

## Lengthening Mascara

### Why You'll Love It

Take your lashes to great lengths with our aloe enriched *flawless by Sonya™* Lengthening Mascara. Create natural looking, high definition lashes that are long, luxurious, defined and separated for unforgettable eyes.

### How to Create It

Roll the brush from the base of the lashes to the lash tips when creating a flawless daytime look with just one coat, or layer up the mascara for a dramatic evening appeal.

After applying a coat of mascara, apply numerous strokes to the tips only; lashes will lengthen and curl easily.
