

Defining Eye Pencil

Why You'll Love It

The classic black eyeliner. Designed to line and define the eyes, our aloe inspired *flawless by Sonya™* Defining Eye Pencil is the perfect way to enhance your eyes.

How to Create It

Apply the Defining Eye Pencil across the lash line, and then smudge it out for a soft and smoky look.

The Eyeliner and Smudger Brush from the Sonya™ Flawless Master Brush Collection are essential tools for blending, defining and lining the eyes to perfection.
