Cream to Powder Foundation

Why You'll Love It

Our classic nine best-selling shades, in a new and innovative Aloe Vera inspired formula, transform from a luxurious, creamy texture to a silky powder leaving your skin soft, with a healthy and natural glow.

Aloe Vera and Orchid Extract work together to create the perfect texture that blends easily into the skin to perfect a velvety, silky and flawless finish.

How to Create It

Apply the Cream to Powder Foundation onto freshly cleansed skin; or apply after *flawless by Sonya™* aloe BB crème using the Foundation Brush from the Sonya Master Brush Collection.

Set your makeup by applying *flawless by Sonya™* Delicate Finishing Powder with the Sonya™ Kabuki Brush.
