

Aloe Hand & Face Soap

Aloe Hand & Face Soap is a rich, pearlescent, moisturizing hand and face cleanser with a generous amount of aloe. It creates a luxurious lather, leaving the skin feeling clean, smooth and silky, while minimizing the irritations experienced with some bar soaps. Its mild formula also makes Aloe Hand & Face Soap an ideal shampoo for children and adults alike.

Biodegradable, pH-balanced and non-irritating, it is mild enough for daily facial, hand, hair or body cleansing, and is suitable for those with sensitive skin.
