Retain. Restore. Renew. Alpha hydroxy acids, also called fruit acids, exfoliate and loosen dead skin cells by dissolving the natural glue-like substances that allow dead skin cells to cling to the surface for far too long. Old skin cells create a barrier, so getting rid of these allows the other ingredients, vitamin E, retinyl palmitate and soluble collagen to go to work on restoring skin's moisture and renewing its appearance. This defense creme is like a personal bodyguard to your beauty.

ALOE VERA GELLY

Aloe vera is a powerful plant that has been revered for centuries to aid in the soothing of minor skin irritations. Essentially identical to the inner leaf of the aloe vera plant, this 100% stabilised aloe vera gel soothes and lubricates delicate skin. For temporary relief from minor skin irritations, this product is ideal for your bathroom as well as your first-aid kit. Once applied, you'll be saying ahhh-loe vera because it feels that good.

FOREVER ALOE SCRUB®

Unlike some scrubs that use sharp, harsh ingredients like crushed nuts, fruit pits or plastic microbeads, we use microspheres of jojoba which roll over your skin gently. As they roll, they pick up dead skin cells clearing the way for fresh, newer skin below. Gentle enough for everyday use, this fine scrub helps remove debris that clogs pores and dulls skin's appearance.

ALOE PROPOLIS CREME

A well-loved, flagship product because it features our two prized ingredients: aloe vera and bee propolis. Bee propolis is a resinous substance bees use to fortify and protect their hive. More important than a hive is your skin, which needs protection and a natural barrier to help keep moisture in. One sniff of Aloe Propolis Creme and you can tell it's filled with herbal and botanical ingredients like chamomile. This thick balm is also filled with vitamins A and E.

ALOE MOISTURIZING LOTION

This thick, velvety lotion does more than just moisturise. It helps with skin's overall feel and elasticity because of its collagen and elastin. This jack-of-all-trades lotion is versatile enough to apply to troubled spots, your entire body, or is even gentle enough to use on your face before applying makeup. Vitamin E, oils and chamomile extract all help replenish lost water and maintain your skin's natural pH balance while keeping it silky, smooth and soft.

118 ML

GENTLEMAN'S PRIDE®

You'll think this is just a smooth, silky lotion until you put it on and realize it has the soothing and replenishing effects of an after shave as well. This double-whammy gives a cooling sensation thanks to the power of stabilised aloe vera gel. With additional botanicals like rosemary and cucumber, Gentleman's Pride® helps the skin feel like it's never been shaved. Perfect for a man's skin and alluring to a woman's nose with its masculine fragrance, this is a crowd pleaser.

Quick to be absorbed, this gel is easy to apply but hard to put down once you've felt its soothing relief.
