

INTERNATIONAL SPONSORING

THERE ARE TWO WAYS TO SPONSOR INTERNATIONALLY:

 Contact the Forever Office in your country by phone. They will be able to send your information over to the country you wish to sponsor in.

OR

 Contact the Forever Office in the country you wish to sponsor in by phone. They will be able to receive your information from your country of residence.

Please note the following exceptions:

Korea, Thailand, Indonesia or Japan: FBOs must contact their home Forever Office to sponsor in these countries.

Vietnam: FBOs in Vietnam can sponsor in other countries, but other countries cannot sponsor in Vietnam.

China: International sponsoring is not available.

Your ID and achieved level in the Marketing Plan will remain the same in both countries

If you advance a level in your home country, you are automatically advanced in all other countries the following month

Volume will be combined for Global Rally qualification only
