Giving Gratitude

William Arthur Ward famously said, “Feeling gratitude and not expressing it is like wrapping a present and not giving it.”

This time of year, as we begin preparing for Thanksgiving, one of the holidays we celebrate each year in the United States, families begin to think more about the precious moments they spend together.

We begin to use the word “thankful” in conversation. Our focus turns to gratitude and our minds begin to ponder what we are most thankful for this holiday season. But why do we only think about it once a year? If expressing gratitude is so simple, then why don’t we do it everyday?

Gratitude can be found in the smallest things – a smile to someone passing on the street, holding the door open for someone or spending an extra few minutes asking how someone’s day was. Giving thanks is a simple way to improve your life, your health and your well-being.

There are so many things that I am grateful for each day. I am honored to help others choose their path, find freedom, share health and wellness and build friendships that last a lifetime. For this reason and so many others, gratitude is represented in the Forever values.

I encourage you to take the time to reflect on what you are grateful for and turn this into a daily habit. Share with others what their friendships and well wishes mean to you everyday. By taking time to share these thoughts, we can pay gratefulness forward and make others Smile!

I wish you and your families many blessings this holiday season. Thank you for helping to give me so many things to be grateful for!

Forever Yours,

Rex Maughan

Nelspruit Success Day with our President, Gregg Maughan – 21st November 2015

What an exciting few days it was to have Gregg Maughan fly into South Africa for a brief visit. He had travelled to a number of African Countries, and South Africa was his last stop. He also brought along our newly appointed Vice President for Africa, Jean Baptiste Amichia (we know him as JB). JB is from Cote d'Ivoire (Ivory Coast) and he will be visiting us regularly in South Africa.

Our President, Gregg Maughan, told everyone that if you want to succeed in Forever “it’s up to me”. No-one can do it for you!

JB Amichia (Vice President for Africa) spoke about “staying focused”

Rick Beeton (MD) shared the Company History

As we travelled through Mpumalanga with Gregg, he expressed his love for our Country. He asked "Do the people of South Africa know and appreciate what a beautiful Country they have?" Gregg also mentioned that he will always have fond memories of the times he has spent in the Kruger National Park. We thought that we might be able to squeeze in a trip to the Kruger Park for a few hours on the Sunday morning before our Flight to Cape Town but, unfortunately, our schedule was too tight. Gregg said that the next time he visits the Mpumalanga area, he will definitely make time for a trip to the Kruger Park.

At the Success Day, JB spoke about the importance of staying focused in the Business. He also told the FBOs to take the FOREVER VALUES that the Company is promoting into their Business. These are :

- **BE BRAVE**
- **STAND TALL**
- **BE STRONG**
- **STAY AGILE**
- **SEEK ADVENTURE**

Gregg spoke about the importance of speaking to many people each day about the Business. He told the FBOs that FOREVER is built on 'numbers', meaning that the more people you speak to about the FOREVER OPPORTUNITY, the more success you will have. He also said that if you are not having success as a FOREVER BUSINESS OWNER, there is only one person to blame, "YOURSELF"! He said "don't blame the Company, the

Eric Phanga (Diamond Sapphire Manager) was our M.C. for the day.

Economy, the Products or the Marketing Plan". He said "If I am not successful in FOREVER, who do I blame??", at this point he asked us all to point to ourselves and say "ME!!". We have everything at our fingertips to be successful in FOREVER, let's not make excuses, let's just DO IT!!

Our MD, Rick Beeton, spoke of the FOREVER OPPORTUNITY as a 'light at the end of the tunnel'. FOREVER is a "lifeline" to many who are in a hopeless situation. Rick said 'always focus on the light of FOREVER and continually move towards it with persistence, enthusiasm and a strong desire to succeed'.

When Gregg and JB left, they said that they are looking forward to meeting up with all of the Southern African FBOs at the 2016 GLOBAL RALLY being held in Johannesburg on the 22nd and the 23rd of April next year. This will be an incredible opportunity to have your Team at the Global Rally to see both Rex Maughan and Gregg Maughan and to experience the excitement of this event.

"If you are ever unsure of the Company's Rules and Regulations or Policies, please refer to the Company Policy Booklet which is available at any of our product centres. or online at www.foreverliving.com"

We find our products being sold in Chemists, Shopping Malls etc – this is seen in a very serious light and falls under the Section "Prohibited Activities" in the Company Policy – section 16.02 paragraph (h) **SELLING IN STORES**

Please see the article below extracted from the above section of the Company Policy – words in italics added to make it clearer for FBOs to understand.

An FBO is prohibited from permitting Company products to be sold or displayed in retail stores, military PXs, swap meets, flea markets, or the like i.e. ***Chemists, Clicks, Pick 'n Pay, Dischem, Shoprite, shopping malls.***

However, exhibitions for a period of less than **one week in a twelve-month period** at the **same** venue are considered temporary and are therefore permitted after receiving written approval from Head Office.

An FBO who has a service-oriented office, barber shop, *hairedresser*, beauty shop, or health club (*gym*) is permitted to display and sell products within their office, shop or club. However, exterior signs or window displays by such FBOs to advertise the sale of Company products are prohibited.

An FBO is prohibited from selling or marketing Forever brand products except that it be in its original packaging.

No decanting of products!

However, products may be promoted and served in restaurants by the glass or portion.

Action will be taken against FBOs found in breach of Company Policy – as detailed above. Let's protect our business and report any such activities to Head Office immediately!
