abzuholen und zu feiern. Denn NUR im Team ist es möglich, jeden Traum zu verwirklichen. Für mich gibt es nichts Schöneres, als die Erfolge mit meinem Team zu teilen und zu feiern.

When we discovered that Switzerland would be part of Profit Sharing, it was immediately clear to me that I could do it! I focussed on this one goal as I had only seven months left in which to achieve it. What happened then is indescribable! I hit the jackpot! The motivation that came with receiving a cheque (no matter how much for) was so great that it was felt by all the Distributors in my team. I associate getting to the top at Forever with acting as a role model. It is something that everyone wants to achieve, and all those who take the business seriously should achieve it. I'm already looking forward to receiving the cheque and celebrating in Hawaii 2013 with the new Profit Sharing members in my team.

Three years ago we saw an opportunity which we reluctantly accepted, not knowing what that opportunity had in store for us. We followed in the footsteps of those who have gone before us with focussed dedication, passion, undiluted enthusiasm and a strong belief. We did everything we were told to do; sharing this opportunity with people we know and don't know. Without any doubt, we had challenges; we had dream-killers who wanted to kill our dreams, doubters, sceptics, etc, but our refusal to be drawn back into the status quo has given us the freedom we so much desired.

We can only thank God that he gave us the grace to follow through with our new passion. You too, can achieve Profit Sharing if you set it as a goal and work towards achieving it. Great achievers are goal-focussed and stay on it. Refuse to give up and stay away from dream-killers – do this, and you will not be far from achieving your dreams.

Jeg er selv blevet hjulpet så meget af produkterne fra forever, så jeg gerne vil hjælpe andre ved at fortælle om forevers produkter, og så følger forretningen mange gange med.

Jeg har et udlejningsfirma, som jeg har arbejdet med i mange år, og her passer foreverfirmaet godt sammen med, arbejdsmæssigt og kontakt til nye mennesker.

Jeg glæder mig til, for fjerde gang at modtage profitshare check af Rex – og håber at gøre det mange år ud i fremtiden, ved hjælp af min skønne gruppe.

Forever has helped me so much, so I want to help others by telling them about Forever's products – and this way business often follows.

I have, for several years, rented out apartments as well and the Forever business fits well alongside, especially in terms of contact with new people.

I'm delighted to receive Profit Sharing from Rex for the fourth time – and hope to do so for many years to come with the help of my outstanding and hard-working organisation.

My mum asked me to look at the Forever opportunity for six years. Finally I did and I haven't looked back, and now I am building a secure future for my children Will and Rosie!

Achieving Profit Sharing for a second year is testament of an amazing team of whom I am very proud. Profit Sharing is about team focus, belief and drive. It is not an incentive you can do on your own and now I cannot wait to help my team achieve the same with my goal firmly set on Level 2. They have seen me do it so they know that they can too.

We have the most amazing Marketing Plan and I feel blessed to be part of such an inspirational Company where you cannot achieve unless you are prepared to help others first. Anybody can do it, you just have to be prepared to put some hard work in, learn the basics, never let failure be an option and work on yourself - there is always somebody that believes in you. Thank you to Jayne Leach for always believing in me, my mum Jan Whittaker for not giving up on asking me to look at Forever, and Rex and his family for giving so much.

Die Qualifikation für das Profit Sharing bedeutet für mich, an der Leiter zum großen Erfolg angekommen zu sein. Nun gilt es, sie weiter zu ersteigen.

Vorraussetzung ist, die Chance zu erkennen, die das wunderbare Geschäft mit FOREVER bietet – Wohlbefinden und finanzielle Unabhängigkeit in Einklang zu bringen - eine Portion Glück, mit einer so vorbildlichen, kompetenten Upline zu arbeiten, Geschäftspartner zu haben, die mit Freude ihr Ziel verfolgen, und schließlich Disziplin und Hartnäckigkeit.

Hier im täglichen Geschäft schätze ich besonders die wertvollen Empfehlungen und unterstützenden Aktivitäten meiner Upline, die ich hilfreich an meine aktiven Partner weitergeben kann.

Qualifying for Profit Sharing means having arrived on the ladder to success. The challenge now is to continue climbing that ladder.

The prerequisite is to recognise the opportunity that this wonderful enterprise Forever offers, to harmonise health and financial independence, to be lucky enough to work with such an exemplary, competent Upline, to have team members who pursue their goals with pleasure, and ultimately, with discipline and persistence.

Every day, I especially appreciate the valuable tips and support from my Upline, which in turn, I am able to pass on to my team.

We have worked hard to build a Forever team around our children's hectic schedule and our pre-existing family business. Achieving Profit Sharing has been the icing on the cake for us in what has been an exciting year of growth in 2011.

When we were in the foothills of our journey, some of the bigger incentives felt so far away. There were times when Profit Sharing looked like too big a mountain to climb. But with the help, guidance and dedication of a few very special people...we did it!

Our hope is that we can inspire others in our team and within Forever more widely, to strive for Profit Sharing themselves. Qualification can be done in the early years of building your own Forever business so go for it!

Forever – an opportunity to be taken seriously. This is our first cheque, and it is a great feeling, as if a new door has opened... Profit Sharing was our dream; we set goals and the dream came true. We also believe in the power of setting a good example. We want to be a role model for our group to show them everything can be achieved through hard work. Regardless of level, we all do the same basic job every day. Profit Sharing is a great example of the Company's reliability and credibility. Be the best shop window for your business – build a good, sound foundation for your work. In this job, speed is not necessarily a virtue – after all, we are working with people! Enjoy the journey!

Das Profit Sharing ist eine einzigartige Herausforderung und hat einen besonderen Stellenwert für uns. Mit diesem Incentive kommt automatisch mehr Stabilität und Wachstum in die Organisation, weil neue Kunden und Vertriebspartner dazu kommen. Man ist dadurch auch angehalten, immer wieder die Basisarbeit selber zu tun. Wenn Sie bei FOREVER Incentives anstreben und auch erreichen, wird ihr Geschäft auch mit absoluter Sicherheit wachsen. Die Voraussetzung zur Erreichung jedes Incentives ist jedoch eine glasklare Zielsetzung und Planung. Dies hängt ganz alleine von Ihnen selbst ab. Sprechen Sie mit Menschen über unsere tollen Produkte und über die Geschäftsmöglichkeit. Meine Tipps für Sie: Begeistern Sie sich für die Produkte und eignen Sie sich sehr gutes Produktwissen an. Setzen Sie sich klare Ziele. Stehen Sie immer wieder auf. Arbeiten Sie in die Tiefe und geben Sie niemals auf.

Profit Sharing is a unique challenge and has special value for us. This incentive automatically provides more stability and growth in the organisation because new Customers and Distributors come along. You are thereby urged to do the basic work yourself again and again. If you achieve incentives with Forever, your business will definitely grow too. To reach an incentive, a clear objective and planning is essential. It depends on you – always speak with people about our great products and about the great business we offer. My tips; Be enthusiastic about the products and acquire very good product knowledge; set yourselves clear goals; get up again and again; Work hard and never give up.

Sabırla, inançla ve durmadan çalıştık. Üç buçuk yıl içinde ben ve eşim tüm borçlarımızdan kurtulduk ve yeni bir ev aldık. Біз Қожалымовтар отбасы осы бір ғажап мүмкіншілік-тер туралы спонсорларымыз Шайдаева Балжаннан естідік. Ә дегеннен маған ұнағаны өнімдердің алоэдан жасалғандығы, себебі мен жоғары білімді провизор фармацевтпін. Осы компанияға бізді әкелген Евро-ралли-Лондонға саяхатқа шығу мүмкіндігі бірден осы шартты қайткенде де ұтуға бел будық. Біздердей пен-сия жасындағы адамдарға бұл бір үлкен бақыт еді. Қалауымыз мықты болды ма 2010 жылы Лондоннан бірақ шықтық. Оған қатысқаннан кейін өзімізге мақсат қойдық. Компанияның осындай шараларының бір де біреуін жібермейміз дедік. 2009 жыл 7 июнь Фореверге кірген күн. Қазіргі статусымыз сениор менеджерміз. 2011-2012 жылдары компанияның Игл менеджер бағдарламасына сәйкес 2 рет орындадық. Биыл сәтін салып, Профит бағдарламасын ұтып, Будапешт қала-сында 4900€ үлесімізді алдық. Айтқанға қандай оңай, дегенмен де , компанияның қарапайым адамдарға жасаған осындай қамқорлығының арқасында мүмкін болып жатыр. Форевер компаниясына үлкен табыстар тілеймін.

We heard about this great opportunity from the Shaidayevs. I am a pharmacist with a higher education, and the first thing which attracted me is that the products are made from aloe. We travelled to London for the European Rally. It was a great occasion for pensioners like us! When we returned, we set a goal to go to every Rally. We are now Senior Managers, and have achieved Eagle Manager status twice and had the chance to travel to Budapest. Thank you for the possibilities given to us by Forever. Anyone can do it. We are delighted to have qualified for Profit Sharing again this year. As always, it's a joint effort and we greatly appreciate the work our team has put in over the past twelve months. Achieving Profit Sharing means the business has grown all round – our personal business, our team members' businesses and Forever's business – and this gives more stability and a better future for everyone. To achieve this result meant consistent focus, consistent activity, a consistent mind-set, consistent beliefs and consistent emotions. All too often, people come into the business and then take a meandering path. Sometimes they are busy and sometimes they do little, sometimes they feel positive and sometimes negative, sometimes they are excited and sometimes down, sometimes they keep their objectives in mind and sometimes they don't. We find that staying neutral and being consistent works – and this is what we teach our people. We look forward to more of our team achieving Profit Sharing themselves this year.

To me Forever is not work but an enrichment of my life. I support my team, which is very important to me. To this end, I work across as well as down into my Downline and I take care that I support all partners in the best possible way, so that every one of them can make their dreams come true. Also, I take every opportunity to attend Forever events and trainings to hear news, as well as to meet friends from other teams and to swap ideas. To me, the secret is to take great care of your team, to pass knowledge on joyfully and to accompany Distributors on their way to developing their own business. Forever means freedom to me!

WOW! Thank you 'The Forever Diamonds Group' and all the people in our group who, on a daily basis, go out and talk to people, some they know and some they don't, just to spread the word of Forever. By sharing the Business Opportunity and sharing the products, people around the world 'touch another Life' and shine Forever into their hearts. All we do is show people that Forever can be their light at the end of their tunnel if they really, really want it to be.

To achieve Profit Sharing again for the fifth time is just great. Each year I strive to share Forever with more and more people, and by helping those who want to grow their business, I am privileged to receive this wonderful cheque.

Forever is my Martini business - any time, any place, anywhere. The right one, the bright one, that's Forever!

My greatest wish is to help develop Managers in my group achieve Profit Sharing too. Nothing would give me greater pleasure than to see them have their own Profit Sharing cheques and we are working hard to ensure we are all together in 2013. Hawaii here we come.

Non of this would be possible if one man had not had the heart and forethought to put this amazing plan of recognitions together. My gigantic thanks to Rex, Gregg and the Maughan family.

Forever ile 2,5 yıl önce tanıştık. Forever de her şey mümkündür. İki buçuk yılda üç defa promosyon kazanarak yurt dışına gittik. İki defa Kar Paylaşımına hak kazandık. Forever ile çalışan arkadaşlarımıza mutlaka yurt dışı etkinliklerine katılmalarını tavsiye ediyoruz. Çünkü şirketin büyüklüğünü, azametini ve Avrupa da ne kadar ciddiye alındığını orada görebiliyorsunuz. 2013 yılında Eagle Manager olarak İtalya'da, Kar Paylaşımı etkinlikleri için de 2012'de Hawaii de buluşmak üzere!

We began with Forever two-and-a-half years ago. Everything is possible in Forever. During this time, having achieved incentives, we've travelled abroad three times. We qualified for Profit Sharing twice. We recommend everybody does business with Forever, and to attend foreign or overseas events. Because only then can you appreciate the enormity and grandeur of this Company. So, we hope to meet you in Italy for the Eagle Manager Programme and in Hawaii for the Profit Sharing Programme, in 2013!

Forever has already changed my life beyond all recognition. It has allowed me to leave my job so I am no longer a stressed hospital doctor with no free time and little freedom to live my life. Instead, I am able to make a difference in people's lives through the amazing Forever products and incredible Forever Opportunity. I feel truly blessed to have so many choices in life as a result and to be able to share the gift of Forever with others.

Achieving Profit Sharing is a very exciting and significant milestone. It represents a stable and secure business and therefore a stable and secure future. That is priceless, particularly in the current economic climate.

Congratulations to my team, the Paragon Team, for their contribution to this special recognition. With discipline, focus and persistence, you too can achieve Profit Sharing and everything that you dream of in your life.

Für mich ist das Erreichen des Profit Sharing und die Auszeichnung während der European Rally immer noch die Krönung des FOREVER Jahres. Das gezielte, konsequente, gut geplante Arbeiten mit allen Teampartnern führt dazu, dass man nicht nur alle anderen Incentives, wie den Senior Eagle Manager erreicht, sondern auch die Vorbereitung der nächsten Profit-Sharing-Generation! Ich weiss, allein erreicht man wenig, aber im Team ist das Maximum möglich. FOREVER ist die beste Lebenschule – es gibt nicht Schöneres als Erfolge mit den Teampartnern teilen und feiern zu können.

For me, reaching Profit Sharing and receiving the award during the European Rally are the high points of the Forever year. Targeted, consistent and well-planned work with everyone on the team not only helps to achieve other incentives like the Senior Eagle Manager, but is also the preparation for the next generation of Profit Sharing! I know that alone you can't achieve as much, but with a team the maximum is possible. Forever is the best school of life – there is nothing better than to be able to share and celebrate success with others.

I am so excited about qualifying for Profit Sharing for the sixth year. When I started my business, I was in a difficult financial position, and becoming a single parent. The Forever opportunity has enabled me to work around my boys, to take them to school and to be there for the important events. Now they are teenagers, the business has given me the financial stability to support them through their education, and to enjoy being around them when I choose. The business allows me to take time out to be there for them when they need me, which is why I decided to build this business, instead of getting a job.

Thank you to my amazing team. I am inspired by all of you, and so looking forward to seeing you achieve everything you want from the Marketing Plan in 2012!

We have been building our business for almost six years, from the date when the office was opened. In January this year, we reached the status of Soaring Manager. Прекрасен и неповторим человек в своей индивидуальности, но еще более прекрасно слияние людей в совместном творении. Сетевой бизнес – уникальная возможность для людей послужить на благо всех. Здесь избавляются от страхов и сомнений, здесь растет и совершенствуется человек. Алмаз негранный становится бриллиантом. Я рада видеть, как люди проявляют терпимость друг к другу и заботу, как скупость и зависть перестают мучить людей и заменяются новыми качествами, такие как щедрость и гордость за успехи других. Здесь «Я, Мне, Мое» заменяются принципом «Ты, Тебе, Для тебя». Трудности перестают быть проблемами, а становятся очередными задачами, которые надо решать. Профит сделали мои друзья – настоящие герои! За две недели закрыли 72 балла, за неделю - Игл менеджера. Теперь никто не боится делать новые уровни. Нас ждут новые победы и новый профит!

Each person is magnificent and unique in his individuality, but more magnificent is a team of people in joint creation. Here people remove their fears and doubts, here they grow and improve. I am glad to see how people show tolerance and care towards each other; the avarice and envy cease to torment people and are replaced with new qualities, such as generosity and pride of the success of others. Here “I”, “me”, and “mine” are replaced with “You”, “you”, for “you.” Difficulties cease to be problems. Profit Sharing has been achieved by my friends - real heroes! In two weeks they have reached 72 CC, in a week - Eagle Manager. Now nobody is afraid to strive for new levels. New victories and new rewards are waiting for us!

Jag är så tacksam över att jag fick möjligheten att jobba i Forever men också stolt över att jag antog utmaningen att bygga upp en egen business. Forever's affärskoncept är ett fantastiskt verktyg för alla som vill nå framgång och styra sin tillvaro. För mig handlar det bla om att kunna handplocka medarbetare, styra arbetstiderna utefter egna prioriteringar, utvecklas, få ett gott ekonomiskt utbyte och under resans gång ha riktigt kul!

Att jag för andra året i rad fått ta del av Profit Sharing känns som ett kvitto på att jag bygger min Forever business på rätt sätt.

Tack härliga team för Era prestationer och engagemang under 2011 - det har varit mitt hittills roligaste Forever år!

Jag ser ödmjukt fram emot ett nytt stimulerande och utmanande år!

I'm so grateful for the opportunity to work at Forever, but also proud that I accepted the challenge to build up my own business. Forever's business strategy is a fantastic tool for anyone who wants to succeed and take control of their life. For me, amongst other things, it's about being able to hand-pick staff, decide when I want to work according to my own priorities, develop, do well financially and have some real fun on the journey! The fact that I have been able to be part of Profit Sharing for the second year in a row feels like confirmation that I'm building my Forever business the right way.

Thank you to a great team for your performance and commitment in 2011 – this has been my greatest Forever year to date! I'm looking forward with humility to a new, stimulating, challenging year!

Kiitos Majlis-sponsorini, että jaksoit 4 vuoden ajan tarjota minulle Forever-mahdollisuutta. Tämä todellakin on SE minun juttuni ja Sinä jaksoit odottaa, että ymmärrän sen itsekin.

Kiitos Rex, että olet luonut näin uskomattoman kiehtovan liiketoiminnan, jossa kaikki on parasta.

Kiitos Gregg, Going Global vie mukanaan! Tulevaisuus tuntuu turvalliselta, kun saa rakentaa sitä Foreverissä.

До знакомства с этой великолепной компанией, как все повидал много хорошего и плохого. За время моего полета и падения я искал ту самую золотую середину для воплощения своих желаний. Но кто бы мог подумать, что оно кроется именно в ФЛП. Что привлекает меня здесь?! Здоровье, путешествия и финансовая независимость. В этой компании самая интригующая и самая приятная программа это - Деление Прибыли. Глава компании не оставляет трудящегося работника в сторонке, всех награждает подобающе. За все эти достижения, благодарен своим спонсорам и своей любимой команде. Огромное им спасибо за трудолюбие и за веру в меня. Спасибо Рексу за возможность пробовать алоэ с листа. С ФЛП мы достигнем наивысших высот, разрушим все стереотипы пройдем сквозь густые препятствия. Только умеющий и стремящийся достигнет в этой жизни всего.

I am a second year graduate student. I was searching for a way to fulfil my dreams. I found it in Forever. What attracts me to Forever? Health, travel and financial independence. For all these achievements, I am grateful to my Sponsors and my favourite team. I thank them with all my heart for their hard work and belief in me. Í sex ár höfum við hjónin notið þess að vera Profit Share-hafar. Þetta hefur verið okkur hvatning til að leiða betur höpinn okkar til vaxandi velgengni hjá Forever Living. Við höfum ekki kynnst því fyrr að fá greiddan að frá fyrirtæki án þess að eiga hlut. Sú breyting hefur einnig orðið á okkar högum, að við hættum að vinna annað en að kynna og selja vörurnar. Получив консультацию от спонсоров, мы начали усердно работать. В этом году в Венгрии, мы не могли найти для себя место и задавались вопросом: какой у нас будет чек??? Выйдя на сцену, мы благодарили Всевышнего, что послал нам такую возможность. Компания ФорEVER щедро награждает своих партнеров за их проделанную работу, без всяких сомнений. И у нас появилась новая мечта! Чтобы каждый наш партнер в следующем году тоже участвовал в разделении прибыли на Гавайских островах! This year, we got excited to think what size cheque we would receive, and standing on the stage we thanked God for the opportunity. We are absolutely delighted to have achieved Profit Sharing for the first time. This would not have been possible without the hard work of our team. With them achieving their goals, this enabled us to achieve ours too. Teamwork is such a valuable and critical part of this business and to coin a phrase, but it's very true, TEAM, Together Everyone Achieves More.

In 2011 I became more focussed on my business and found it's the little things that change your destiny. Something as simple as counting your Case Credits daily instead of weekly can have a great impact on your business as you are more clued into what is going on within your business and team. I also learned another valuable lesson...ask and you shall receive and constantly told myself I could do it even when the feeling was not there.

Profit Sharing is a huge commitment and you have to work hard, but the rewards are worth it and to quote my Upline, Pauline Keegan, "There is nothing for nothing." This is an amazing incentive; it's so exciting waiting backstage not knowing what your cheque is going to be until it is revealed! We hope to see many more next year being awarded in Hawaii!!

I truly believe, that if you can do your 4 CC each month, sponsor a team and show them how to do the same, that anyone can qualify for Profit Sharing. People think it is beyond reach; perhaps I was one of those people, but I now know that is definitely not the case and we look forward to sharing the plane to Hawaii with lots more of you in 2013! Profit Sharen saavuttaminen merkitsee minulle sitä, että olen saavuttanut yhden tavoitteistani: tehdä tämä työ mahdollisimman hyvin. Teen työtä suurella sydämellä ja rakastan työtäni. Olen myös onnekas koska koko perheeni tukee minua tässä työssä. Mielestäni näiden asioiden takia olemme nyt saaneet Profitin kaksi kertaa. Toivon voivamme olla hyvänä esimerkkinä muille, että Profit Sharing on mahdollista saavuttaa myös aika nopeasti. En tee tätä työtä saadakseni Profitin mutta koska pyrin tekemään työni mahdollisimman hyvin, olemme sen onnistuneet saamaan. Kiitollisena tästä työstä ja sen antamasta mahdollisuudesta.

To me, achieving Profit Sharing means that I have achieved one of my goals: to do this job as well as I can. I do this with all my heart since I love it. I also feel lucky because my family supports me in this work. In my opinion it is because of these reasons that we have received Profit Sharing twice. I hope we can be a good example to others, to show that Profit Sharing can also be achieved quickly. I am not doing this work to gain Profit Sharing, but in doing my work as well as possible, I have succeeded in achieving it. I am thankful for this job and for the opportunities it has provided.

2008 yılında, Forever'ın olağanüstü ürünlerini ve kuşkusuz İş Planını tanıyıp öğrendikten sonra hayatımız tümüyle değişti. Ekibimizle birlikte çok sıkı çalıştık. Bu sayede beşinci ayda Senior Manager seviyesine ulaştık ve Araba Planı'na hak kazandık. Birinci yılın sonunda Londra'da yapılan Avrupa Ralli'sine katıldık, Kar Paylaşımı'na hak kazandık ve Colorado'da yapılan Super Ralli'ye gittik. İkinci yılımla birlikte yepyeni bir arabamız ve yeni bir tripleks villamız oldu. Aynı zamanda Avrupa Rallileri ve Super Ralli'ye katılma hakkını elde ettik. Şu anda Senior Eagle Manager seviyesindeyiz. Biliyoruz ki "İnanırsanız, başarabilirsiniz." Bu nedenle inanıyoruz ve buna inanan insanlarla birlikte bir ekip çatısı altında çalışıyoruz. Düşleyen, isteyen, inanan, sabır ve başarıma tutkusuna sahip kişilerin yer aldığı yeni ekipler kurarak her gün daha iyi olmayı hedefliyoruz.

In 2008, our lives changed after meeting and learning about Forever's incredible products, and the Marketing Plan, of course. With our team, we really worked hard and by the fifth month we were Senior Managers and qualified for Car Plan. During our first year, we attended the European Rally in London, and qualified for Profit Sharing, and attended the Super Rally in Colorado. By our second year we had a brand new car and a new triplex villa, qualified for the Super and European Rallies. We are now Senior Eagle Managers. We know that, "You can make it if you believe in it." So, we do believe, and we work with people who believe in it too, as a team.

We aim to be better every day by creating new teams who dream, want, believe, and have patience and ambition.

Es ist fantastisch, dass wir durchs Profit Sharing die Möglichkeit haben, für kontinuierlichen Teamaufbau zusätzlich belohnt zu werden. Andere Menschen mit FOREVER in Kontakt bringen, ihnen zu helfen, ihre eigenen Ziele und Wünsche zu erreichen. Sie begleiten zu dürfen zu ihrem eigenen Erfolg und deren Entwicklung mitzerleben, ist eine Bereicherung für mein Leben. Dabei das eigene Ziel nicht aus den Augen verlieren und monatlich kontrollieren, wo man selbst steht. FOREVER ist Freiheit, Unabhängigkeit, Spaß, Freude, Lebensqualität, für mich der absolute Traumberuf. Nächstes Jahr, die Einladung nach Hawaii, ist natürlich ein zusätzlicher Ansporn wieder dabei zu sein.

It is fantastic to be rewarded by Profit Sharing for continuous team-building, for introducing people to Forever, and for helping them achieve their goals and desires. To be able to accompany them on their way to their own success and to witness their development enriches my life, whilst not losing the focus on one's own goals and checking one's own position every month. Forever means freedom, independence, fun, joy, quality of life, the absolute dream job. Of course next year's invitation to Hawaii is an added incentive.

Удивляет нескончаемая щедрость компании. Мы семья Нурмухановых Сабит и Арман участвовали в Делении Прибыли в первый раз. В прошлом году мы ездили на Европейское Ралли в качестве зрителей и болельщиков. В этом году уже сами участвовали в Делении Прибыли. Самым приятным было пожалуй то, что с нашей команды поехали 12 человек. Спасибо офисным работникам за их терпение и отзывчивость. Спасибо спонсорской линии за личный пример и помощь. Спасибо группе за выполненный объем работ. Всем желаем успехов и до встречи на Гавайях!

The endless generosity of the Company continues to surprise us. We have achieved Profit Sharing for the first time. Last year we went on the European Rally as spectators and fans. This year we participated in Profit Sharing ourselves. The most pleasant part was that we had 12 people from our team there. Thanks to the office staff for their patience and responsiveness. Thanks to our Sponsor's line for setting a good example and for their help. Thanks to our group for their hard work. We wish success to all and hope we will meet in Hawaii!

Da jeg startede, som Forever-forhandler i 2000 var jeg SLET ikke klar over de muligheder, der lå foran mig. Jeg ville blot tjene et supplement til min egentlige indtægt og anede intet om de kræfter, der ligger indbygget i vores forretningsplan.

Så jeg begyndte bare at sælge produkter uden at have de store, højtflyvende planer. Alt det, der siden er sket for mig i Forever er kommet i takt med at den virkelige kraft bag det hele er gået op for mig: De ufatteligt motiverende mennesker, som er i min organisation er i virkeligheden hele hemmeligheden bag hver eneste af mine succeser.

When I started out as a Forever Distributor in 2000, I had absolutely no idea of the possibilities that lay ahead. I just wanted to earn a bit of cash to supplement my standard income and had no idea of the power in our business plan. Everything that's happened to me since being with Forever has come as I've gradually realised the true power behind the concept. Truth be told, the incredibly motivated people in my organisation are the entire secret behind all my successes.

Мы семейная пара из города Атырау. Для нас огромная честь попасть в программу Деления Прибыли в этом году. Мы в первый раз были на Европейском Ралли и встреча с Рексом Моаном и Греггом Моаном и получение своего чека с их рук – это огромное событие для нашей семьи. Ведь мы не верили, что с нами это произойдет. Полтора года назад мы пришли в компанию ФорEVER Ливинг Продактс, чтобы просто попробовать продукцию. Это был июль 2010 года. Через полгода закрыли статус Менеджера и через год после подписки, в июле 2011 года мы активно и увлеченно стали строить бизнес. Мы настолько полюбили компанию и ее продукцию, что просто с легкостью и огромным удовольствием за последующие полгода закрыли План-Машину 1 уровень, статус Сениор Менеджера, Игл Сениор Менеджера, 3 уровень Европейского Ралли и наконец, программу Деления прибыли. Выражаем большую признательность своим Спонсорам и своим Партнерам. Ведь говорят, что «Успех – это не ключ к счастью. Счастье – вот ключ к успеху. Если вы любите свое дело, то будете успешными».

This European Rally was the first for us and it was a great event for our family, and getting our cheque from Rex and Gregg. In a year, we started to build our business full-time. We have become Senior Managers, Senior Eagle Managers, achieved Car Plan Level 1, European Rally Level 3 and lastly, qualified for Profit Sharing. We would like to thank our Sponsors and team. Success is not the key to happiness. Happiness – that is the key to success. If you love your business, you will succeed.

Receiving my second Profit Sharing cheque was a team effort. This is all about working together and helping them to achieve their own goals.

Life is a journey and for the journey to be worthwhile, you need an extraordinary vehicle. Forever is a phenomenal vehicle that can take you on that journey and create extraordinary lifestyles for you and the people you meet on the way.

I want to give God the glory for bringing Forever into my life at the time when I was desperate for a change and I give my thanks to the special people he brought into my team; they are in the process of creating a great lifestyle for themselves. I also give thanks for the people I am yet to meet who will also create the same great lifestyle.

E' sempre emozionante raggiungere la qualifica di Profit Sharing. Arrivare in una città magnifica come Budapest, rilassarsi in un Hotel a 5 stelle e passare due giorni con tutti i distributori europei, imparando e scambiando tante idee, sono opportunità magnifiche che solo poche aziende possono dare.

L'assegno e il raggiungimento di questa qualifica sono per noi il faro verso cui spingiamo la nostra attività e anche se in alcuni momenti sopraggiungono delle difficoltà, sappiamo sempre dove siamo diretti. Dall'anno prossimo si apre un nuovo "mondo" quello del Global Sharing e se con un po' di nostalgia salutiamo l'ultimo European Rally siamo già entusiasti di questa nuova avventura. Un ringraziamento particolare alla nostra Manager Silvana Finetti, a tutta la nostra down-line e alla nostra sponsor Lorraine Cornford. Tutti insieme ci hanno permesso di raggiungere per 5 anni consecutivi questa prestigiosa qualifica.

Qualifying for Profit Sharing it is always exciting. Being in a wonderful city like Budapest, in a luxury hotel for two days, and with European Distributors to learn and share ideas, what wonderful opportunities, that few companies would offer. Receiving a cheque and being recognised are beacons for our business and although sometimes difficult, we always know our goal. 2012, marks a new 'world', with global Profit Sharing. We say goodbye to the final European Rally but we are very excited about this new adventure. Special thanks to our Manager, Silvana Finetti, and our Downline and Sponsor, Lorraine Cornford. Together we've achieved this important status for five years.

Мы благодарим в первую очередь Всевышнего! Мы благодарим наших спонсоров сапфировых менеджеров Абуталиева Махфора и Доспаеву Галию за то что нас познакомили с компанией ФЛП. В очередной раз мы убедились в том, что компания щедро поощряет своих дистрибьюторов и горды за наших спонсоров, которые попали в 3 корзину по программе Деление Прибыли и получили 3-чек по Европе в сумме 335 560 евро. Для нас это первое Европейское Ралли и было вдвойне радостно получать чек перед такой большой аудиторией. Помимо этого мы сделали программу Игл менеджера. Начало есть. Теперь будем работать на Глобальное Ралли, который будет проходить на Гавайях! Всем желаем удачного года и большого терпения! Спасибо всем сотрудникам ФЛП.

First of all we thank God! We thank our Sponsors, Diamond Sapphire Managers Mahfor Abutaliyev & Galiya Dospayeva for introducing us to Forever. Once more, we witness the generosity of the Company and their encouragement of Distributors. Also, we are proud of our Sponsors who've received their third cheque, this time in the sum of €335,524. This is our first time and it was a joy to receive a cheque in front of such a large audience. Apart from this, we have achieved Eagle Manager and now we'll work even harder towards the Global Rally in Hawaii! We wish everyone a successful year – and persistence! Доброе утро! Именно так начинается для меня каждый новый день. Познакомившись с компанией ФЛП, я научилась радоваться жизни, научилась получать удовольствие от работы. У человека все когда-то бывает в первый раз. Для меня: Впервые поездка в Европу на Евро Ралли, закрыла уровень Игл-менеджера, выполнила программу план-машина, и, наконец - деление прибыли! Это же здорово! Разве я могла подумать, что два года назад, познакомившись с бизнесом ФЛП, поменяется моя жизнь, жизнь многих моих партнеров, и это правда! Благодарю Всевышнего! Благодарю моих спонсоров, поверивших в меня - Махфора Абуталиева, Галию Доспаеву, Фариду Хамметову. Благодарю мою команду, команду лидеров, которые как один сделали эту работу! Радость и счастье – это наш Выбор! Не позволяйте страху и огорчениям завладеть вашей жизнью. Поверьте в себя!

After three years with Forever, it was my honour and privilege to receive my first Profit Sharing cheque in Budapest.

It is hard to describe the excitement and anticipation as my husband, John, and I stood backstage waiting to meet Rex Maughan and receive our cheque. I was just so exhilarated and proud to be a part of such an amazing event and Company, and the well-wishes and congratulations from all the Forever Ireland team was overwhelming. The celebrations lasted the entire weekend with so many people asking me how I had achieved it. My advice to them is to touch your business every day and it is our duty to share this wonderful opportunity with absolutely everyone we meet.

At the Rally, I was inspired by all the training from the leaders in the Company and realise that this is only the start of a long road to helping as many people with this business as possible. Let's be the best we can be!

Thank you Forever for another Profit Sharing cheque.

Forever removed us from stressful, often cynical, corporate lives and introduced us to working with remarkable people who are open-minded, optimistic and kind.

It gave us a business model that rewards people who help others, financial security never experienced with previous jobs or businesses, and permission to dream again.

Profit Sharing typifies the fairness and generosity of Forever. There is no question of working hard and hoping you might be recognised or rewarded. Forever sets clear, transparent and achievable criteria, and every year they reward and celebrate you simply for following them!

Seeing people achieve Profit Sharing, and then their teams following in their footsteps, crystallises belief into total conviction. Profit Sharing has taken away the ability for anyone, ever, to say that Forever does not deliver everything it promises because we have seen it, felt it, experienced it.

We can only imagine what a six-figure cheque means if converted into people to work with, helping them to change bad habits, coaching them to become leaders of leaders, not only in your country but all around the world! Bu firma ile 2009 yılında çalışmaya başladık. İlk ay Süpervizör olduktan sonra, 2010 yılının Ekim ayına kadar ara verdik. Bu tarihte yeni ve güzel bir planlama yaptık ve 3 ayda Müdürlük kariyerine ulaştık. Ardından, 2011 yılı için özel bir plan ve program yaptı ve ciddi bir çalışmayla ekibimizde ki arkadaşlarımızın kariyerlerini yükseltmelerine yardımcı olduk. Network sisteminde ekip çalışmasının önemini bildiğimiz ve çalışmalarımızı bu yönde yaptığımız için, 2011 yılı Kar Paylaşım Programını 1. Seviye'den kazandık. Bu gün, ekibimizde ki bir çok arkadaşımız da bu hedefe ulaşmayı istemektedir. Biz de, bu başarıyı nasıl sağladığımızı ekibimize öğreterek, onların da Kar Paylaşımı Programına hak kazanmalarına yardımcı olmak istiyoruz. Çünkü ekibimizde bunu başarabilecek onlarca kişi var. Hedeflerimize ulaşmamıza yardımcı olanlar FLP'nin çalışma sistemi ve uyguladığımız eğitim modelleridir. Günümüzde, hayallerini gerçekleştirmek isteyen herkese bunu başarabilme fırsatı verilmektedir. Artık sırada Hawaii var. İlk hedefimiz kar paylaşımına hak kazanan ekip arkadaşlarımızla oraya gitmek olup, bu duyguyu yaşamak bile bizi yeterince heyecanlandırmaktadır.

We achieved Supervisor in our first month, and then had a break. With successful planning in three months we achieved Manager. Then we assisted our team to progress with their careers by planning and working hard and qualified for Profit Sharing. Today, we have lots of team members who enjoy achieving their targets. Now Hawaii is on the line. Our primary aim is to qualify with our team for Profit Sharing in Hawaii. Just thinking about that is enough to thrill us.

Meine Großmutter lehrte mich, in meine Zukunft immer mehr zu investieren, als ich dafür bezahlt werde, denn wenn man nicht bereit ist, das Ungewöhnliche zu riskieren, wird man sich mit dem Normalen begnügen müssen. Ich hatte den brennenden Wunsch, das Profit Sharing wieder zu schaffen – das hat mich motiviert und vorangetrieben. Die hervorragende Zusammenarbeit sowohl mit meinem Team, als auch linienübergreifend sowie die Unterstützung meiner Familie haben mir dabei den nötigen Halt und den Mut gegeben, dieses Ziel zu erreichen – besonders in Zeiten, wo nicht immer alles glatt lief. Aber ich habe nie aufgegeben, denn ich wollte mir auch selbst beweisen, dass ich meinen Zielen immer ein Stückchen näher kommen kann, wenn ich durchhalte. Getreu dem Motto: „Es gibt viele Möglichkeiten, man muss sie nur ergreifen“, habe ich dann auch neue Ideen zur Kontaktaufnahme von potenziellen Neukunden und Geschäftspartnern entwickelt.

My grandmother taught me to invest into my future, because if you are not ready to risk for the unusual, you will have to be content with the ordinary. I had the burning desire to achieve Profit Sharing again – this has motivated and energised me. The excellent cooperation from my team, as well as other teams, and the support of my family have given me the necessary backing and the courage to reach this goal – particularly in times when everything hasn't run smoothly. But I have never given up, because I also wanted to reach my goals. True to the motto 'There are many possibilities; one has only to seize them', I have also developed new ideas to establish potential new Customers and team members.

Seit drei Jahren mit FOREVER unterwegs, habe ich immer gedacht, dieses Incentive sei noch weit weg für mich. Da die Schweiz über Deutschland und Österreich plötzlich im Profit-Share-Programm stand, musste mich entscheiden. Wenn ich es nicht mache, bin ich nicht mehr im Presidents' Club. Dies wiederum wäre ein schlechtes Vorbild für mein Team gewesen und so habe ich mein Äußerstes gegeben. Daraus ist der Senior Manager für mich entstanden und bereits einen Monat später ein weiterer Manager in der Tiefe. Und jetzt steht der nächste Manager in der dritten Linie vor der Tür. Insgesamt also ein Riesenturbo für mein Geschäft. Da das Profit Sharing in die finanzielle Freiheit führt, gehe ich den Weg einfach weiter, bis ich angekommen bin. Danke, FOREVER!

Having been involved with Forever for three years, I've always thought that this incentive was out of my reach. As Switzerland was suddenly ahead of Germany and Austria in the Profit Sharing programme, I had to make a decision. If I didn't do it, I wouldn't be in the Presidents' Club any longer. This in turn would have set a bad example for my team and so I gave it my best shot. This resulted in my becoming Senior Manager and, just a month later, the next Manager in the line. And now the next Manager in the third line is just around the corner. So, overall, things have moved at lightning speed for my business. As Profit Sharing offers financial freedom, I shall simply keep going until I reach the top. Thanks, Forever!

It was in Budapest four years ago that we attended our first European Rally and really started to dream about Profit Sharing. Until then, it was just photos in a magazine and enchanted tales from other Distributors who had been. It seemed very fitting that it would be on our return to Budapest this year that we would receive our first Profit Sharing cheque. Our dreams, which we turned into goals, had come true, and with great leadership from our Upline and plenty of hard work from ourselves and our amazing team, we were there; first in line, backstage dressed from head to toe in country pride, full of excitement, nerves and laughter.

It is amazing to think, that in just a few short years, we have been able to build a business part-time, around three small children, which is now our sole income. We are so grateful that we had the security of Forever in our lives when James was made redundant from his full-time job last year.

Profit Sharing is achievable for everyone in Forever, but you can't do it on your own. It was only by building a team and helping them to achieve their goals that we were able to achieve ours. We are so proud of the people within our team and would like to sincerely thank them for all that they do on a daily basis. Our goal for this year is to be part of Forever's Global Rally in Hawaii in 2013, not only for us to achieve Profit Sharing ourselves, but also to help at least one member of our team pick up a cheque too. See you in Hawaii!
