

Sonya™ precision liquid eyeliner

Line and define

- ▶ Rich, inky-black color
- ▶ Defined, thin brush for clean lines
- ▶ 9 skin conditioning ingredients for delicate eye area

Forever's Sonya™ precision liquid eyeliner will help your eyes pop with a deep carbon pigment that creates crisp, sleek lines and bold, dramatic looks.

With 9 skin conditioners in the formula--like our skin-enhancing aloe, castor oil, vitamin E (also an antioxidant!) and sunflower seed oil, this smudge-proof liner will be gentle on your delicate eye area. These conditioners also help the liner gently sweep across your lid, so skin isn't pulled and tugged during application.

This moisturizing liner comes in an ergonomic, easy-to-hold pen. It dries quickly, and lasts with no flaking or smudging. The flexible applicator tip ensures that whether your style calls for a thin, refined line or a bold defined look, Sonya™ precision liquid eyeliner is up to the challenge.

Ingredients: WATER/AQUA/EAU, STYRENE/ACRYLATES COPOLYMER, POLYURETHANE-35, LAURETH-21, POLYGLYCERYL-2 CAPRATE, METHYLPROPANEDIOL, PEG-40 HYDROGENATED CASTOR OIL, GLYCERIN, ALOE BARBADENSIS LEAF JUICE POWDER, CAPRYLYL GLYCOL, PHENYLPROPANOL, TRI-C12-13 ALKYL CITRATE, PANTHENOL, BUTYLENE GLYCOL, STEARIC ACID, PALMITIC ACID, TOCOPHEROL, HELIANTHUS ANNUUS (SUNFLOWER) SEED OIL, TETRASODIUM GLUTAMATE DIACETATE, CITRIC ACID, ETHYLHEXYLGLYCERIN, PHENOXYETHANOL, BLACK 2.

NET WT.
1ml

DIRECTIONS

Gently rest the applicator at the base of the inner corner lashes, slowly dragging the liner across the lid. Keep simple for day wear, or drag further to create a fun cat eye.
