FOREVER EPIBLANC®
While you may not tell anyone your age, your skin might be telling you. Uneven skin tone, dark spots and blemishes can make skin appear older than it really is. Improve the appearance of your complexion and even out your skin tone. Our 100% stabilized aloe vera gel is the natural base of this formula with vitamin E and natural botanicals, like rumex occidentalis extract - a plant native to the Pacific Northwest known for its skin evening properties.

R3 FACTOR®
SKIN DEFENSE CREME
Retain. Restore. Renew. Alpha hydroxy acids, also called fruit acids, exfoliate and loosen dead skin cells by dissolving the natural glue-like substances that allow dead skin cells to cling to the surface for far too long. Old skin cells create a barrier, so getting rid of these allows the other ingredients, vitamin E, retinyl palmitate and soluble collagen to go to work on restoring skin’s moisture and renewing its appearance. This defense creme is like a personal bodyguard to your beauty.

ALOE HEAT LOTION

A perfect yin and yang, this soothing lotion has heating agents as well as cooling aloe vera gel. With a bright minty smell from menthol and eucalyptus, this pH-balanced ultra-rich lotion, that contains three oils, is excellent for a relaxing massage to set your mind and muscles at ease. Even though it's quick to absorb, the tingling heat lingers long after the massage is over.

ALOE LOTION
In addition to aloe, we added vitamin E, jojoba oil, collagen and elastin to moisturise and help skin feel supple. This softening lotion includes apricot kernel oil, which helps prevent the loss of water by creating a lightweight barrier on the skin.

ALOE VERA GELLY
Aloe vera is a powerful plant that has been revered for centuries to aid in the soothing of minor skin irritations. Essentially identical to the inner leaf of the aloe vera plant, this 100% stabilised aloe vera gel soothes and lubricates delicate skin. For temporary relief from minor skin irritations, this product is ideal for your bathroom as well as your first-aid kit. Once applied, you’ll be saying ‘ahhh-loe vera because it feels that good.

ALOE MSM GEL
MSM is an organic sulfur compound and the third highest mineral in our body. Combine that with pure, stabilized aloe vera, vitamin E and plant extracts and you have a soothing gel. Aloe MSM Gel includes rosemary leaf extract, a skin conditioning agent that draws water to the skin. Quick to be absorbed, this gel is easy to apply but hard to put down once you’ve felt its soothing relief.

FOREVER ALOE SCRUB®
Unlike some scrubs that use sharp, harsh ingredients like crushed nuts, fruit pits or plastic microbeads, we use microspheres of jojoba which roll over your skin gently. As they roll, they pick up dead skin cells clearing the way for fresh, newer skin below. Gentle enough for everyday use, this fine scrub helps remove debris that clogs pores and dulls skin’s appearance.

ALOE PROPOLIS CREME
A well-loved, flagship product because it features our two prized ingredients: aloe vera and bee propolis. Bee propolis is a resinous substance bees use to fortify and protect their hive. More important than a hive is your skin, which needs protection and a natural barrier to help keep moisture in. One sniff of Aloe Propolis Creme and you can tell it’s filled with herbal and botanical ingredients like chamomile. This thick balm is also filled with vitamins A and E.

ALOE MOISTURIZING LOTION
This thick, velvety lotion does more than just moisturise. It helps with skin’s overall feel and elasticity because of its collagen and elastin. This jack-of-all-trades lotion is versatile enough to apply to troubled spots, your entire body, or even gentle enough to use on your face before applying makeup. Vitamin E, oils and chamomile extract all help replenish lost water and maintain your skin’s natural pH balance while keeping it silky, smooth and soft.
GENTLEMAN'S PRIDE®

You'll think this is just a smooth, silky lotion until you put it on and realize it has the soothing and replenishing effects of an after shave as well. This double-whammy gives a cooling sensation thanks to the power of stabilised aloe vera gel. With additional botanicals like rosemary and cucumber, Gentleman's Pride® helps the skin feel like it's never been shaved. Perfect for a man's skin and alluring to a woman's nose with its masculine fragrance, this is a crowd pleaser.

ALOE EVER-SHIELD®

Thanks to the high aloe content, this gentle deodorant can be applied directly after shaving or waxing without irritation. All day protection gives you the peace of mind you need to tackle your day head on. Aloe Ever-Shield® offers a clean, pleasant scent that’s not overpowering.
ALOE AVOCADO FACE & BODY SOAP

Avocados are a nutrient-dense fruit containing many beneficial ingredients, including vitamins A, C and E. The high fat content creates a rich base for our soap which helps dry skin feel smooth after cleansing. Pure aloe vera soothes, conditions and moisturises for a soap that leaves your skin feeling healthy and renewed. Gentle enough for your face or your entire body, the freshly-picked citrus scent will help wake you up in the morning and the softness from Aloe Avocado Face & Body Soap will last all day long.
