1. Introduction

The Forever Living Products companies (FLP) are unique in the utilization of their concept that encourages and supports the use and retail sales of its products through independent Distributors worldwide. FLP is a family of related companies with Distributors marketing FLP products throughout the world. FLP provides its Distributors with the best quality products, support staff and marketing plan in the industry. It is unique in utilization of Forever Team Marketing. The affiliated companies and their products provide an opportunity for consumers and Distributors to improve the quality of their lives from use of FLP products, and equal access to success to anyone willing to properly work the programme. Unlike most business opportunities, there is little financial risk to FLP's participants, since no minimum capital investment is required and the Company provides a liberal buy back policy.

Our companies do not represent that a Distributor will achieve financial success without working or by relying solely on the efforts of others. Compensation in the FLP companies is based upon the sale of its products. A Distributor is an independent contractor whose success or failure depends on his or her personal efforts.

The FLP Companies have a long history of success. The fundamental goal of FLP's marketing plan is to promote the sale and use of the Company's high quality products to consumers. The primary purpose of Distributors is to build a sales organization to promote the sale and use of the Company's products to consumers.

Independent Distributors at all levels of the Forever Living Marketing Plan are encouraged to make retail sales each month and keep records of such sales.

Successful Distributors gain current knowledge of the market by attending training meetings, maintaining their own personal retail customers and sponsoring others to sell retail.

2. Definitions

- 2.1 Any person who purchases product for their own personal use is a **“Retail Customer.”**
- 2.2 A **“Case Credit”** is a unit of measurement for advancements, bonuses, awards and earned incentives for Distributors as set forth in the FLP Marketing Plan. One Case Credit is awarded for each one hundred and sixty dollars (\$160) of FLP products purchased from the Company.
- 2.3 The **“New Distributor”** Level is a Distributor who has not yet achieved the level of Assistant Supervisor.
- 2.4 A **“Distributor”** is a person, 18 years of age or older, who has completed a Distributor Application form and has been personally certified at a Company-approved Opportunity Meeting, or by a Company-authorized representative. Distributors purchase product directly from the Company at the published wholesale price.
- 2.5 An **“Active Distributor”** is a Distributor who has four or more case credits of Personal Accredited Purchases for the month, at least one of which is personally acquired. Personal Accredited Purchases can be acquired personally or from personally sponsored New Distributors. The Active status of a Distributor is established each month.

3. Warranty, Guarantee, Product Return and Buy Backs

- 3.1 The following time periods shall apply except where modified by local law.
- 3.2 FLP warrants satisfaction and guarantees its products are free from defect and substantially conform to product specifications. For all FLP products exclusive of literature and promotional products, this warranty and guarantee shall be for a period ending thirty (30) days from date of purchase.

Retail Customers

- 3.3 Retail Customers are guaranteed 100% product satisfaction. Within thirty (30) days from the date of purchase, a Retail Customer may (a) obtain a new replacement for any defective product; or (b) cancel the purchase, return the product and obtain a full refund. In all cases, proper notice, proof of timely purchase and timely return of the product is required to be given to source of purchase. FLP reserves the right to reject repetitive returns.
- 3.4 When FLP products are acquired from or through an FLP Distributor, that Distributor is the primary party responsible for customer satisfaction by exchanging the product or refunding the money. In the event there occurs a dispute, FLP will determine the facts and resolve the issue. If cash is disbursed by FLP, the same will be charged back to FLP Distributors who benefited from the product sales.

Refund and Buy Back Procedure For Distributors

- 3.5 During the respective stated periods of warranty and guarantee, FLP will provide a new replacement of the same such product in exchange for the defective product or for one that has been returned to a Distributor by a Retail Customer for lack of satisfaction. Such replacement shall be subject to validation of presented proof of timely purchase. In addition, for replacements of products to a Distributor for product returns by Retail Customers, a proof of sale to the Retail Customer and written proof of cancellation along with a signed receipt for return of funds as well as the return of product or empty containers will be required. Such purchase must have been by the party returning the product. Repetitive returns of product by the same parties will be rejected.

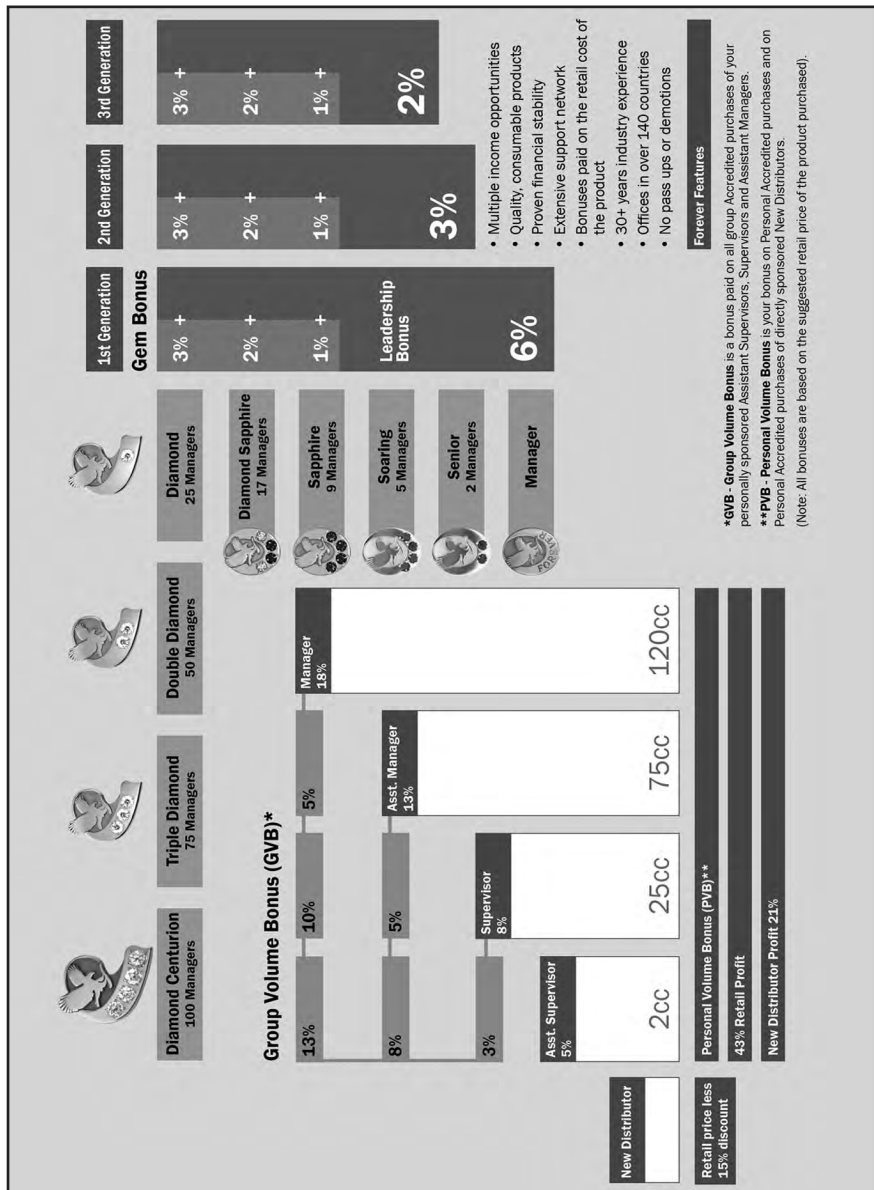

- 3.6 FLP shall buy back any unsold, salable FLP product that has been purchased within the previous twelve (12) months from any FLP distributor who terminates their FLP Distributorship. Such buy back will be accomplished by the terminating distributor first giving written notice to FLP of their intent to terminate their FLP Distributorship and forgo all rights and privileges relating thereto. The terminating distributor must complete a Product Return form and return all Product for which a refund is being claimed, along with proof of purchase to FLP. If the product returned by a terminating distributor is greater than 4cc, all bonuses and case credits received by the terminating distributor's upline for the products returned, may be deducted from the upline. If the case credits were used for any level move-ups of the distributor or upline, those move-ups may be re-calculated after deducting the case credits to determine if the move-ups should remain in force. If a terminating distributor returns a Touch of Forever or any other Combination Pak, and it is missing some product, the refund will be calculated as if the entire Combo Pak was returned, and then the wholesale value of the missing components will be deducted from the refund issued. After verification of the facts, the Distributor will receive a refund cheque from FLP in the amount equal to the Distributor's cost of the products being returned, less the bonuses personally received by them from their original purchase and the cost of handling, freight and any other appropriate setoffs. After recouping any costs or damages resulting from the terminated distributor's adverse conduct, if any, FLP will remove the Distributor from the FLP Marketing Plan, and his/her entire downline organization will move up directly under the terminating Distributor's Sponsor in their current generation sequence.
- 3.7 The "Buy Back Rule" is designed to impose upon the Sponsor and the Company the obligation to ensure that the sponsored Distributor is buying products wisely. Distributors may not buy more product than they can use for their business and personal needs. The Sponsor should make every effort to provide recommended guidelines to Distributors so that they purchase only as much product as is required to meet immediate sales needs, and that additional products be purchased only after 75% of that product's inventory has been sold, consumed or otherwise utilized. Products previously certified as having been sold, consumed or utilized shall not be subject to repurchase under the "Buy Back Rule."

- 4.18 Bonuses are calculated according to positions within the marketing plan. Bonuses are paid at the current level attained. Example: If an Assistant Supervisor receives 30 personal case credits in 1 or 2 consecutive calendar months, they will earn 5% on any personal purchases within the first 25 case credits and 8% on any personal purchases within the remaining 5 case credits.
- 4.19 New Manager Example: If an Assistant Supervisor has Accredited Purchases of 150 case credits in a calendar month, achieving the level of manager, their active Sponsor will receive full case credit for the first 120 case credits. The remaining 30 case credits of Accredited Purchases will be adjusted at 40%, 20% and 10% for the upline Leadership Bonus Qualified Managers accordingly.
- 4.20 An Assistant Supervisor, Supervisor or Assistant Manager does not receive a G.V.B. on any Distributor in the sponsored group who is at the same level in the marketing plan. However, these levels will receive case credits from such sources for move-up in the marketing plan.

If a downline Manager qualifies during the same one or two consecutive month period, the Distributor will be a "Recognized Manager" if (1) they are personally active during the same one or two month period, and (2) they have at least 25 personal and/or Non-Manager case credits in the final month of qualification from Distributors in downlines other than the downline Manager moving up in the same month.

5. Leadership Bonus (L.B.)

5.1 After a Distributor becomes a Recognized Manager, that person should support their various downlines with the intent of helping them achieve success as an FLP Distributor.

5.2 A Leadership Bonus can be paid at the following rates to Recognized Managers who have downline Managers:

- 6% Bonus paid on all 1st Generation Managers and their group orders.
- 3% Bonus paid on all 2nd Generation Managers and their group orders.
- 2% Bonus paid on all 3rd Generation Managers and their group orders.

Managers are also allocated case credits based on the accredited sales of their downline Manager's groups, as follows:

- 40% of total case credits of first-generation Managers and their groups.
- 20% of total case credits of second-generation Managers and their groups.
- 10% of total case credits of third-generation Managers and their groups.

5.2.1 The Leadership Bonus and Leadership Case Credits (40%-20%-10%) of a Manager who does not qualify for Leadership Bonus will be proportionately distributed to the upline Leadership Bonus Qualified Managers.

5.3 An Active Recognized Manager becomes a Leadership Manager once they have developed a downline Manager, and may qualify to receive their Leadership Bonus if they have Accredited Purchases of 12 or more personal and "Non-Manager" case credits per month. "Non-Manager" case credits are those that do not pass through a Manager (Active or Inactive).

An Active Recognized Manager can reduce the monthly requirement from 12 case credits to 8 case credits, by having two separate downlines with Active Recognized Managers who have Accredited Purchases of at least 25 or more case credits per month, as reflected on each downline Manager's recap from the previous month.

In addition, an Active Recognized Manager can reduce the 12 case credits to 4 case credits per month by having three separate downlines with Active Recognized Managers who have Accredited Purchases of at least 25 or more case credits per month, as reflected on each downline Manager's recap from the previous month. The 25cc of the downline Active Recognised Manager can be comprised of their own personal and non-Manager business and/or the 40%, 20% 10% of their downline groups.

- 5.4 Any Active Recognized Manager's downline, which has Accredited Purchases of at least 25 or more case credits per month, as shown on the previous month's recap, will count towards the reduction in all upline Managers' minimum case credits of 12, 8 or 4 case credits.
- 5.5 When an Active Recognized Manager generates 12 personal and non-manager case credits, he/she qualifies for all corresponding Leadership Bonuses.
- 5.6 When an Active Recognized Manager has two separate downline Active Recognized Managers who have accredited sales of 25 case credits or more reflected on each downline manager's recap from the previous month, the personal and non-manager case credits will be reduced from 12 case credits to 8 case credits.
- 5.7 When an Active Recognized Manager has three separate downline Active Recognized Managers who have accredited sales of 25 case credits or more reflected on each downline manager's recap from the previous month, the personal and non-manager case credits will be reduced from 12 case credits to 4 case credits.
- 5.8 If a Recognized Manager is not Active (see 2.5) for three consecutive months or more, he/she is not eligible for a Leadership Bonus. In order to start receiving a Leadership Bonus, he/she must be Active and have Accredited Sales of 12 or more Personal and Non-Manager case credits for three consecutive months prior to re-qualifying for a Leadership Bonus in the fourth month. These 12 case credits of Accredited Sales must occur in the country of residence.

- 9.9 Total case credit volume is based on personal group cases, plus 40% of the group cases for any 1st Generation Managers, plus 20% of the group cases for any 2nd Generation Managers, plus 10% of the group cases for any 3rd Generation Managers.
- 9.10 All Managers who have five (5) personally sponsored Active 1st Generation Recognized Managers during the third qualification month and all subsequent months during the 36 month period will be required to have a total volume of only 110, 175 or 240 case credits, for levels 1, 2 and 3 respectively. For every five (5) additional personally sponsored Active 1st Generation Recognized Managers during the third qualification month, and all subsequent months during the 36 month period, the case credits will be reduced by an additional 40 case credits for level 1, 50 case credits for level 2, and 60 case credits for level 3. When a Manager has twenty-five (25) or more personally sponsored active 1st Generation Recognized Managers in any given month, the total case credit requirement for their earned incentive will be waived for that month.

| 1st Generation Recognised Manager | 5 | 10 | 15 | 20 | 25 |
|--|----------|-----------|-----------|-----------|-----------|
| Level 1 CC requirement | 110 | 70 | 30 | - | - |
| Level 2 CC requirement | 175 | 125 | 75 | 25 | - |
| Level 3 CC requirement | 240 | 180 | 120 | 60 | - |

- 9.11 After completing the third qualifying month for an Earned Incentive, a Distributor may qualify for a higher incentive level the very next month. For example, a Distributor qualifies for level 1 in January, February, and March. This Distributor will be eligible to qualify for level 2 or 3 in April.
- 9.12 At the end of the 36 month period, a Distributor may requalify for a new earned incentive using the same qualifications as outlined above. This requalification can be satisfied during any 3 consecutive months during the 6 month period immediately prior to the end of the original 36 month period.

10. FLP Super Rally

- 10.1 Managers who meet minimum annual case credit requirements of 1,500 cases from April 1 through March 31 of each year will qualify for an expense-paid trip to the next FLP Super Rally, plus \$500 spending cash. The Manager will meet the Executive Staff and attend the Rally, trainings and motivational meetings. Managers qualifying for the first time will also attend the Post Rally Tour.
- 10.2 Once Managers have qualified for the FLP Super Rally, they can requalify in future years by achieving 1,500 case credits during the contest period. This would qualify them to attend the FLP Super Rally only. Managers can also qualify to attend the Silver Post Rally Tour by achieving 2,500 case credits during the contest period.
 - 10.2.1 Managers who achieve 2,500 case credits will qualify for the all expense-paid Silver Post Rally Tour, plus receive an additional \$500 spending cash (for a total cash award of \$1,000).
 - 10.2.2 Managers who achieve 5,000 case credits will qualify for an additional \$1,000 spending cash (for a total cash award of \$2,000), plus special recognition at the Super Rally and use of the VIP lane for checkout in the Rally shopping area.
 - 10.2.3 Managers who achieve 7,500 case credits will qualify for an additional \$1,000 spending cash (for a total cash award of \$3,000), plus a special session with the Company VP during the Silver Post Rally Tour.
 - 10.2.4 In addition to the above, Managers who achieve 10,000 case credits will receive an upgrade to fly Business Class to and from the Super Rally.
 - 10.2.5 For the Silver Post Rally Tour only: Qualifying distributors who wish to bring their children may do so, providing that they agree to the following:
 - a) All transportation, lodging, meal, and miscellaneous expenses for the children must be paid for by the distributors.
 - b) No children will be allowed in meal functions or other activities; i.e. day trips, beach activities, etc.
 - c) We are not able to accommodate children on the chartered air flights. Therefore, distributors would need to make separate flight arrangements for their children; and, if it is necessary for the distributors to travel with their children, the distributors would be required to pay for their own airfare as well.
- 10.3 In order to achieve the 1500 or 2500 cases credits awards a distributor may combine cases credits from all the countries where they have a group. It is the responsibility of the distributor to provide to their Home Office by April 30th the proof of cases credits earned in other countries.

10.4 It is not permitted to combine case credits for the FLP Super Rally awards that are less than 1500 cases.

10.5 A distributor may qualify in their domestic countries for the following awards:

| | |
|---------------------------|--|
| 1 000 case credits | Three night's lodging and two Rally wristbands |
| 750 case credits | One night's lodging and two Rally wristbands |
| 500 case credits | Two Rally wristbands |
| 250 case credits | One Rally wristband |

11. Manager Status and Requalifications

11.1 Inherited Managers

When a Manager terminates, their entire downline organization will be moved up directly under the terminated Manager's present Sponsor and will remain in their current generation sequence.

11.2 If the terminated Manager is a Sponsored Recognized Manager, and also has any 1st Generation Recognized Managers in their organization, these Managers will be classified as "Inherited Managers" in their newly appointed Sponsor's 1st Generation. However, one of these managers may be selected as a "Sponsored" Manager to replace the terminated first generation manager.

11.3 "Inherited Manager" does not affect the volume bonuses or leadership bonuses paid to any Manager or their upline. The activity of an "Inherited Manager" however, does not count for qualification for the Gem Bonus, case reduction for the Earned Incentive Programme, for obtaining Gem Manager status, nor for any other programme.

Transferred Managers

11.4 A Manager who internationally Sponsors into a country other than his/her original country of sponsorship shall be a "Transferred Manager." "Transferred Managers" do not count toward Gem Manager status, qualification for Gem Bonus, case reduction for the Earned Incentive Programme, nor for any other programme.

Activity Qualification

11.5 Supervisors, Assistant Managers or Managers who do not achieve Active status (see 2.5) will not be paid a volume bonus on their group that month, and shall not be considered an "Active Distributor." Any unearned bonus will be paid to the next Active Distributor upline. In turn, their bonus will be paid to the next Active Distributor upline and so on. Distributors who forfeit any bonus may requalify the following month (with no retroactive application) as an Active Distributor.

11.6 All case credits are calculated on a calendar month. Example: January 1 through January 31, April 1 through April 30, etc.

Requalification Procedures

11.7 If you are an Unrecognized Manager, you can requalify as a Recognized Manager by meeting the following requirements:

- a) You must be Active with 4 Personal Case Credits (see 2.5), and
- b) You must have a total of 120 case credits (cc) of Personal and Non-Manager Accredited Purchases in one or two consecutive months. You can use the case credits that were not associated with a downline Manager move-up from the final month you moved up to the position of Unrecognized Manager to requalify as a Recognized Manager, provided that the requalification occurs during the month immediately following.

- c) From the date that you achieved the 120 Personal and Non-Manager case credits, you will begin to accrue Leadership Bonuses and Leadership Case Credits on orders placed after that date, as long as you have qualified as a Leadership Bonus Manager (see Section 5).

11.8 If you are a Transferred or Inherited Manager, you can requalify as a Sponsored Manager by meeting the following requirements:

- a) You must have a total of 120 case credits (cc) of Personal and Non-Manager Accredited Purchases in one or two consecutive months, and
- b) You must be Active with 4 Personal Case Credits during the months the 120 cc are generated (see 2.5).
- c) If requalifying in a foreign country, you must achieve Active status (see 2.5) either in your home country (your country of residence) or in the country where you are achieving Sponsored Manager status.

12. Responsoring Policy

- 12.1 An existing Distributor who has been a distributor for at least 24 months and who has not purchased any FLP Products for a minimum of twenty-four (24) months, from the Company or from any other source, and has not received any other payments from an FLP Distributor during that same time frame, may be considered for re-sponsoring. The existing Distributor cannot have sponsored any other individuals into the FLP business during the previous twenty-four (24) months. The Distributor being re-sponsored will be required to sign and have notarized an affidavit under penalty of perjury with respect to the above policy before re-sponsoring will be allowed. A Change of Status form signed by both the Distributor and the intended Sponsor will also be required.
- 12.2 Re-sponsored Distributors begin again at the Distributor level under their new Sponsor and lose any downline acquired to that point in all countries into which they are sponsored, and will not count towards the sponsoring requirements under the Profit Sharing Incentive Programme, nor any other incentive.

13. Ordering Procedures

13.1 All Distributors may order directly from the Company.

- New applications can only be processed if they are accompanied by an order for a minimum of 2 case credits.
- A Distributorship can only be held in the name of an individual person who is 18 years or older. i.e. no other form of business entry is allowed.

13.2 All orders must be accompanied by either

- a) credit cards
- b) debit cards
- c) direct bank deposits

PLEASE NOTE: WE DO NOT ACCEPT CHEQUES

13.3 After purchasing the first 2cc order, the minimum distributor order is \$100.00 wholesale value of product, excluding VAT.

13.4 All orders must be placed with an authorized FLP product center, Telesales at 080-FOREVER (080-3673837) or via the Internet.

13.5 Check all orders upon receipt and notify your FLP product center immediately of any discrepancy in condition or quantities or, if ordered over the Internet, contact Telesales at 080-FOREVER (080-3673837).

13.6 All orders with appropriate payment must be submitted to an authorized FLP product center, via Telesales (080-FOREVER/080-3673837) or via the Internet by 4:00p.m. (SA. time) on the last calendar day of the applicable month to qualify for a bonus generated for that month.

13.7 All orders are subject to, and all deliveries conditioned on, the final acceptance by the Head Office of FLP in Cape Town. Your receipt of bonus is evidence of acceptance by the Home Office.

13.8 When ordering a product that was the subject of a prior order, the Distributor is certifying to the Company that 75% of the prior order of that product has been sold, used or otherwise utilized in their business.

13.9 Distributors are authorized to purchase product for the purpose of using said product in their business and for their personal use in the country of their domicile. Distributors are not authorized to purchase product for the purpose of exporting said products to a country outside the country of their domicile except for their personal and family use in a country where there is no authorized FLP office, without the written consent of the Home Office in Scottsdale, Arizona, USA.

13.10 A Distributor may not order more than 25 case credits in any calendar month without prior Home Office approval.

13.11 Bonus Buying Prohibited

Bonus buying is strictly prohibited. "Bonus Buying" includes: (a) the enrollment of individuals without the knowledge of and/or execution of an Independent Distributor Application and Agreement by such individuals; (b) the fraudulent enrollment of an individual as a Distributor; (c) the enrollment or attempted enrollment of non-existent individuals as Distributor or Customer ("phantoms") to qualify for commissions or bonuses; (f) any other mechanism by which strategic purchases are made to maximize commissions or bonuses when a Distributor does not have a bona fide use for the products purchased.

14. Legal Requirements

14.1 Independent Contractors

- 14.1.1 All Distributors are considered Independent Contractors. They are required to conduct their business within the terms of the Distributorship Agreement, and in compliance with the Company Policies that are applicable in the country in which they are conducting business.
- 14.1.2 An FLP Distributorship consists of the Distributor and the Distributor's spouse, or the sole individual as it appears on the Distributor Application form on file at the Home Office in Cape Town.
- 14.1.3 Couples shall be sponsored together on the same Distributor Application form. Couples cannot sponsor each other. If one spouse chooses not to be an FLP Distributor, the spouse acting as an FLP Distributor expressly agrees and understands that his/her Distributorship may be terminated for any actions taken by the non-Distributor spouse which would violate Company policies.
- 14.1.4 Distributor relationship with FLP is one of a contractual nature. Only adult individuals, 18 years of age or older, may contract with FLP to be Distributors.
- 14.1.5 FLP agrees to sell such Distributor product and pay volume bonuses as provided in the Company Marketing Plan, provided such Distributor is not in violation of such Distributor's contract with FLP.
- 14.1.6 In the event that the downlines of a distributor sponsor into a foreign country and they have not previously been sponsored into that country, the distributor will be automatically sponsored into that foreign country and agree to the prevailing policies and local laws of that foreign country and agree to be bound by the dispute resolution policies set forth herein.

14.2 Company Policies

- 14.2.1 Company Policies have been implemented to provide restrictions, rules and regulations for proper sales and marketing procedures and to prevent improper, abusive or illegal acts. Such Company Policies are revised, modified and added to, from time to time.
- 14.2.2 Each Distributor has an obligation to become familiar with the Company Policies.
- 14.2.3 Each Distributor, upon signing the Distributor Application form, agrees to abide by FLP Company Policies. Language thereon specifically refers to the Distributor's contractual commitment to follow FLP's Company Policies. The placing of orders for product with FLP is a reaffirmation of such commitment to abide by the Company Policies.

- 14.2.4 Any transfer other than by inheritance of a Forever Living Products Distributorship is against company policy. Without prior company approval, such transfer will be void. For the purpose of this provision, a change of beneficial interest of a Trust held FLP distributorship shall be treated as a transfer which requires written approval by the Company to be valid.
- 14.2.5 Distributors shall not permit Company products to be sold or displayed in retail stores, military bases, flea markets, or like exhibitions. However, exhibitions for a period of less than one week in a twelve-month period at the same venue are considered temporary and are therefore permitted after receiving approval from the Home Office in Cape Town. Distributors who have service-oriented offices, barber shops, beauty shops and health clubs are exceptions and will be allowed to display and sell products within their office, shop or club. However, exterior signs or window displays by such Distributors to advertise the sale of Company products will not be permitted. Products may be promoted and served in restaurants by the glass or portion.
- 14.2.6 “Stacking”, which is the practice of purchasing product from the Company in the name of a distributor other than yourself, and “Buy-In”, which is purchasing in quantities which exceed the amount required to meet immediate sales needs, will not be permitted, and will result in loss of qualification or termination.
- 14.2.7 In the event a distributor’s spouse does not attend an earned trip, the distributor may bring a guest provided that the guest is either a distributor or is eligible to become a distributor. Earned trips are limited to the following: 1,500cc and above Super Rally, Post Rally and Silver Post Rally, Sapphire, Diamond Sapphire, Double-Diamond, and Triple-Diamond trips. All other trips awarded by the Company can only be attended by persons whose names appear on the distributor application.
- 14.2.8 FLP Distributors must not disparage other Distributors, FLP’s products/ services, the Marketing and Compensation Plan, or FLP’s employees to other Distributors or third-parties. Any questions, suggestions or comments regarding these issues should be directed in writing to FLP’s corporate offices only.

14.3 Terminations

- 14.3.1 Termination means a severance of all domestic and international privileges and contractual rights available to an FLP Distributor, including the privilege to buy and distribute the products. The Termination will result in the inability to qualify for income and volume bonuses, and severance of participation in the Earned Incentive Programme, prize programmes, and other benefit programmes sponsored by the Company.

- 14.3.2 A terminated Distributor shall, upon demand by FLP, be liable to repay, return or compensate FLP for any benefit programmes, prizes, inventories, or bonuses received from FLP from and after the date of the activities causing such Termination. After recouping any costs or damages resulting from the terminated distributor's conduct, forfeited bonuses, caused by such Termination, shall be paid to the next qualifying Distributor upline who is not in violation of the contract terms.
- 14.3.3 Prohibited activities causing grounds for termination and liability for any damages caused by such acts include, but are not limited to, the following conduct:
- 14.3.3.1 FLP is a company built on the quality of its products and their use by consumers. Distributors are strictly prohibited from purchasing products or encouraging other Distributors to purchase products solely for the purpose of qualifying for bonuses. In order to ensure no inventory loading is occurring:
- a. Each Distributor who orders product that was the subject of a prior order, shall also be confirming and certifying to the Company that 75% of the prior order of that product has been sold or otherwise utilized. Distributors should keep accurate records of monthly sales to their customers, which records can be subject to inspection by the Company upon reasonable notice. Such records will include reports reflecting inventory on hand at the end of the month.
 - b. The Company will be liberal in its application of the buy back policy on termination of a Distributorship, but FLP will not repurchase products or issue refunds on products certified as having been consumed or sold. Falsely representing the amount of product sold or consumed in order to advance in the marketing plan shall be grounds for termination.
 - c. To discourage any Distributor from encouraging other Distributors to circumvent the inventory loading prohibition, the Company will charge back to a terminated Distributor's upline any bonuses paid on product returned from a terminating Distributor.

- 14.3.3.2 Engaging in activities that are prohibited in all sections of 14.9, 14.11, 14.14 and sections 14.12 and 14.13 as set forth herein.
- 14.3.3.3 Appearing in, being referenced in, or allowing the distributor's name or likeness to be featured or referenced in any promotional, recruiting or solicitation materials for another direct sales company.
- 14.3.3.4 Selling or displaying Company literature or products in Retail Stores, Military bases or in violation of Internet Policies and/or Advertising and Promotional guidelines.
- 14.3.3.5 Any act or failure to act by Distributors which evidences intentional disregard and/or gross negligence of Company Policies.
- 14.3.3.6 Distributors shall not make claims as to the therapeutic, safety or curative properties of the products. Only such statements or claims that are officially approved by FLP or are as contained in the official FLP literature may be made or used. No Distributor may make any claims that FLP products are useful in the treatment, prevention, diagnosis or cure of any disease. Medical claims regarding FLP products are strictly prohibited. Distributors should recommend to any customer who is currently under a physician's care or any medical treatment, that they seek the advice of their healthcare provider before altering their nutritional regimen.
- 14.3.3.7 Unless FLP's prior written approval is obtained, projections of income earnings and potentially misleading income representations are strictly prohibited. The financial success of a Distributor depends entirely upon that Distributor's individual effort, dedication, and the training and supervision the Distributor provides to his or her downline and FLP business.

14.4 Dispute Resolution/Waiver of Trial

14.4.1 If a controversy or claim arising out of or relating to the Distributor relationship or FLP products cannot be resolved by negotiations, the Company and Distributor agree that in order to promote to the fullest extent reasonably possible a mutually amicable resolution of the dispute in a timely, efficient and cost-effective manner, they will waive their respective rights to a trial and settle their dispute by submitting the dispute to arbitration in South Africa for binding arbitration in accordance with the written procedures adopted by FLP for resolution of disputes. Maricopa County, Arizona shall be deemed the sole and exclusive place for jurisdiction and venue of any dispute between the company and the Independent Distributor, and if appropriate, under FLP's dispute resolution procedures, a court of competent jurisdiction located in the State of Arizona, Maricopa County. The Independent Distributor Application and Agreement shall be governed in all respects by the laws of South Africa.

14.4.2 Participating in the international sponsoring programme is a privilege that gives each distributor the chance to benefit from FLP's international network of companies. The international sponsoring programme is monitored from FLP's home office in Maricopa County, Arizona. A distributor participating in the international sponsoring programme agrees and consents to any disputes arising out of or relating to the distributor relationship or FLP products, involving any of the FLP affiliated companies, shall be resolved through binding arbitration in Maricopa County, Arizona, pursuant to FLP-US and Forever Living Products International, Inc.'s current dispute resolution policies as set forth above and stated on FLP's home office website at www.foreverliving.com.

14.5 Voluntary Terminations

14.5.1 If a Distributor wishes to terminate their Distributorship, they must submit a written request, signed by the Distributor(s). The effective termination date is the date on which the Home Office accepts the termination request. The terminating Distributor forfeits the current sales level and all downlines, including those in foreign countries, established at the time. After two years, a Distributor may reapply subject to Home Office approval.

14.5.2 Once a Distributor terminates, their spouse (if applicable) is also considered terminated.

14.6 Valid Applications

- 14.6.1 Except for authorized responsoring, it is against Company Policy for any distributor to, directly or indirectly, change Sponsors. FLP will only consider the first valid Application received by the Home Office. Subsequent applications will be disallowed.
- 14.6.2 A Distributorship, and any resulting downline, created or operated by proxy, either intentionally or inadvertently, is not allowed, and shall be adjusted for compliance with Company Policies by the Executive Committee. The Executive Committee's decision to terminate a distributorship or to disallow, realign or adjust bonuses, case credits, compensation or any incentive awards for any Distributor's involvement in activities or omissions that are not in conformance with Company Policies shall be final. Intentional acts of omission and disregard for the Company Policies by a Distributor shall be severely dealt with which may include termination and legal action for damages.

14.7 Testamentary Transfers

- 14.7.1 The inheritable rights to a Distributorship are limited and restricted as follows:
- 14.7.1.1 The heir must be a person who can qualify as a Distributor.
- 14.7.1.2 Because the heir must be an adult individual, a trust or guardianship may have to be established for multiple heirs or minor children. In the event a trust is established, a copy must be placed on file with FLP. Its terms must clearly allow the trustee to act as a Distributor. A guardian or a trustee of a testamentary trust must be appointed by the court of proper jurisdiction and receive specific approval to be a Distributor on behalf of the minors.
- 14.7.1.3 A trustee or guardian shall retain the Distributor status so long as the Distributorship agreement is not violated, until the beneficiaries have attained the age of majority, and an heir accepts the responsibility of operating the Distributorship with prior approval of the court.
- 14.7.1.4 A trustee, guardian, spouse or other representative-type Distributor shall be responsible for the actions of the beneficiary, ward, or their spouse for purposes of following the policy terms of the Distributorship agreement. A violation of Company policies by any of the above individuals may result in termination of the Distributorship.

14.7.1.5 The inheritable Distributorship position within the Company Marketing Plan is limited to recognition at no higher than that of Manager. However, bonuses shall be paid at the same levels and requirements as held by the deceased. Distributorship positions below Manager shall be inherited at that level.

14.7.1.6 All FLP Distributor applications that contain two signatures, regardless of when signed, shall be treated as creating a JOINT OWNERSHIP WITH RIGHT OF SURVIVORSHIP (the terms of the right being more fully set out herein below). If you are married in community property, then the partners shall be treated as COMMUNITY OF PROPERTY WITH RIGHT OF SURVIVORSHIP. On the confirmation of death of any one of the two signing distributors, the FLP Distributorship, including any monies due by FLP, will automatically be transferred to the survivor of the two. This will be the case regardless of what is stated in the Will of the first dying Distributor. The effect of JOINT OWNERSHIP WITH RIGHT OF SURVIVORSHIP is that when two persons have signed the FLP Distributor Application the survivor of the two will be the sole distributor after the death of the first. If you do not wish this result, you must contact the Home Office in writing to express your needs and to determine if your needs can be accommodated. Keep in mind that no change in a Distributorship can be made during your lifetime except in the case of a legal separation or divorce.

Distributor applications of a legally married person who has checked the marital status box as being MARRIED, but the application only contains the signature of one of the married parties, the company will treat the distributorship as being a JOINT OWNERSHIP WITH RIGHT OF SURVIVORSHIP.

Distributor applications that have the marital status box checked as being single and with only one signature will be treated by the company accordingly. Should there be a change in the marital status, the Distributor must send in to the Home Office a new distributor application indicating that there has been a change of marital status accompanied by a copy of the marriage certificate. At that time, the Company will treat such distributorship as a JOINT OWNERSHIP WITH RIGHT OF SURVIVORSHIP. To a single person's FLP Distributorship on death, such Distributor must have a Will or use of a Trust.

14.8 Transfers Due to Divorce

- 14.8.1 Husbands and wives cannot sponsor each other. Distributors who marry another Distributor may maintain separate Distributorships which were in existence prior to their marriage.
- 14.8.2 In the event a Distributor should marry a non-Distributor, this Distributor should submit a Change of Status (COS) form signed by the existing Distributor as well as his/her spouse indicating the new spouse's interest in the Distributorship. Regardless of whether a COS form is submitted by the new spouse, the existing Distributor expressly agrees and understands that his/her Distributorship may be terminated for any actions taken by his/her spouse which would violate Company policies as if that new spouse was an FLP Distributor.
- 14.8.3 During a pending divorce or negotiation of a property settlement, FLP will continue to disburse payments to the registered Distributor as was done prior to the pending action.
- 14.8.4 In the event of divorce or a legal separation, a legally enforceable property settlement agreement may decree the Distributorship be granted to one spouse or the other. The Distributorship cannot, however, be partitioned. Only one adult individual will be entitled to retain the current downline of this Distributorship. The other spouse may choose to establish their own Distributorship at the same level of the Marketing Plan, but not above Manager, as established with the ex-spouse. Such other spouse must use the same sponsor. The other spouse's new Distributorship shall be treated by the sponsor as Inherited until requalified.
- 14.8.5 To the extent permitted by law, FLP, its directors, officers, shareholder, employees, assigns and agents (collectively referred to as "Associates") shall not be liable for, and the Distributors release FLP and its Associates from and waives all claims, for any loss of profits, indirect, direct, special or consequential damages, and for any other losses incurred or suffered by Distributors as a result of: (a) Distributor's breach of their FLP Distributorship Agreement of FLP Company Policies and Procedures; (b) the promotion or operation of the Distributor's FLP distributorship and Distributor's activities related to it; (c) Distributor's incorrect or wrong data or information provided to FLP or its Associates; or (d) the Distributor's failure to provide any information or data necessary for FLP to operate its business, including without limitation, Distributor's enrollment and acceptance into the FLP Marketing Plan and the payment of volume bonuses. EACH DISTRIBUTOR AGREES THAT THE ENTIRE LIABILITY OF FLP AND ITS ASSOCIATES FOR ANY CLAIM WHATSOEVER RELATED TO THE RELATIONSHIP OF AWARENESS INCLUDING, BUT NOT LIMITED TO, ANY CAUSE OF ACTION SOUNDING IN CONTRACT, TORT, OR EQUITY, SHALL NOT EXCEED, AND SHALL BE LIMITED TO, THE AMOUNT OF PRODUCTS DISTRIBUTOR HAS PURCHASED FROM FLP THAT ARE IN RESALABLE CONDITION.

14.9 Internet Policies

14.9.1 Selling Products Online

Each FLP Independent Distributor will be offered the opportunity to purchase an FLP approved Independent Distributor website for marketing products online using a direct link to FLP's internet shopping website at www.foreverliving.com and its My FLP Biz. This internet link is arranged so that the FLP pages will remain within the Independent Distributor's website. The guests virtually never leave the Distributor's website. In order to maintain the integrity of FLP's brand name, product line and the Distributor/Customer relationship, Distributors may not sell any FLP brand products online through their independent website. FLP marketing or promotional materials, that have not received written approval from an authorized FLP source, cannot be used or sold by FLP Distributors. E-Commerce sales can only be made directly by or through a link to the official FLP website at www.foreverliving.com and its My FLP Biz functionality. Sales of products through online marketing media, online malls, or auction sites, such as, but not limited to eBay or Amazon.com, are prohibited. Distributors may not sell FLP products to anyone for the purpose of resale nor entrust others to sell FLP products. Company approved independent FLP Distributor websites will be allowed for marketing and promotion, but not for E-Commerce sales of products or sponsoring of Distributors.

14.9.2 Independent Distributor Websites

Independent FLP distributor websites marketing and promoting FLP products or FLP's business opportunity, without online sales or sponsoring, will be permitted so long as they comply with or are modified to comply with FLP Company Policies.

Sponsoring Distributors online via an electronic signature application or online form is not permitted outside of the direct application or link to the official FLP website at www.foreverliving.com.

Distributors may not use the name "Forever Living Products" or any of its trademarks, trade names, product names, domain name (URL) or copy or use any FLP materials from any source that may result in misleading or confusing the user into thinking the Distributor's website is that of FLP or any of its official affiliates. FLP product names are strictly proprietary to FLP and cannot be used by any Distributor as a sponsored link or for any other unauthorized use. Individual FLP distributor websites must clearly indicate that it represents an independent FLP distributor who is not an agent of the FLP company or any of its worldwide affiliates.

Distributors must link their websites to FLP's official website created and maintained by FLP at www.foreverliving.com.

All independent FLP distributor websites must reflect and connect only to companies or products that carry the FLP label and be of good moral content.

14.9.3 **Electronic Advertising**

Independent FLP distributor websites that have been approved by FLP, or are as part of an online banner or display ads that conform to FLP's advertising guidelines and have been approved by FLP will be allowed. Online banners or display ads must be submitted to FLP for approval prior to posting online and must link a user to the Company website or an independent FLP Distributor website that has been approved by FLP. All electronic advertising is subject to and controlled by the FLP Company Policies relating to advertising and promotional guidelines.

14.10 **Errors or Questions**

If a Distributor has questions about or believes any errors have been made regarding bonuses, downline activity reports, charges, or changes, the Distributor must notify FLP within sixty (60) days of the date of the purported error or incident in question. FLP is not responsible for any errors, omissions or problems not reported within sixty (60) days.

14.11 **Confidentiality & Nonclosure Agreement**

Downline reports and all other reports and genealogical information, including, but not limited to, downline sales organization information and commission recap statements, are private, proprietary and confidential to FLP.

Every Independent Distributor who is provided with such information must treat it as private and confidential and take care to maintain its secrecy and refrain from making any use thereof for any purpose other than the management of his or her downline sales organization.

As a result of your FLP distributorship, you may have access to private and Confidential Information which you acknowledge to be proprietary, highly sensitive and valuable to FLP's business and is being made to you solely and exclusively for purposes of furthering the sale of FLP products and prospecting, training and sponsorship of third parties who may desire to become FLP Independent Distributors and to further build and promote your FLP business.

"Trade Secret" or "Confidential Information" shall also mean information, including a formula, pattern, compilation, programme, device, method, technique or process, that:

1. derives independent economic value, actual or potential, from not being generally known to other persons who can obtain economic value from its disclosure or use; and

14.14.1 Trademarks, Trade Names, Copyright Materials and Advertising

The name “Forever Living Products” and symbols of FLP and other names as may be adopted by FLP including FLP Product names are proprietary trade names and/or trademarks of the Company.

14.14.2 Limited License to use Company Marks

Each Distributor is hereby licensed by FLP to use FLP’s registered trademarks, service marks, and other marks (hereinafter collectively referred to as “Marks”), in conjunction with the performance of the Distributor duties and obligations under the Distributorship Agreement and the corresponding policies and procedures. All Marks are and shall remain the exclusive property of “FLP”. The Marks may only be used as authorized by the Distributor Agreement and the FLP’s corresponding policies and procedures. The license granted herein shall be effective only as long as the Distributor is in good standing and in full compliance with the FLP’s policies and procedures. However, it is prohibited for a Distributor to claim any ownership of FLP’s Marks (i.e., registering for a domain name using the name “FLP”, “Forever Living”, or any other FLP Mark in any way, shape or form) unless it has been approved in writing by FLP.

These Marks are of great value to FLP and are supplied to each Distributor for each Distributor’s use in an expressly authorized manner only. An FLP Distributor may develop his or her own marketing techniques, so long as they are not in violation of any Company, state, federal or jurisdictional rules, regulations or statutes. Unless the Company's prior written approval is received, the use, production or sale of any sales aid or materials, other than those provided by or approved in writing by FLP to other FLP Distributors for use in promoting FLP products, is prohibited.

15. Communications

- 15.1 In order to best serve the interest of Managers and Distributors, and to keep everyone current on Company activities and policies, the Home Office has developed a system of communication. Distributors with questions should address them to the Operations Manager at operations@forever.co.za. Distributors may also contact the local company product center or via www.foreverliving.com.
- 15.2 The Operations Manager is responsible for handling these questions on behalf of the Company as well as transmitting to Distributors any new information, activities, or policies from the Home Office. If the Operations Manager is unable to properly respond to a Distributor, they will make direct contact with their Country Manager. If the Country Manager is unable to properly respond to a Distributor, they will make direct contact with their Vice President in the Home Office for assistance or instructions. Based upon this communication with the Home Office, the Operations Manager will then re-contact the Distributor to make a final resolution. By following this method of communication (Operations Manager - Country Manager - Home Office), information will flow smoothly and efficiently to all concerned.

16. International Sponsoring Policy

Forever Living Products has designed a worldwide programme that offers Distributors throughout the globe the opportunity to expand their business into all countries where FLP has officially established business operations in accordance with the laws of that country. Distributors will enjoy the benefits of increased income and the prestige of owning an international business, while at the same time helping others with their health, beauty and nutrition.

The procedures for International Sponsoring are quite simple and the rewards can be considerable. International Sponsoring increases your income potential, converts your Forever business into a truly international operation, and provides your overseas friends and family with the opportunity to earn extra income and benefit from the personal growth advantages that are made possible through Forever Living Products.
