

Sonya™ refining gel mask

Real beauty sleep

- Promotes healthy skin tone
- Supports fluctuations of combination skin
- Nourishes skin while you sleep

Refining gel mask gives new meaning to the term “beauty sleep”.

Scientifically formulated to optimize the way your skin functions at night, refining gel mask leverages the natural functions of the body while you sleep to help support balance – by controlling oil and brightening the appearance of skin.

To make the most of your shut eye, we infused this gel with a bounty of botanicals, including: carrot seed oil, basil oil, artemisia pallens flower oil and soybean oil.

As the cool gel quickly absorbs into your skin, you'll feel the moisturizing effect of our rich, stabilized aloe vera gel, and moisturizers like: apple fruit extract, clover flower extract that will leave your skin feeling soft with a youthful glow. Sasa quelpaertensis (Korean bamboo) extract, and licorice root, which has been used for over 3000 years, provides antioxidant support in this formula. This high-quality blend moisturizes your skin while you sleep, without leaving a greasy after-feel.

By using it only 2-3 times a week, you'll wake up to skin that looks brighter, younger and more balanced.
