

## Fields of Greens®

With today's busy lifestyles and the convenience of fast food, we all too often neglect eating fresh, green foods. Forever Living Products provides a simple solution to "convenience eating" in Fields of Greens®. One glance at its ingredient list reveals a cornucopia of green foods for your body.

Get the antioxidants you may be lacking. Fields of Greens combines young barley grass, wheat grass, alfalfa and added cayenne pepper (to help maintain healthy circulation and digestion). We have also added honey to promote energy.
