

## aloe BB crème Cocoa

### Why You'll Love It

aloe BB crème Cocoa with SPF 10 was created exclusively for flawless by Sonya™ to hydrate, prime, conceal and offer sun protection creating a soft, luminous glow, leaving the skin looking natural and flawless.

aloe BB crème Cocoa contains an active ingredient that helps control shine and minimize the appearance of pores. High tech powders mattify and diminish the appearance of fine lines and imperfections. With continuous use, skin appears smoother and more youthful.

aloe BB crème Cocoa contains Olive Leaf Extract to gently even skin tone.

aloe BB crème is an all-in-one product that may be used in many variations; find the ways that you love it.

### How to Get The Look

Here are some of our favorite creations with aloe BB crème:

Apply aloe BB crème generously to cleansed skin to even out the skin tone and instantly provide smooth and flawless looking skin.

aloe BB crème Cocoa also acts as a primer or makeup base for your foundation.

After aloe BB crème is applied onto the skin, apply your flawless by Sonya™ Cream to Powder Foundation or Mineral Makeup over the aloe BB crème.

The Foundation Brush from the Sonya™ Flawless Master Brush Collection is the perfect companion for a flawless application.
