

Mineral Makeup

Why You'll Love It

Our three, classic, best-selling shades plus one new, lighter shade are all available in their innovative and rich, velvety, aloe inspired formulas. Each shade provides a soft coverage and flawless luminous glow.

How to Create It

The Sonya™ Kabuki Brush was created as the perfect companion to the Mineral Makeup.

flawless by Sonya™ Mineral Makeup may be used alone or as a finishing touch with these *flawless by Sonya™* products:

- For a soft, natural look, apply Mineral Makeup after concealing imperfection with Concealer Duets.
- Use aloe BB crème as a base, and then apply Mineral Makeup.
- To achieve full coverage, apply Mineral Makeup over the Cream to Powder Foundation.
