Concealer Duet

Why You'll Love It

Three perfectly paired, aloe inspired concealer shades in easy-to-use, double-ended pencils that blend flawlessly for concealing imperfections.

Two shades per pencil, the soft creamy texture and silky matte finish blend into the skin for a customized color application.

This innovative design works with the entire *flawless by Sonya™* Collection.

How to Create It

Apply before or after *flawless by Sonya™* Cream to Powder Foundation, aloe BB crème, Delicate Finishing Powder or Mineral Makeup to precisely conceal imperfections, and enhance your flawless complexion.

The Concealer Brush from the Sonya™ Master Brush Collection is the perfect companion for blending.
