

aloe bio-cellulose mask

Sit back, relax and let this next-generation mask provide deep, long lasting hydration

- Deeply replenishes skin with powerful hydration
- Rejuvenates dull skin to help fight the signs of aging
- Soothes skin and reduces the appearance of redness
- Unveils soft, supple skin for a complexion that glows

Forever's most advanced mask yet brings you powerful hydration that absorbs deeper into your skin, takes seconds to apply and requires no rinsing. We've taken the ease of use and effectiveness of bio-cellulose and boosted it with next-generation technology that provides dual-phase benefits.

Through a process unique to Forever, *Acetobacter xylinum*, the bacteria that creates bio-cellulose, is fed Forever's aloe vera gel and seagrass, fusing them directly into the mask material to hydrate, soften and condition skin.

Why is bio-cellulose better? The mask fibers are 1,000 times finer than human hair, allowing the aloe bio-cellulose mask to form easily to every contour of the face. This allows the mask's ingredients to penetrate deep into fine lines and wrinkles traditional sheet masks can't reach.

The mask is soaked in a dynamic, hydrating serum, enriched with natural ingredients that will leave your skin looking and feeling radiant and renewed for longer. This masterful serum can be left on the skin after use, no rinsing required.

Horse chestnut is added to this blend to help brighten dull skin and to help reduce the appearance of redness while green tea and antioxidants work together to combat the signs of aging and fight free radicals. Glycerin is a key component of the serum that provides deep moisturizing benefits.

Taking advantage of the powerful effects couldn't be easier. Simply remove a layer of woven fabric and apply the mask. Press down gently to fit the mask securely, then remove the second layer. Kick back and feel the rejuvenating power of aloe bio-cellulose mask taking hold. After 20 minutes, simply remove the mask and massage the remaining serum into your skin. It's also biodegradable, so you can discard worry free and show the Earth a little love, too.

This formula is specifically designed for all skin types, including sensitive skin. For best results, use aloe bio-cellulose mask with one of Forever's popular skincare systems, and in conjunction with other Forever skincare products for targeted results.

INGREDIENTS: Water (Aqua/Eau), Propanediol, Aloe Barbadensis Leaf Juice (Stabilized* Aloe Vera Gel/gel d'aloès officinal stabilisé*), Glycerin, Glycosyl Trehalose, Hydrogenated Starch Hydrolysate, 1,2-Hexanediol, Hydroxyacetophenone, Mannitol, Ammonium Glycyrhizate, Caffeine, Zinc Gluconate, Aesculus Hippocastanum (Horse Chestnut) Seed Extract, Xanthan Gum, Camellia Sinensis Leaf Extract, Hydrolyzed Sclerotium Gum, Sodium Hyaluronate.

CONTENTS

5 individual masks

DIRECTIONS

1. Open pouch and unfold mask.
2. The mask is protected by a woven fabric on each side. Remove one layer and discard it.
3. Apply the mask to the face. Gently press to ensure it fits securely.
4. Remove the second layer of woven fabric and discard it.
5. Remove and discard the mask after about 20 minutes. No need to rinse. Massage remaining product into face and neck for a youthful appearance.
