### Weight Management

# Forever Lite® — Chocolate Chiffon, Vanilla Delight

For a meal on the go, whether you're looking to lose weight, gain muscle or just need an energetic boost, reach for Forever Lite® Nutritional Diet Program. Mixed with milk or your favorite fruit juice, Forever Lite delivers a nutritious kick of vitamins, minerals, proteins and carbohydrates. Rich in proteins for bodybuilding, growth and repair, two shakes a day provide 100% of the RDI of many vitamins and minerals. Each shake contains 18 amino acids (including all 8 essential ones) and trace elements including iron, and iodine, plus fiber. To protect against free radicals, we've added antioxidant Beta Carotene and vitamins A and E, and used the natural fruit sugar fructose, instead of sugar or aspartame.

Forever Lite is available in vanilla or chocolate flavor. Mixed with skim milk, soy milk or fruit juice, a Forever Lite shake can be a healthy, tasty way to manage your weight. If used as a meal replacement, eat at least one nutritiously complete, low-calorie meal a day, including fresh fruit, vegetables, whole grains and lean protein.
