

Sonya® Colour Concealer Wheel

No one is perfect, but with Sonya's unique 5-in-1 Colour Concealer Wheel, you will come close. The exceptional quality of these correcting and neutralizing colors will let you blend away imperfections and even out skin tone for a natural, flawless finish.

Green:
Neutralizes redness – perfect for sunburn and rosacea

Yellow:
For darkness – excellent for under eye dark circles

Lilac:
Brightens yellow skin – highlights the eye lid area — perfect as an eye shadow base

Light Beige:
To conceal imperfections – makes an excellent highlighter

Beige:
To conceal imperfections

DIRECTIONS:
After applying Sonya Cream to Powder Foundation, apply Concealer with your ring finger or sponge. Pat lightly around the eye area. Set Concealer in place with the Sonya Translucent Powder of your choice for a flawless finish.

- Convenient and easy to use
- Mix colors together or use just one — be creative!
- Recommended for all skin types
- Excellent for dark circles, freckles, blemishes and all imperfections
