# Aloe First® Spray

#040

## Animal Tip

Aloe First Spray, with a convenient nozzle applicator, this liquid can be sprayed directly to tender areas of your animal to soothe irritations or to cleanse before dressing or applying Aloe Vera Gelly. This formula can also be sprayed onto animal coats after bathing, for extra shine and condition. Administered as a leg wash, it can soothe after heavy exercise.

## Aloe First® Spray

**Fast-acting, easy-to-use soothing power.**

Aloe First® is a perfect addition to your first aid kit or medicine cabinet. This exclusive skin soothing formula is made using stabilized aloe vera gel from our own plantations. But we didn't stop there. Aloe First® also contains bee propolis and a proprietary blend of eleven powerful plant extracts.

Of course, aloe vera is the primary and most powerful ingredient for a reason. For centuries, aloe has been used as a remedy to soothe minor burns and provide a sense of relief to irritated skin. We added bee propolis to Aloe First® because it elevates the natural soothing and cleansing properties of aloe.

Because Forever operates its own plantations, we control every aspect of aloe vera production. That means every leaf is hand-filleted to ensure only the purest, highest quality aloe vera makes its way into Forever's Aloe First®.

The combination of aloe and botanical extracts make this a wonderfully soothing mist for use on minor cuts, scrapes, burns and sunburn.

The pH-balanced spray is easy to apply and gets to work fast! As an added benefit, Aloe First® is also great for use on your hair. It provides a great barrier between your hair and the elements.

Make sure you always have a bottle of this versatile spray around to experience the fast-acting soothing power of aloe vera when you need it!

# Forever Bright® Toothgel

#028

## Animal Tip

Well-liked by our human customers, this high in aloe, refreshing toothgel is ideal for your pet's teeth too. Reducing the build-up of plaque and tartar on the teeth, while gently soothing the gum areas, it has a low-abrasiveness factor and leaves teeth sparkling clean. It is fluoride free and completely safe if swallowed.

## Forever Bright® Toothgel

Advanced teeth cleaning power

Forever Bright® toothgel combines aloe vera with natural ingredients for clean teeth, fresh breath and refreshing flavor. Our formula is fluoride-free so your whole family can enjoy the combination of natural peppermint and spearmint with a frothy texture that will leave your mouth feeling fresh and clean.

This innovative toothgel is made using stabilized aloe vera gel from Forever's own plantations and can help you fight plaque as part of a regular brushing routine. Forever Bright® also contains bee propolis, which has been shown to help promote gum health and prevent bad breath.

Forever conducted years of research, collaborating with scholars and dentists to create a perfect aloe-based formula that is safe and effective for the entire family.

Treat your mouth to the invigorating sensation and cleaning power of Forever Bright®.

# Aloe-Jojoba Shampoo

#521

# Aloe-Jojoba Conditioning Rinse

#522

## Animal Tip

Rich in soothing Aloe Vera, excellent for bathing small or large animals. Equally suited to removing mud after a country walk or cleaning delicate skin types prior to applying other products. Aloe-Jojoba Shampoo & Conditioning Rinse will clean without irritation and allows for easy bathing, whether the family pet or a top show breed!

## Aloe-Jojoba Shampoo

**Nourishing formula for radiant, manageable hair that shines.**

Forever's Aloe-Jojoba Shampoo soothes and moisturizes.

The two primary ingredients, stabilized aloe vera gel and jojoba oil, work perfectly together to give you silky soft hair that shines. Jojoba oil creates a keratinizing effect that brings out your hair's natural color and radiance. Aloe vera soothes your scalp and provides deep moisture for all-day comfort. Instead of having to rely on man-made sudsing agents, aloe naturally supplies saponins, which helps create a gentle lather.

And while aloe and jojoba take center stage, you'll find other powerful ingredients. This formula is infused with Forever® Essential Oils Lavender to help hair shine and impart a beautifully soothing fragrance, as well as rose hips oil which naturally contains vitamin A and fatty acids to promote healthy, full-bodied hair.

## Aloe-Jojoba Conditioning Rinse

**All-day softness and shine with powerful natural ingredients.**

Forever's Aloe-Jojoba Conditioning Rinse pairs perfectly with our Aloe-Jojoba Shampoo.

In addition to being exceptionally soothing on the scalp, this oil-rich, pH balanced formula coats your hair shaft to eliminate split ends. Aloe-Jojoba Conditioning Rinse is also fortified with vitamin B5, macadamia, and Forever® Essential Oils Lavender to keep hair strong and vibrant with beautiful shine.

Jojoba oil, helps bring out your hair's natural color and luster while maintaining that long-lasting shine. The addition of macadamia and sunflower seed oils help replenish hydration and leave hair looking silky smooth.

Get the most out of Forever's Aloe-Jojoba Conditioning Rinse when you use it with Aloe-Jojoba Shampoo.

# Aloe Sunscreen Spray

#319

## Animal Tip

With an SPF of 30, Aloe Sunscreen blocks both UVA and UVB rays. Specially formulated with ingredients that shield the skin from the harmful effects of overexposure to the sun and wind. Can be used on sensitive ear-tips and noses, to protect and soothe. Greys and other horses with pink/ sensitive areas will find the lotion soothes, cools, and moisturises.

## Aloe Sunscreen

## Aloe Sunscreen Spray

**You're just a spray away from nourishing sun protection.**

Fun in the sun doesn't come without risks and Forever's sunscreen formula is designed to protect and nourish your skin while providing 30 SPF full-spectrum UVA and UVB protection.

When you're on the go you need a sunscreen that's fast, easy to apply with a few sprays from the pump applicator and resistant to water and sweat. Aloe Sunscreen Spray has you covered with the added benefits only pure, inner leaf aloe vera can offer. That means more than just protection from the sun's harmful rays. It means powerful protection that moisturizes and keeps your skin supplied with key nutrients like vitamins B5 and E.

Getting burned isn't the only thing you have to worry about when you're out in the sun. Exposure to the heat can strip your skin of moisture and essential vitamins. Now you can hit the beach with confidence knowing your skin will not only feel better, the powerful ingredients will help you retain that beautiful youthful glow!

# Aloe Vera Gelly

#061

## Animal Tip

Can be used as a topical preparation to soothe skin irritations, including minor cuts, stings, and abrasions. It is a thick gel with anti-fungal and anti-bacterial properties, which lubricates and soothes wounded tissue in sensitive areas. Its highly penetrative properties can also help reduce excessive 'proud flesh' and ease soreness caused by bit-rubbing.

## Aloe Vera Gelly

The very best from our plantations to you.

Aloe vera is a powerful plant that has been revered for centuries to aid in the soothing of minor skin irritations. Many households kept aloe vera nearby to serve as a "burn plant" because the inner leaf gel is soothing on minor burns, including sunburns.

Forever's Aloe Vera Gelly is a back-to-basics formula that embraces the power of aloe in its purest form. The quality of aloe vera used makes all the difference and our aloe is the first of its kind to receive the International Aloe Science Council (IASC) certification for purity and potency.

It takes a lot of effort to earn such a prestigious designation and we're incredibly proud of the work we do to bring you the very best aloe products, and Aloe Vera Gelly is no exception. Every leaf is hand harvested and filleted by hand to preserve the precious gel contained within every plant.

You'll know the difference as soon as you start using Forever's Aloe Vera Gelly. Perfect for any skin type, it absorbs readily into skin to soothe skin while moisturizing and conditioning.

This thick, translucent gel is almost identical to aloe vera's inner leaf so you know you're getting the best of aloe, just as nature intended.

# Aloe Propolis Creme

#051

## Animal Tip

One of the most popular products for humans, this rich soothing cream is equally beneficial for animals. Propolis is a natural agent used by bees to maintain the health of the hive. By combining Aloe with Bee Propolis, we have created a worldclass product that not only calms minor irritation and infection, but moisturises while it works.

## Aloe Propolis Creme

**The best of aloe and the hive.**

Only Forever could create a product as inventive as Aloe Propolis Creme. This nourishing cream combines two of our most prized ingredients, pure inner leaf aloe vera gel and bee propolis.

Bee propolis is a resinous substance that bees create to fortify their hives. Turns out it also has properties that create a natural barrier on your skin, locking in the natural skincare benefits of aloe.

Aloe vera combined with vitamins A, E and C work to nourish and moisturize the skin while bee propolis helps rejuvenate skin's appearance for smoother, suppler look and feel. Aloe Propolis Creme also enhances the soothing power of aloe with the addition of chamomile.

Of course, we use pure, inner leaf aloe vera gel from our own plantations. The aloe is hand harvested and filleted to avoid damage and ensure only the highest quality aloe vera makes it into our products.

It's easy to see why Aloe Propolis Creme is one of Forever's flagship products. Treat your skin to the soothing, nourishing and protecting power packed inside every bottle.

# Aloe Heat Lotion

#064

## Animal Tip

A rich, emollient lotion containing warming agents and Aloe which encourages blood supply to an area. Suitable for use where increased circulation would be beneficial. Particularly useful for its soothing action on joints, ligaments and muscles. In animals it is essential that it is applied directly to the skin and not onto the hair.

## Aloe Heat Lotion

This aloe-powered formula delivers heating and cooling effects to help soothe your muscles. Aloe Heat Lotion goes on cool and stimulates with the sensation of aloe and menthol to soothe on contact. It then warms, while ingredients like eucalyptus helps relax your muscles and create a naturally aromatic experience.

The aloe used in this skin nourishing lotion is grown at Forever's own plantations. We hand harvest and hand fillet every leaf to ensure quality stabilized aloe vera is in every bottle of Aloe Heat Lotion.

FOREVER®

# Aloe MSM Gel

#205

## Animal Tip

A fast-acting soothing Gel formulation suitable for topical application to joints, ligaments, tendons and muscles. Methylsulphonylmethane (MSM) is a rich source of organic sulphur essential for the correct functioning of connective tissues and joints. In animals apply directly to the skin.

## Aloe MSM Gel

### Cool, calming relief

Forever's Aloe MSM Gel is your ticket to soothing relief when and where you need it. We combined pure inner leaf aloe vera with methyl sulfonyl methane (MSM), an organic sulfur found in many living organisms. MSM has powerful skin calming properties and combined with pure aloe vera gel provides deep comfort and moisturization.

But the soothing power of Aloe MSM Gel doesn't stop with those two ingredients. This clear, non-staining formula includes natural herbal extracts like tea tree leaf oil, willow bark extract and glycerin to calm and condition skin. The addition of rosemary leaf extract draws water to the skin to keep it hydrated and comfortable. Apply liberally and massage into skin to soothe sore joints and muscles after a tough workout.

## Forever Aloe Vera Gel®

Aloe as nature intended.

Imagine slicing open an aloe leaf and consuming the gel directly from the plant. Our Forever Aloe Vera Gel® is as close to the real thing as you can get!

Aloe vera has natural cleansing abilities that help the digestive tract absorb nutrients from the foods we eat into the blood stream, while promoting friendly bacteria growth. The unique polysaccharide, acemannan, and other nutrients in aloe help to support the immune system. In fact, acemannan is one of the key markers used by the IASC to indicate quality aloe vera and Forever Aloe Vera Gel® has nearly double the amount required for certification!

Forever Aloe Vera Gel® is aseptically processed allowing the formula to remain free of added preservatives and boast an amazing 99.7% pure inner-leaf aloe vera gel. Packaged in Tetra Pak packaging made with 100% recyclable materials, Forever Aloe Vera Gel® ensures that you are able to enjoy the fresh taste of undiluted aloe vera gel with all of the potent properties of aloe just as nature intended.

# Forever Bee Pollen®

#026

## Animal Tip

Direct from the hive, this is an excellent way of priming the body to combat animal allergies, as well as being a superb energy supplement before or after an exercise period. Also suitable for jockeys, handlers and trainers as a tonic after a long day.

## Forever Bee Pollen®

### Nature's superfood.

Forever Bee Pollen® packs all the power of pure bee pollen and honey for a combination of nutrition and energy straight from the hive! As they fly from blossom-to-blossom, bees pollinate plants and fuel our ecosystem. Bees use the pollen they gather to create their food, which keeps the entire hive nourished, productive and strong.

Harness the benefits of natural energy and stamina with Forever Bee Pollen®. Bee pollen is a great natural source of nutrients including proteins, amino acids, carbohydrates, vitamins and minerals. This easily digestible and absorbed tablet ensures your body gets all the nutrition it needs naturally.

Typically, bee pollen is consumed as bland-tasting granules sprinkled on food or chewed. Not Forever Bee Pollen®. We've packed all that nutrition into an easy to take tablet by mixing it with smooth and delicious honey!

Our bee pollen supplement is a Forever favorite for good reason. It's an all-natural source of energy and nutrition to help power through your day.

# Forever Bee Propolis®

#027

## Animal Tip

A natural antibacterial substance produced by bees which has beneficial effects against certain bacteria, fungi and yeasts. It ensures a rapid return to normal condition and has proven very useful in soothing mouth and throat problems as well as conditions of the digestive tract.

## Forever Bee Propolis®

Forever Bee Propolis® is a natural supplement made from the substance bees use to fortify and protect their hive. Honeybees gather leaves, buds and the bark of trees and create propolis to safeguard the hive from outside threats.

Our formula packs all the benefits of propolis into a chewable tablet that's easily digestible and absorbed.

Research has shown that the substances bees use to protect the colony can also support the body's natural defenses. Bee propolis is also a natural source of flavonoids, the same nutrition found in fruits and vegetables.

Humans have been gathering propolis from the hive for thousands of years. The Assyrians and Greeks consumed propolis to promote good health.

Forever Bee Propolis® offers you key nutrition straight from the hive. We use natural ingredients with no artificial colors or flavors added.
