

Forever Pomesteen Power®

There's no disputing the fact that antioxidants are extremely vital to our health and well-being. There is, however, much discussion today among nutritionists as to which fruit is the most powerful antioxidant, or which contains the most Xanthones or has the highest ORAC value rating. Forever Pomesteen Power has them all with a proprietary blend of fruit juices and extracts, including Pomegranate, Pear, Mangosteen, Raspberry, Blackberry, Blueberry and Grape Seed.

ORAC value (Oxygen Radical Absorbance Capacity) is an indicator of how well an antioxidant inhibits free radical damage. The ORAC value of fruits can vary greatly, even when testing the same fruit at different times after harvesting. What is important to know is that all of the ingredients of Forever Pomesteen Power are near the top of the list in ORAC value, especially Pomegranate and Mangosteen fruit.

Pomegranate juice has more polyphenol antioxidants than red wine, green tea, cranberry juice and orange juice. In addition, it is a good source of Vitamins A, C, E and the mineral Iron.

Mangosteen is a popular fruit in Asia. Its exquisite taste prompted Queen Victoria to declare it her favorite fruit, henceforth it has been referred to as the "Queen of Fruits!" Its ORAC value is very high, and it is rich in beneficial Xanthones. Xanthones are a family of naturally occurring

nutritional compounds in fruits that are super powerful antioxidants.

Experience the incredible power of antioxidants from Pomegranate, Mangosteen, and other exotic fruits with Forever Pomesteen Power!

CONTENTS

16 fl. oz. (1 pint) (473 ml)

Supplement Facts

Serving Size 1 fl. oz. (30ml)

Servings Per Container 16

	Amount Per Serving	% Daily Value*
Calories	35
