

Aloe Vera Gel

Imagine slicing open an Aloe leaf and consuming the gel directly from the plant. Our Aloe Vera Gel is as close to the real thing as you can get.

The miraculous aloe leaf has been found to contain over 200 different compounds. A product of our patented aloe stabilization process, our gel is favored by those looking to maintain a healthy digestive system and a naturally high energy level.

The first to receive certification by the International Aloe Science Council, this rich cocktail of pulp and liquid authenticates this product as being just like nature intended. Taken daily, either alone or mixed with pure fruit juice, it is one of the best nutritional supplements available!
